The Color Of Gender Reimagining Democracy:

The Color of Gender Zillah R. Eisenstein, 1994-03-18 Eisenstein argues clearly and forcefully for the importance of reinventing a comprehensive rights discourse through the recognition of individual specified needs Donna J Haraway University of California Santa Cruz Inspired by events in Eastern Europe and building on her earlier pathbreaking critiques of patriarchy neoconservatism and neoliberalism Eisenstein asks how shall a white feminist living in the U S in the 1990s position herself in a world where so much has changed yet so much remains the same Her answer daring and persuasive steers through the post 1989 debates in Eastern Europe over the meaning of democracy the searing race gender controversies of recent U S politics the Gulf War AIDS abortion affirmative action the Hill Thomas hearings and finally to the conclusion that we must radically redefine not reject liberal concepts like rights equality and privacy Rosalind P Petchesky Hunter College author of Abortion and Woman s Choice

Shapers of the Great Debate on Women's Rights Joyce D. Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women s issues to the forefront of American society Many early feminists supported not only women s rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women s suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women s fundamental need for independence and an identity of their own separate from that of men which thrust the women s movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O Connor are included in this history of the women s movement in America The biographical entries cite works for further reading and the volume closes with a

bibliography The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies **(En)Gendering the War on Terror** Kim Rygiel,2016-03-03 The war on terror has been raging for many years now and subsequently there is a growing body of literature examining the development motivation and effects of this US led aggression Virtually absent from these accounts is an examination of the central role that gender race class and sexuality play in the war on terror This lack of attention reflects a continued resistance by analysts to acknowledge and engage identity related social issues as central elements within global politics As this conflict spreads and deepens it is more important than ever to examine how diverse international actors are using the war on terror as an opportunity to reinforce existing gendered raced classed and sexualized inter national relations This book examines the official war stories being told to the international community about why and against whom the war on terror is being waged The book will benefit students scholars and practitioners in the areas of international relations women s studies and cultural studies Citizenship: Pushing the Boundaries The Feminist Review Collective,2005-06-27 Citizenship Pushing the Boundaries brings together global perspectives and issues of citizenship in particular regional and national contexts It comprehensively covers contemporary feminist debates on citizenship such as citizenship as a status bestowing rights and responsibilities passive and active citizenship and the distinctions and interconnections between the public and private citizen A Companion to Feminist Geography Lise Nelson,Joni Seager,2025-07-28 A Companion to Feminist Geography captures the breadth and diversity of this vibrant and substantive field Shows how feminist geography has changed the landscape of geographical inquiry and knowledge since the 1970s Explores the diverse literatures that comprise feminist geography today Showcases cutting edge research by feminist geographers Charts emerging areas of scholarship such as the body and the nation Contributions from 50 leading international scholars in the field Each chapter can be read for its own distinctive contribution Trouble Showed the Way Claire C. Robertson,1997-11-22 Robertson s book represents a powerful contribution to African social economic and women s history Highly recommended Choice An important resource for anyone interested in the history of women and trade in modern Kenya International Journal of African Historical Studies a landmark study meticulously executed and written it will have a wide impact on some of the most significant questions facing the disciplines of history anthropology political science and development economics Gracia Clark Herskovitz Award winner Claire Robertson employs a variety of approaches to analyze and weave together this wide ranging study Her book provides an extensive case study of historical transformations in gender agriculture residence and civil society Based on archival documents library sources fiction and nonfiction primary and secondary surveys and oral histories participant observation and quantitative and qualitative analysis Robertson breaks new ground by focusing on traders in one commodity dried staples and comparing and contrasting the evolution of women s
