Cliffhangers Dr. Felecia Rodgers, 2013-08-30 The spirit in man causes self evaluation reflection and ultimately the search for meaning and lifes purpose It is the empowering energy of humanity to seek and allow many to find the love of God that surpasses all reasoned understanding Our lifes journey is replete with mountains The moments on mountain peaks are times for discovery and choices conveying a lifetime process of spiritual identity and transformation In CLIFFHANGERS examples are offered from the Scriptures of individuals experiencing time at

the pinnacle of the mountain the questions they may have pondered and the outcome of their allotted time on the cliff To show that every choice results in decisions which affect eternal security To encourage you to focus on every choice by seeking God for the decision Prov 3 5 6 To develop a sincere and unyielding attitude regarding your relationship with God To place this natural life and all things related to it into proper perspective II Tim 4 7 and To learn that all choices lead to a place of decision and all circumstances following each decision can be associated with advancement neutrality or even decline in spiritual growth The intended audience is anyone struggling with the complexity of life choices or in need of guidance with a life changing decision

Hook, Line, and Cliffhanger A. J. Sieling, Cliffhangers get a bad rap from the reading community They moan and complain and say that they hate them with a passion But from a writer s perspective cliffhangers are little more than a tool for suspense right So how do we craft endings to our fiction novels that are exciting and suspenseful and yes sometimes leave information out but that don t enrage our readers The answer to creating suspense is finding that balance between what to share and what to hide it s about careful and strategic placement of details In Hook Line and Cliffhanger delve into the intricacies of effective and ineffective cliffhanger endings It will identify different types of endings that are often considered cliffhangers by readers and discuss when to use them when not to use them and how to do so most impactfully In addition this book will go over the different types of book series to better understand how to keep your reader turning page after page late into the night and then grabbing the next book in the series as soon as they finish the first Learn how to shove your readers over the edge of that suspenseful cliff and have them enjoy the fall

The Hyperions, Book One Keith B. Darrell, 2025-03-15 The royal command ship Calpernia leads the Hyperion fleet deeper into a mysterious space sector Although the ships carry hundreds of thousands of men women and children they represent only a small portion of the once great Hyperion empire They are the survivors refugees from a doomed planet ravaged and ultimately destroyed by internal strife Hyperion in the grips of civil war had exploded into lifeless fragments hurtling in all directions allowing scant time or resources for all but a fraction of their race to escape through a wormhole and join the Calpernia in orbit around Earth s moon Under the leadership of their new king Kevian the surviving Hyperions constructed a fleet of massive starships that now serve as their temporary home until a habitable planet can be found and declared New Hyperion But like all quests the Grail remains elusive From the pages of the Vampires Vs Aliens Young Adult Science Fiction Fantasy series

Sense8 Deborah Shaw, Rob Stone, 2021-05-20 This collection explores the many ways in which the Netflix series Sense8 transcends television As its characters transcend physical and psychological borders of gender and geography so the series itself transcends those between television new media platforms and new screen technologies while dissolving those between its producers stars audiences and fans Sense8 united inspired and energized a global community of fans that realized its own power by means of online interaction and a successful campaign to secure a series finale The series playful but poignant exploration of globalization empathy transnationalism queer and trans aesthetics gender fluidity imagined
