The Comintern And The Chinese Communists 1928 1931:

The Comintern and the Chinese Communists Richard C. Thornton, 1969 **China: A Political History, 1917-1980**

Richard C. Thornton, 2019-08-27 It is the purpose of this work to provide an integrated analytical framework that will serve as a guide to further study of the vast and complex subject of Chinese Communist politics The outpouring of materials from U S Soviet Chinese Communist and Chinese Nationalist sources in recent years has greatly enriched our fund of knowledge about China For the historian of Chinese politics the new data have provided answers to hitherto unresolved problems and raised questions about seemingly settled issues Although it is now possible to piece together the main outlines of the struggle for power in China obviously no single volume can presume to encompass all aspects of the story *Chinese Communist Materials at the Bureau of Investigation Archives, Taiwan* Peter Donovan, Carl Dorris, Carl E. Dorris, Lawrence Sullivan, Lawrence R. Sullivan, 2020-08-06

During the long years of civil strife in China the Nationalist authorities amassed extensive materials on their Communist adversaries Now stored in government institutions on Taiwan these materials are an excellent source for the study of the Chinese Communist movement Among them is the Bureau of Investigation Collection BIC which holds over 300 000 volumes of primary documents on the Chinese Communist movement The purpose of Chinese Communist Materials is without any attempt at comprehensive listing of the Bureau s holdings to give scholars a representative description of the collection to point out its implications for research and suggest new areas for research at the Bureau in the fields of political science and history 1 4 *The Rise to Power of the Chinese Communist Party* Tony Saich, Benjamin Yang, 2016-09-16 This collection of documents covers the rise to power of the Chinese communist movement They show how the Chinese Communist Party interpreted the revolution how it devised policies to meet changing circumstances and how these policies were communicated to party members and public **The Politics of Chinese Communism**

Ilpyong J. Kim, 2023-07-28 The political system established by the Chinese Communist Party in 1949 had its origins in many respects in the Chinese Soviet Republic of 1931 1934 based in southern Kiangsi province about 400 miles southwest of Shanghai The Kiangsi period was important because it gave the Chinese Communists their first opportunity to govern an extensive area and a large population and in so doing to develop methods of mass mobilization as well as new techniques for conducting party and government affairs Kim explores the evolution of the Chinese Communist movement during the Kiangsi soviet period especially its organizational concepts behavioral patterns and development techniques of mass line politics He seeks answers to several questions What notions of organization shaped the Kiangsi political system Who formulated the policies How were they implemented at the rice roots level of government By analyzing Mao Tse tung s writings on organization and comparing them with those of other Chinese Communist theoreticians he achieves fresh insights into Mao s approach to administration and bureaucratic organization The distinct contribution of this book lies in its focus on such issues as how the Chinese Communist leaders viewed organizational problems within their movement

especially following the failure of the 1947 revolution how they responded to these problems and how they maintained a balance of power among the party the government and the Red Army while administering the expanding territorial base and managing complex organizations This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 *The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance* Dieter Heinzig, 2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions *The Gate of Heavenly Peace* Jonathan D. Spence, 1982-10-28 A milestone in Western studies of China John K Fairbank In this masterful highly original approach to modern Chinese history Jonathan D Spence shows us the Chinese revolution through the eyes of its most articulate participants the writers historians philosophers and insurrectionists who shaped and were shaped by the turbulent events of the twentieth century By skillfully combining literary materials with more conventional sources of political and social history Spence provides an unparalleled look at China and her people and offers valuable insight into the continuing conflict between the implacable power of the state and the strivings of China s artists writers and thinkers **Espionage and the Roots of the Cold War** David McKnight, 2012-12-06 From the 1930s to the 1950s a large number of left wing men and women in the USA Britain Europe Australia and Canada were recruited to the Soviet intelligence services They were amateurs and the reason for their success is intriguing Using Soviet archives this work explores these successes *Mao's Road to Power: Revolutionary Writings, 1912-49: v. 3: From the Jinggangshan to the Establishment of the Jiangxi Soviets, July 1927-December 1930* Zedong Mao, Nancy J.
