The Claws In The Eiderdown:

The Claws in the Eiderdown Rochelle Theo Pienn, 1998 Poetry Rochelle Theo Pienn's first collection *The Claws in the Eiderdown* is a book of 54 poems in 2 sections which Rebecca Pepper Sinkler describes as sensual vivid grounded in nature and grounded in the personal probing pain loss loneliness and love These are intimate poems that are not afraid to feel My body splits apart like reeds under the plow The truth out there I find it in your skin I see what you see I burn my veil as an offering Give me the truth deeply from The Harbour House Hugh Ormsby Lennon finds the work mesmerizing with a distinct inextinguishable voice that that transmutes physical into metaphysical the spiritual back into the material Three Plays Pierre Frei, 1980 Occupied Berlin American sector 1945 A German boy discovers the body of a beautiful young woman in a subway station Blonde and blue eyed she has been sexually assaulted and strangled with a chain When the bodies of other young women are discovered it becomes clear that this is no isolated act of violence and German and American investigators will have to cooperate if they are to stop the slaughter An electrifying thriller in the tradition of Joseph Kanon and Alan Furst Berlin is a page turner and an intimate portrait of Germany before during and after the war Pierre Frei has searched the wreckage of Germany's past and emerged with a gripping whodunit **The Bridge of Years** May Sarton, 2014-12-16 May Sarton's celebrated novel of family philosophy and survival set between the two great wars that cleaved Europe in two In the wake of the First World War life for the Duchesnes goes on almost as it always has Situated near a vegetable garden an orchard and rolling green pastures their Belgian estate is one of the few that escaped dereliction in the difficult preceding years The garden is M lanie Duchesne's lifeblood a boost to her seemingly unending well of vitality The introspective Paul finds his refuge in writing his most deeply held ambition But as the years pass Paul's books find little audience and husband and wife focus instead on their furniture business and their growing family The Bridge of Years follows the Duchesnes in the years leading up to World War II their daily exploits and travails the small moments and mundane beauties that fill their lives When their German friend Schmidt arrives for a visit he brings news of an impending nightmare in the East that is threatening to overturn life as they know it With the specter of fascism looming the rising tensions bring out the best in Paul whose writing enjoys renewed vigor and intensity as well as in M lanie whose steadfast determination might be the very thing that saves her family as war knocks at their door once again **Berlin** Pierre Frei, 2007-12-01 A serial killer stalks the streets of post World War II Berlin in this international bestselling thriller Set in a devastated Berlin one month after the close of the Second World War Berlin has been highly acclaimed Ben a German boy retrieving cigarette butts to repack and sell on the black market discovers the body of a beautiful young woman in a subway station Blonde and blue eyed she has been sexually assaulted and strangled with a chain In the scramble to identify the body the victim is mistaken for an American and a local investigation becomes a matter for the US Military Police Cpt John Ashburner and Inspector Klaus Dietrich realize quickly that to solve this apparently motiveless murder they will have to work together When the bodies of

other young women are discovered it becomes clear that this is no isolated act of violence Pierre Frei has searched the wreckage of Berlin and emerged with an electrifying thriller in the tradition of Joseph Kanon and Alan Furst in which the voices and stories of the victims themselves provide an intimate portrait of Germany before during and after the war The historical elements are compelling Once involved in the story it is difficult to put it down School Library Journal
