Living on the Other Side Lisa M.

Hess, 2025-05-15 Living on the Other Side recounts and aims to redress the unspoken largely unconscious abandonment of the Feminine in ecclesial and academic settings through an economic trinity of voices a feminist with a forgiveness problem a conscious feminine theologian serving in academic and ecclesial environments unconsciously hostile to the Feminine and a preacher's wife coming to voice about the realities of congregational Christianity held redemptively in covenantal love Fruit of decades in theological education these pages demonstrate the necessity of sacred bewilderment for deepening spiritual maturity the purposes of rage becoming holy when able to acknowledge its limitation and an unexpected freedom that arises when forgiveness finds us in faith renewed in the Body of Humanity Current and prospective students in theology and religion seasoned pastors and willing congregations will find a compelling narrative and theological sense making of one woman's life in the Spirit disrupted so to become regrounded in a renewed and renewing trinitarianism arising out of historic Christian traditions **Eye of the Heart** Cynthia Bourgeault, 2020-09-08 The modern day mystic and beloved author of The

Wisdom Jesus shares the evolution of her spiritual journey offering a bold interpretation of Christian mysticism energy and our collective reality In Eye of the Heart Cynthia Bourgeault investigates the imaginal realm an energetic realm well known to the mystical traditions but often forgotten in our own times It is invisible to the physical eye but clearly perceptible through the eye of the heart The imaginal realm has long been associated with the personal world of dreams prophecy and oracles and it also points toward a higher vision of our human purpose that is both evolutionary and collective Bourgeault explores both aspects of imaginal reality and shows readers how we can cooperate more fully with its guidance in our lives Expertly blending her own lived experiences with research on the imaginal realm Bourgeault explores how her personal relationships have helped to bring these teachings into sharper focus and the role this realm plays in Christian and other mystical traditions She delves into the connections between our inner consciousness and what happens in the world exploring the transformative energy and governing conventions that make the manifestation of this realm possible Eye of the Heart presents Bourgeault's spiritual journey with the imaginal realm and encourages readers to attune their hearts for the well being of the world **An Introduction to Jacob Boehme** Ariel Hessayon, Sarah Apetrei, 2013-08-29 This volume

brings together for the first time some of the world's leading authorities on the German mystic Jacob Boehme to illuminate his thought and its reception over four centuries for the benefit of students and advanced scholars alike Boehme's theosophical works have influenced Western culture in profound ways since their dissemination in the early 17th Century and these interdisciplinary essays trace the social and cultural networks as well as the intellectual pathways involved in Boehme's enduring impact The chapters range from situating Boehme in the 16th Century Radical Reformation to

discussions of his significance in modern theology They explore the major contexts for Boehme's reception including the Pietist movement Russian religious thought and Western esotericism as well as focusing more closely on important readers the religious radicals of the English Civil Wars and the later English Behmenists literary figures such as Goethe and Blake and great philosophers of the modern age among them Schelling and Hegel Together the chapters illustrate the depth and variety of Boehme's influence and a concluding chapter addresses directly an underlying theme of the volume asking why Boehme matters today and how readers in the present might be enriched by a fresh engagement with his apparently opaque and complex writings
