The Commentators' Pesach Seder Haggadah Isaac Sender, 2003 A best of compilation of Rav Sender's previous three Haggadah commentaries with added material insights stories and parables from great Torah luminaries

The Commentators' Al Hanissim: Purim Isaac Sender, 2000 **The Commentators' Shabbos** Yitzchak Sender, 1995

Commentators' Pesach Sender, 1996 Jewish Answers Rabbi Shmuel Jablon, 2000-08-16 Did you ever want to ask an Orthodox Rabbi a question but didn't know how or where to begin Rabbi Shmuel Jablon a young Orthodox rabbi and educator answers questions from all over the world He also provides thoughts from sages both modern and classical on the Jewish Holidays You may be surprised to find your questions here and even more surprised at the answers

The Commentators' Shabbos Prayers Yitzchak Sender, 2005 **Jewish Liturgy as a Spiritual System** Arnold Rosenberg, 2000-06-30 Readers of this book will emerge with a new awareness of what we as Jews are doing when we pray why we are doing it how we are supposed to be affected by prayer how the prayers came to be as they are today and how they differ among the major movements of American Judaism The traditional Jewish liturgy if properly understood is a deep and powerful technique for spiritual transformation However spiritual depth of prayer has been progressively reduced over the past 2000 years as the underlying currents of the Siddur the Jewish prayerbook have been lost to the majority of worshippers This book explains the Jewish liturgy prayer by prayer according to what in the context of ancient and medieval Judaism was its *raison d'être* a structure for transforming one's mind and way of life The author writes The crisis Judaism now faces while genuine is due not to a lack of depth in the traditional Jewish prayer service but to a profound and almost universal lack of understanding of that prayer service that pervades all segments of the Jewish community Jewish prayer services in many contemporary synagogues lack spiritual fervor because the linkage between word and ritual on the one hand and mental transformation on the other that would generate such fervor is not generally known to Jewish adults and is not taught to Jewish children Unfortunately the prayer service regularly degenerates into a race through words and gestures divorced from the sequence of mental states and visualizations through which these words and gestures were intended to lead us This book was written to reunite the activity and language of prayer with its original transformative goal by educating worshippers about what is at the heart of the siddur Several chapters provide an overview of the Jewish prayer service and its spiritual flow These chapters explain the visualizations allusions and meditative techniques that form the heart of the service and the altered

states of consciousness through which the service can move the worshipper as well as a synopsis of the history of Jewish liturgy and its study In addition each major prayer is analyzed in its order of appearance according to how it fits into the structure and flow of the liturgy as a vehicle for transforming the mind The book may be used as a companion to the Siddur because the prayer sequence is matched to the corresponding page numbers in all of the most widely used Siddurim in the United States Also included is a chart of the morning service for weekdays and Shabbat that graphically illustrates not only the structure and history of the prayers but also the sequence of mind states to which they correspond **Mishnah**
