Clan hordes alone And a mysterious elderly warrior along with the untested warriors of ComStar is the Inner Sphere's last defense against total defeat *BattleTech: The Founding of the Clans Trilogy* Philip A. Lee, 2024-10-30

THE COMPLETE STORY OF THE FOUNDING OF THE CLANS As the once glorious Star League crumbles around him Aleksandr Kerensky commanding general of the Star League Defense Force sees a path to prevent further warfare taking his troops into exile far from the greedy grasp of the five Great Houses But even in a new untouched paradise far from civilization war follows and the only path to survival requires founding a wholly new society on the ashes of the old THIS BOX SET CONTAINS THE FOLLOWING NOVELS

FALL FROM GLORY 100 million dead 500 million wounded One billion homeless The worst war in human history is over and has left the Star League shattered Jealousy and infighting from the five Great House Lords over who will be the next First Lord has the entire Inner Sphere already teetering on the brink of all out conflict again Against this grim backdrop Aleksandr Kerensky commanding general of the Star League Defense Force faces a terrible choice Stay and see the mightiest military ever known subsumed into the Great Houses lighting a conflagration that may burn even brighter than the terrible Amaris Coup Or do the unthinkable To save the Inner Sphere Aleksandr along with his sons Nicholas and Andery must leave it behind He marshals the largest fleet ever assembled to carry millions of people on thousands of JumpShips to head into the unknown Exodus But though the Great General strives to make a fresh start for his people far from the Inner Sphere old habits and allegiances are difficult to leave behind Soon the Kerenskys and their followers face threats both external and internal as they search the endless black for a new world upon which they can forge a Star League in Exile or die trying

VISIONS OF REBIRTH General Aleksandr Kerensky is dead The Pentagon Worlds are in flames The dream of a Star League in Exile is over shattered by civil war Amid the chaos Nicholas Kerensky leads those who will follow him into a second exodus to the world of Strana Mechty Yet unlike his father Nicholas Kerensky must choose a different path He wants to do away with all that was and create an entirely new order However the bounds of society that go back millennia cannot be shed so easily Resistance must be overcome and blood must be spilled before Nicholas dream can be achieved But without his brother Andery's help the entire venture is doomed before it even begins Brothers however don't always share the same goals And as more aspects of civilization are purged in the relentless forging of this new society Andery fears the worst of human nature will arise Can he find a way forward and stay by his brother's side or will Nicholas ultimate vision be realized as everything Andery stands against

LAND OF DREAMS Two thousand light years from Terra two brothers leave behind the shattered dreams of their father the great General Aleksandr Kerensky For a second time war drives them into the dark and cold of the void as the raging conflict engulfs the Pentagon Worlds and the nascent Star League in Exile For nearly fifteen years on the world of Strana Mechty the land of dreams Andery Kerensky has watched his elder brother Nicholas shape an all new society of warriors that follows their ilKhan with near religious fanaticism And despite the costs already paid in blood for that transformation Andery knows the worst is yet to come For Nicholas will stop at nothing to mold

his followers into something never before seen in human history And all with one singular goal to return to the Pentagon Worlds and punish those that destroyed their father s dream Can Andery continue to be his brother s conscience even as Nicholas final hammer blows forge the Clans into the great and terrible society it is poised to become Or will the titanic assault of Operation Klondike and the Clans return to the Pentagon Worlds shatter what Nicholas has built entirely And just how far will Andery let Nicholas go to pursue his zealous quest of a united Clan Homeworlds
