The Committed Marriage:

The Committed Marriage Esther Jungreis, 2004-05-11 In our turbulent world it sometimes seems difficult to forge and maintain the bonds of a committed loving relationship In *The Committed Marriage* Rebbetzin Esther Jungreis esteemed teacher counselor and matchmaker helps even the most pressured modern couples find harmony and unity guided by the timeless wisdom of the Torah Starting with the first stages of finding a soul mate and continuing through the challenge of learning to communicate with compassion and understanding whether debating parenting issues or how to grow old in harmony these real life success stories reflect the practicality and endurance of traditional values The anecdotes and true life stories will speak to your heart and mind while the Rebbetzin's faith and depth of understanding will inspire you and strengthen your marriage *The Committed Marriage* Elizabeth Achtemeier, 1976-01-01 From a biblical point of view the author examines the contemporary state of marriage and family life identifies sources of conflict within marriage and clarifies the nature of Christian marriage *The Committed Marriage* Esther Jungreis, 2004 **The Committed Marriage** Harold Hazelp, 1977* **Committed Life** Esther Jungreis, 1998-09-01 *Committed Worship* Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion **The Committed Professor, A Memoir** Kathi N. Miner, 2024-05-10 Grateful does not even begin to describe how I felt about my life At forty years old I had a loving husband two amazing children a beautiful home and a fulfilling career as a college professor in psychology and women's and gender studies at a top U S university Most importantly I remained resolute in my principles and values of combating sexism and gender inequality in relationships and in society And it paid off big time or so I thought _____ In *The Committed Professor A Memoir My Fall from the Lectern to the Psych Ward* Dr Kathi N Miner tells the powerful true story of being married to a man with a double life of adultery the horrific narcissistic abuse that occurred after she filed for divorce and the related events that led her to being committed to a psychiatric hospital In her harrowing narrative she demonstrates the critical role patriarchy plays in the process of divorcing abusive men *The Committed Professor A Memoir My Fall from the Lectern to the Psych Ward* should be of interest to Anyone who has experienced or wants to learn more about narcissistic or psychological abuse by an intimate partner Anyone who has experienced or wants

Art And The Committed Eye Richard Leppert,2019-04-05 In Art and the Committed Eye Richard Leppert examines Western European and American art from the fifteenth to the twentieth century He studies the complex relation between the look of images and the variety of social and cultural uses to which they are put and demonstrates that the meaning of any image is significantly determined by its function which changes over time In particular he emphasizes the ways in which visual culture is called on to mediate social differences defined by gender class and race In Leppert addresses the nature and task of representation discussing how meaning accrues to images and what role vision and visuality play in the history of modernity Here he explains imagery s power to attract our gaze by triggering desire and focuses on the long history of the use of representation to enact a deception whether in painting or advertising explores art s relation to the material world to the ways in which images mark our various physical and psychic ties to objects The author analyzes still life paintings whose subject matter is both extraordinarily diverse and deeply paradoxical from flower bouquets to grotesque formal arrangements of human body parts Leppert demonstrates that even in innocent still lifes formal design and technical execution are imbued with cultural conflict and social power is devoted to the representation of the human body as subject to obsessive gazing and as an object of display spectacle and transgression The variety of body representation is enormous pleased or tortured gorgeous or monstrous modest or lascivious powerful or weak in the bloom of life or under the anatomist s knife clothed or naked But it is the sexual body Leppert shows that has provided the West with its richest most complex contradictory conflicted and paradoxical accounts of human identity in relation to social ideals

The Committed Self Victor A. Shepherd,2015-01-03 The Committed Self is a clear and compelling introduction to Existentialism the root of Postmodernism and according to Victor A Shepherd still the most significant philosophy of our times Focusing on Hegel Kierkegaard Nietzsche Buber Heidegger and Sartre and their passionate commitment to the authenticity of the self Shepherd maintains that Existentialism has much to say to Christians with its understanding of What it is to be a human being How diverse forces operative in the world and in the psyche shape human self awareness The manner in which radical commitment forges and forms that self which is nothing less than a new birth Shepherd believes that an acquaintance with Existentialism will aid Christians in negotiating the minefield they think life has become And he persistently draws attention to the manner in which Existentialism recalls theology to its proper vocation whenever theology appears to be in danger of becoming a species of rationalism that uses religious vocabulary
