Teacher Supply in the United States Stephen Phillip Broughman, 2000

School Finance and Teacher Quality Margaret L. Plecki, David H. Monk, 2014-01-09 The yearbook is organized around four issues each of which can be viewed as representing an important focal point to improve teacher and teaching quality and having important implications for school finance The issues are 1 teacher recruitment induction and retention 2 the ongoing professional development of teachers 3 equity in the allocation of teaching resources 4 teacher compensation and workplace conditions

Handbook of Research on Special Education Teacher Preparation Paul T. Sindelar, Erica D. McCray, Mary T. Brownell, Benjamin Lignugaris/Kraft, 2014-03-05 Compilations of research on teacher preparation often include no more than a cursory mention of the specific roles and needs of special education teachers Although the work that special education teachers perform does indeed differ from the work of classroom teachers teacher preparation in the two fields has much in common The purpose of this seven part handbook is to expand our knowledge of teacher education broadly by providing an in depth look at the most up to date research on special education teacher preparation Opening chapters ground the collection in political and economic context while subsequent sections delve deeply into issues related to the current state of our special education workforce and offer insights into how to best prepare and sustain that workforce Ultimately by illuminating the particularities of special education teacher preparation this landmark handbook addresses the state of current research in the field and sets an agenda for future scholarship

Handbook of the Economics of Education Eric A. Hanushek, F. Welch, 2006-10-30 The Handbooks in Economics series continues to provide the various branches of economics with handbooks which are definitive reference sources suitable for use by professional researchers advanced graduate students or by those seeking a teaching supplement With contributions from leading researchers each Handbook presents an accurate self contained survey of the current state of the topic under examination These surveys summarize the most recent discussions in journals and elucidate new developments Although original material is also included the main aim of this series is the provision of comprehensive and accessible surveys Every

volume contains contributions from leading researchers Each Handbook presents an accurate self contained survey of a particular topic The series provides comprehensive and accessible surveys

Preparing for Inclusive Teaching Elizabeth Bondy,Dorene D. Ross,2012-02-01 Grounded in the reform effort of a large state university with a history of excellence in teacher education this book provides teacher educators and institutions with a valuable resource for navigating the choppy waters of reform Contributors all involved in the reform process tell the story of the University of Florida s efforts in the mid 1990s to unify general and special education in its teacher education program The book examines various aspects of the reform process explains challenges faced by teacher educators within today s context and particularly within the context of large research institutions presents strategies leaders use to keep reform on track in spite of challenges and includes detailed descriptions of the nature and structure of the reformed program Also included are valuable insights of teacher education experts from other institutions to contextualize the particulars of this reform within the national education and teacher education scenes
