Students University And Society A Comparative Sociological Review:

Students, university and society Margaret Scotford Archer,1972 **Education in East and West Germany** Val D. Rust,2018-05-08 Originally published in 1984 This annotated bibliography is a comprehensive record of English language materials which focus on Education in the Federal Republic of Germany FRG and the German Democratic Republic GDR It provides an excellent resource to scholars beginning with a long introductory chapter about the role of education formal and non formal in the two Germanies The socio historical context is presented but also the authors offer discussion of educational research trends The bibliography is structured in useful thematic chapters and within the categories then split into those relating to East and West Germany **A London Bibliography of the Social Sciences** British Library of Political and Economic Science,1975 Vols 1 4 include material to June 1 1929 **Higher Education: Handbook of Theory and Research** J.C. Smart,William G. Tierney,2003-04-30 **National Controversy in the Transylvanian Academe** Zoltán Pálffy,2005 This book offers an assessment of the Hungarian and the Romanian academically based elites of Transylvania in times of spectacular political change coupled with relative social stagnation During the first half of the 20th century the Transylvanian higher educational market was governed not only by conflicting local needs but also by extraterritorial factors Ethnic competition in and through academe was complemented by antagonistic extraterritorial centers of political and ethno cultural gravitation The alleged integrative role of the Cluj Kolozsvr University proved to be exerted not so much along socio economic lines but instead along ethno political ones reflected in radical changes of the guard in the university s clientele Higher learning was thus less an agent of modernization than an instrument for survival in the continuous strife for national dominance The fate of the university during these years shows how this struggle for domination could be constructed as a substit
