The Civil War In Appalachia Collected Essays

Stuart Brandes

The Civil War In Appalachia Collected Essays:

The Civil War in Appalachia Kenneth W. Noe, 2004-02 During the Battle of Perryville fought in Kentucky in October 1862 participants experienced an unusual phenomenon known as an acoustic shadow this peculiar combination of wind and terrain muffled the sounds of the fighting in such a manner that nearby soldiers were unaware that the battle was even taking place As the editors of this pioneering collection of essays observe a figurative acoustic shadow has long fallen on the study of the Civil War in Appalachia Regional stereotypes cursory generalizations and a neglect of geographic context have too often replaced detailed analysis and innovative interpretation Recent historiography has begun to present a fuller view of the war as it unfolded in the mountain counties of Alabama Georgia Kentucky Maryland the Carolinas Tennessee Virginia and West Virginia The goals of this volume the editors state are to provide a useful introduction to the social history of Appalachia s Civil War illustrating both the strengths and weaknesses of current historiography to sum up where we have been and suggest where we need to go and to point out the need to integrate Appalachian scholarship with studies of the Civil War and vice versa Among the topics covered are the experiences of blacks in Appalachia the war as it affected women the breakdown of community changing gender roles disaffection and desertion guerrilla warfare perceptions of mountain life and the early stirrings of industrialization These essays demonstrate the rich variety of Appalachian sentiments and attitudes toward the war dismantling familiar myths such as the view of Appalachia as a unionist monolith Following the conflict from the secession crisis to the postwar period these essays taken together provide what the editors call the closest thing historians have to a comprehensive history of the Southern Mountains at war **A Companion to the U.S. Civil War, 2 Volume Set** Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **Contested Borderland** Brian D. McKnight, 2006-03-31 A compelling study of impact of the Civil War in Appalachia that adeptly juggles the military social and political complexities of this border war American Historical Review During the four years of the Civil War the border between eastern Kentucky and southwestern Virginia was highly contested territory alternately occupied by

both the Confederacy and the Union Though sparsely populated the geography of the region made it a desirable stronghold for future tactical maneuvers In *Contested Borderland* Brian D McKnight s unprecedented geographical analysis of military tactics and civilian involvement provides a new and valuable dimension to the story of a region facing the turmoil of war Winner of the James I Robertson Literary Prize A very valuable study Appalachian Journal Engaging and eminently readable A compelling account of an isolated world turned upside down by a war fought over issues few of its residents understood or cared much about Civil War Times A revealing and richly diverse account of the war in this too neglected pocket of the South Daniel E Sutherland editor of *Guerrillas Unionists and Violence on the Confederate Home Front* Recommended for all serious Civil War scholars and enthusiasts Journal of American History McKnight s work has much to offer in covering the war in the Central Appalachian Divide Journal of East Tennessee History An enjoyable and informational read Journal of Military History Essential for all Appalachian regional and Civil War collections Journal of Southern History The author s analysis of military tactics political realities and genuine hardship is first rate West Virginia History

A Separate Civil War Jonathan Dean Sarris, 2012-10-05 Most Americans think of the Civil War as a series of dramatic clashes between massive armies led by romantic seeming leaders But in the Appalachian communities of North Georgia things were very different Focusing on Fannin and Lumpkin counties in the Blue Ridge Mountains along Georgia s northern border *A Separate Civil War Communities in Conflict in the Mountain South* argues for a more localized idiosyncratic understanding of this momentous period in our nation s history The book reveals that for many participants this war was fought less for abstract ideological causes than for reasons tied to home family friends and community Making use of a large trove of letters diaries interviews government documents and sociological data Jonathan Dean Sarris brings to life a previously obscured version of our nation s most divisive and destructive war From the outset the prospect of secession and war divided Georgia s mountain communities along the lines of race and religion and war itself only heightened these tensions As the Confederate government began to draft men into the army and seize supplies from farmers many mountaineers became more disaffected still They banded together in armed squads fighting off Confederate soldiers state militia and their own pro Confederate neighbors A local civil war ensued with each side seeing the other as a threat to law order and community itself In this very personal conflict both factions came to dehumanize their enemies and use methods that shocked even seasoned soldiers with their savagery But when the war was over in 1865 each faction sought to sanitize the past and integrate its stories into the national myths later popularized about the Civil War By arguing that the reason for choosing sides had more to do with local concerns than with competing ideologies or social or political visions Sarris adds a much needed complication to the question of why men fought in the Civil War

The Civil War along Tennessee's Cumberland Plateau Aaron Astor, 2015-05-25 Tennessee s Cumberland Plateau played host to some of the most dramatic military maneuvering of the Civil War Straddling the entire state of Tennessee the formidable tableland proved to be a maze of topographical pitfalls and a morass of divided

loyalties As Federal forces sought to capitalize on the capture of Nashville they moved into a region split by the most vicious guerrilla warfare outside Missouri including the colorful and intensely violent rivalry between Confederate Champ Ferguson and Unionist Tinker Dave Beaty The bitter conflict affected thousands of ordinary men and women struggling to survive in the face of a remorseless war of attrition and its legacy continues to be felt today [Yankee Commandos](#) Stuart Brandes,2023-05-08 In June of 1863 Col William P Sanders led a cavalry raid of 1 300 men from the Union Army of the Ohio through Confederate held East Tennessee The raid s purpose was to sever the Confederate rail supply line from Virginia to the Western Theater and Sanders and his raiders were largely successful Brandes presents readers with the most complete account of the Sanders raid to date using Sanders s official reports East Tennessee diaries and memoirs of the Civil War and pertinent secondary sources In doing so Brandes fills an important gap in Civil War scholarship and showcases Unionism in a mostly Confederate sympathizing state [A Savage Conflict](#) Daniel E. Sutherland,2009 Examines the impact that guerrilla warfare had on the Civil War discussing how Confederate guerrillas increasing use of plunder and violence led to a decline of support for them among Southerners and was a factor in the final defeat of the South *Mountaineers in Gray* John D. Fowler,2004 On April 26 1865 on a farm just outside Durham North Carolina General Joseph E Johnston surrendered the remnants of the Army of Tennessee to his longtime foe General William T Sherman Johnston s surrender ended the unrelenting Federal drive through the Carolinas and dashed any hope for Southern independence Among the thirty thousand or so ragged Confederates who soon received their paroles were seventy eight men from the Nineteenth Tennessee Volunteer Infantry Regiment Originally consisting of over one thousand men the unit had through four years of sickness injury desertion and death been reduced to a tiny fraction of its former strength Organized from volunteer companies from the upper and lower portions of East Tennessee the men of the Nineteenth represented an anomaly Confederates in the midst of the largest Unionist stronghold of the South Why these East Tennesseans chose to defy their neighbors risking their lives and fortunes in pursuit of Southern independence lacks a simple answer John D Fowler finds that a significant number of the Nineteenth s members belonged to their region s local elite old established families engaged in commercial farming or professional occupations The influence of this elite along with community pressure kinship ties fear of invasion and a desire to protect republican liberty generated Confederate sympathy amongst East Tennessee secessionists including the members of the Nineteenth Utilizing an exhaustive exploration of primary source materials the author creates a new model for future regimental histories a model that goes beyond bugles and bullets to probe the motivations for enlistment the socioeconomic backgrounds the wartime experiences and the postwar world of these unique Confederates The Nineteenth served from the beginning of the conflict to its conclusion marching and fighting in every major engagement of the Army of Tennessee except Perryville Fowler uses this extensive service to explore the soldiers effectiveness as fighting men the thrill and fear of combat the harsh and often appalling conditions of camp life the relentless attrition through disease desertion and death in battle

and the specter of defeat that haunted the Confederate forces in the West This study also provides insight into the larger issues of Confederate leadership strategy and tactics medical care prison life the erosion of Confederate morale and Southern class relations The resulting picture of the war is gritty real and all too personal If the Civil War is indeed a mosaic of little wars this then is the Nineteenth s war John D Fowler is assistant professor of history at Kennesaw State University He is the recipient of the Mrs Simon Baruch University Award for the best manuscript in Civil War History 2002 The Lost State of Franklin Kevin T. Barksdale, 2021-02-15 In the years following the Revolutionary War the young American nation was in a state of chaos Citizens pleaded with government leaders to reorganize local infrastructures and heighten regulations but economic turmoil Native American warfare and political unrest persisted By 1784 one group of North Carolina frontiersmen could no longer stand the unresponsiveness of state leaders to their growing demands This ambitious coalition of Tennessee Valley citizens declared their region independent from North Carolina forming the state of Franklin The Lost State of Franklin America s First Secession chronicles the history of this ill fated movement from its origins in the early settlement of East Tennessee to its eventual violent demise Author Kevin T Barksdale investigates how this lost state failed so ruinously examining its history and tracing the development of its modern mythology The Franklin independence movement emerged from the shared desires of a powerful group of landed elite yeoman farmers and country merchants Over the course of four years they managed to develop a functioning state government court system and backcountry bureaucracy Cloaking their motives in the rhetoric of the American Revolution the Franklinites aimed to defend their land claims expand their economy and eradicate the area s Native American population They sought admission into the union as America s fourteenth state but their secession never garnered support from outside the Tennessee Valley Confronted by Native American resistance and the opposition of the North Carolina government the state of Franklin incited a firestorm of partisan and Indian violence Despite a brief diplomatic flirtation with the nation of Spain during the state s final days the state was never able to recover from the warfare and Franklin collapsed in 1788 East Tennesseans now regard the lost state of Franklin as a symbol of rugged individualism and regional exceptionalism but outside the region the movement has been largely forgotten The Lost State of Franklin presents the complete history of this defiant secession and examines the formation of its romanticized local legacy In reevaluating this complex political movement Barksdale sheds light on a remarkable Appalachian insurrection and reminds readers of the extraordinary fragile nature of America s young independence

The Civil War In Appalachia Collected Essays Introduction

In today's digital age, the availability of The Civil War In Appalachia Collected Essays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Civil War In Appalachia Collected Essays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Civil War In Appalachia Collected Essays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Civil War In Appalachia Collected Essays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Civil War In Appalachia Collected Essays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Civil War In Appalachia Collected Essays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Civil War In Appalachia Collected Essays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Civil War In Appalachia Collected Essays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Civil War In Appalachia Collected Essays books and manuals for download and embark on your journey of knowledge?

FAQs About The Civil War In Appalachia Collected Essays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Civil War In Appalachia Collected Essays is one of the best book in our library for free trial. We provide copy of The Civil War In Appalachia Collected Essays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Civil War In Appalachia Collected Essays. Where to download The Civil War In Appalachia Collected Essays online for free? Are you looking for The Civil War In Appalachia Collected Essays PDF? This is definitely going to save you time and cash in something you should think about.
