The Christmas Box

Richard Paul Evans

The Christmas Box:

The Christmas Box Richard Paul Evans, 2012-10-09 A beautifully packaged 30th anniversary edition of 1 New York Times bestselling author Richard Paul Evans's classic tale of faith, hope, and Christmas miracles. Thirty years ago Richard Paul Evans wrote a small Christmas tale for his two young daughters as an expression of love, celebrating the joy of fatherhood and the beauty of childhood. Evans printed a couple dozen copies of his book and shared it with family and friends, which they began sharing with their loved ones. As demand for his book grew, Evans printed up copies of his sweet tale and began selling them at local stores in Salt Lake City. Within a few years, what began as a private expression of love for his two young daughters evolved into a beloved gift whose popularity quickly spread throughout the world. Soon his masterpiece became a global phenomenon, becoming one of the most bestselling books of the century. Now this special anniversary edition brings this heartwarming novel to a new generation. The moving and unforgettable story of a widow and the young family who come to live with her is a modern classic you'll want to share with all your loved ones from the king of Christmas fiction. The Christmas Box Miracle Richard Paul Evans, 2001 In 1994, Richard Paul Evans, then an unknown writer, self-published a short book entitled *The Christmas Box*. That book went on to become an international bestseller, selling more than seven million copies and touching the lives of many more people along the way. *The Christmas Box Miracle* is the story behind the book that has become a Christmas classic: how a man writes and publishes a book which helps grieving people to heal and lost souls to find their way home. It is Evans's story, his own spiritual journey, and stories of people he encountered along the way: miraculous stories of healing and divinity that often defy explanation. In sharing the story behind *The Christmas Box*, Richard Paul Evans has given us a story of miracles, hope, and healing for all seasons.

The Christmas Box LP Richard Paul Evans, 2002-01-15 A special anniversary edition of the unforgettable Christmas classic that has touched the hearts of millions of readers, the most popular holiday tale since *Tiny Tim*. Newsweek: Since *The Christmas Box* was first published, more than eight million people around the world have been touched by its magic. It is a holiday classic that is as beloved in our time as *A Christmas Carol* was in Dickens's. This special 20th Anniversary Edition contains a new Introduction by the author explaining how this personal tribute to his children, intended for just a few family members and friends, became a worldwide phenomenon that brings inspiration and healing to everyone who reads it. As he reiterates his intention to remind families of the preciousness of their love for each other, Evans explains how *The Christmas Box* has also helped children who have no families find love and hope. The Christmas Box springs from its timeless message that knows no season *The Christmas List* Richard Paul Evans, 2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of The Christmas Box Grace The Gift and Finding Noel The New York Times bestselling author of The Christmas Box and The Walk series returns with a holiday novel of hope love and redemption Dear Reader When I was in seventh grade my English teacher Mrs Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500 At the time I hadn't considered writing as an occupation a field with a remarkably low on the job casualty rate What intrigues me most about Mrs Johnson's assignment is the opportunity she gave us to confront our own legacy How do we want to be remembered That question has motivated our species since the beginning of time from building pyramids to putting our names on skyscrapers As I began to write this book I had two objectives First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them Their legacy Second I wanted to write a Christmas story of true redemption One of my family's holiday traditions is to see a local production of Charles Dickens's A Christmas Carol I don't know how many times I've seen it perhaps a dozen but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull tight-fisted miser into a penitent giddy as a schoolboy man with love in his heart I always leave the show with a smile on my face and a resolve to be a better person That's what I wanted to share with you my dear readers this Christmas a holiday tale to warm your season your homes and your hearts Merry Christmas The Christmas Box ,1890
