The Christian Perspective

George M. Newlands

The Christian Perspective:

The Christian Perspective Julián Marías, Harold Raley, 2000 Julian Marias begins The Christian Perspective with the observation which also becomes an informing premise that those areas of the world where Christianity is or has been preeminent have also been the most creative and progressive Without offering an exhaustive explanation for this phenomenon Marias suggests ways the Christian view has helped to shape our understanding of human dignity and destiny and examines in non theological language how Christians have realized or rejected this vision **A Christian Perspective on Twenty-First Century Spirituality** Bruce G. Frederickson, 1999 **Islam, a Christian Perspective**, 1983-01-01 Looks at the history of Islam discusses the life of Muhammad and examines Islamic culture and religious thought *A Reader in Sociology; Christian Perspectives* Charles P. De Santo, Calvin Redekop, William L. Smith-Hinds, 2001-03-07 **God in Christian Perspective** George M. Newlands, 2008-07-17 In this book George Newlands seeks to work out a modern restatement of a Christian understanding of God Father Son and Spirit Evil on the scale experience in modern wars and the awareness of the variety of transcendent values in the pluralism of the contemporary world have tended to reinforce intellectual objections to traditional doctrines If the whole picture must remain partly obscure to us nevertheless we must continue to reflect on the character and activity of the God of the Christian faith and renew our attempts to describe and state beliefs In the first part of his study Professor Newlands considers the sources of a Christian understanding of God and analyses the substantive content of the doctrine of God as creator and reconciler of the cosmos as personal self differentiated transcendent being The second part reflects on christology and examines the social and ethical dimensions of the cost of discipleship Throughout Professor Newlands demonstrates the importance of thinking about God not in unreflecting slogans but with all our intellectual resources **Economics in Christian Perspective** Victor V. Claar, Robin J. Klay, 2015-04-21 Victor Claar and Robin Klay introduce students to the basic principles of economics and then evaluate the principles and issues as seen from a Christian perspective This textbook places the economic life in the context of Christian discipleship and stewardship This text is for use in any course needing a survey of the principles of economics [Homosexuality FAQs - A Christian Perspective eBook](#) Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by

issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God

Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore

Psychology in Christian Perspective Harold Faw, 1995-06-01 This book follows the standard progression of introductory psychology texts and adds a Christian perspective that contributes needed diversity to the study of the mind and behavior Topics range from ESP to moral development Each chapter provides an introduction and overview of a given theme a discussion of issues an exploration of how psychological and biblical perspectives might be complementary and a recap with suggested readings

Old English Poetry in Medieval Christian Perspective Judith N. Garde, 1991 Dr Garde questions modern interpretations of the nature and purpose of Old English religious poetry In this doctrinal appraisal Dr Garde contends that English religious poetry in the early medieval age of faith was intended to convey conventional Christian teaching to unlearned audiences In this reading Old English religiousverse is dominated by the Christus Victor tradition the exegetical perceptions often assumed in modern criticism are not justified The tradition of Christ's triumphant Descent into hell regarded as apocryphal by many critics is discussed in the context of the Resurrection and Christian expectations of eternal life in the Advent lyrics the Descent poems Christ II and Phoenix The Dream of the Rood

Elene and Christ III are seen as describing Christ's Incarnation death Descent Resurrection and Ascension the Pentecostal phenomenon and the Church in the world Expectations of judgment the future resurrection of flesh and the prospect of eternal bliss for righteous Christians complete the credal sequence The author suggests that unstated wholly familiar perceptions of salvation in Christ underlie all Old English religious verse and that interpreters ignore these traditions at their peril JUDITH GARDE's published work includes contributions to the Journal of Literature and Theology and Neophilologus

A Christian Perspective on Political Thought Stephen Charles Mott, 1993 The author seeks to advance the role of biblical and theological values in the political lives of individual Christians and the public discourse of American society He argues that Americans want to make choices in terms of standards of right and wrong but tend to lack the formulation of a theory
