The Mysteries of Christianity. Being the Baird Lecture for 1874 Thomas Jackson Crawford, 1874 **Ancient Mysteries And Modern Masonry** Charles H. Vail, 2013-10-24 The purpose of these lectures is to consider the origin and nature of the Ancient Mysteries and Modern Masonry and to show the relation which they bear one to the other Freemasonry deals largely with the morals and symbols of the Mysteries of Antiquity and originally was one of the channels of Ancient Wisdom There were a few among the founders of Modern Masonry who possessed the Royal Secret or at least had a knowledge of its existence and if the key has been lost the Mason as Heir apparent of the Old Wisdom should be foremost in the search for its

recovery All agree that the Masonic symbols and traditions are of the greatest antiquity and can be traced to the far East to the earliest civilization from which time and place they have spoken in nature s language to all peoples of the earth We are more and more convinced that this picture language of our ritual contains a most complete philosophy a knowledge embracing the eternal verities of the universe and that these symbols were designed by the Initiates of old to preserve and convey that Ancient Wisdom to the present and future generations Though empires and dynastic continents have appeared and passed away these ancient symbols hewn in rock cut temples and monuments have served to convey the Great Secret from ages past and will continue its record as long as this part of the universe remains *The Hibbert Lectures* ,1890

[The Pearl and the Hut](#) Yiana Belkalopolos, 2021-12-13. *The Pearl and the Hut* Volume I is a comprehensive therapeutic resource for adult children of divorce and for caregivers helping young children who are experiencing parental divorce. Belkalopolos' work gives psychosocial and soul spiritual support as well as loving practical encouragement for children and adult children of divorce through individual honoring biographies that speak to the support that other growing children of divorce and adult children of divorce have experienced from Rudolf Steiner's work. Providing safe soul spiritual developmental approaches and demonstrating practices that are supported around the world, helping children of divorce feel more calm, whole, steady, supported, and rightful within themselves. Revealing to adult children of divorce that there are true and rational explanations for what they are feeling, which make them capable of a wholesome life. Empowering Pearl people to take care of their own holistic wellbeing more thoroughly and to know where to reach out for help. **The New Mysteries and the Wisdom of Christ** Virginia Sease, Manfred Schmidt-Brabant, 2005. Christianity is not a matter of a religion or even a denomination; it is not a question of a particular culture. Christ is there for all humanity from the book. In the old mystery cultures, individuals experienced themselves as children of the gods or even as their instruments. According to Rudolf Steiner's spiritual science, the birth of independent thinking did not arise until our present state of consciousness, the awareness of one's individual self. But who is this I? Virginia Sease and Manfred Schmidt-Brabant maintain that true self-knowledge is intimately related to knowledge of the central being of world evolution, Christ the I AM. Focusing on the being of Christ and on Christianity, the authors present a series of engaging lectures on the development of mystery wisdom today. Having given an overview of the history of the mysteries in their book *Paths of the Christian Mysteries*, the authors deepen and expand their study by drawing particular attention to the effect of the Christ mysteries. Some essential themes of this new volume include the transformation of conscience, the place of prayer and meditation, and the significance of sacrifice today. *The Templar Spirit* Margaret Jonas, 2011. What spiritual or esoteric practices took place within the mysterious, often controversial activities of the Knights Templar? Little is known about this aspect of the Order's history, though speculation and wild rumors persist. Having taken the three vows of poverty, chastity, and obedience, members of the Templar Order were required to live the life of other monastic orders. However, their remarkable rise to a successful elite community followed by

the insidious machinations and slander that led to their spectacular fall and destruction suggests that they were involved in something more significant than simple medieval religious practices. There have been many theories about whether their secret involved material wealth and special treasure. On the other hand, could it have been connected to a science of initiation, knowledge, experience, and understanding of spiritual dimensions that can enlighten students on an esoteric path? In *The Templar Spirit*, Margaret Jonas penetrates these questions, examining various claims and revealing something of the esoteric practices and beliefs of the order, including influences from other religious traditions. She presents her research on the meaning of the mysterious head that the Templars were accused of worshipping and examines the historical figures that lent their wisdom and guidance to the founding of the order. *A Lecture on Sunday, read before the members of the Church Institute, Margate, etc.* A. B. COBB, 1871. *Relating to Rudolf Steiner* Sergei O. Prokofieff, 2008. Even within the Anthroposophical Society and the anthroposophic movement, people's relationship to Rudolf Steiner is weakening and dissipating. This is problematic, says Prokofieff, as the future of both the Society and movement depends on a sufficient number of people aspiring to and realizing a true spiritual connection with the founder of Anthroposophy. Prokofieff deals in detail with this issue and asks: Can one be an anthroposophist without being Rudolf Steiner's pupil? In the second part of this book, Prokofieff elaborates on the mysteries surrounding the laying of the spiritual Foundation Stone at the Society's Christmas Meeting that began 1923. That event, he asserts, ensured that a personal relationship with Rudolf Steiner would not remain within the realm of the generally abstract or intellectual but would become a real inner deed. Thus Steiner gave each anthroposophist the possibility of connecting with him through free inner work on the Foundation Stone. Both parts of this book are linked in the sense that once a relationship with Steiner is established, an inner longing to work with the new mysteries will follow. In Prokofieff's words: The will to take the foundation of the new mysteries seriously leads to a real inner connection with Rudolf Steiner. *Relating to Rudolf Steiner* includes an essay on the problem of digitally publishing Steiner's most important esoteric texts and the esoteric background of the internet and electronic media in general. In response to readers' questions about how to counteract the harmful consequences of these developments, Prokofieff has expanded and developed his original essay on this subject. *The Credibility of Mysteries; a Lecture, Etc.* Daniel MOORE (Vicar of Trinity Church, Paddington.), 1873. *Esoteric Christianity. 5 lectures* Annie Besant, 1898. **The New Essential Steiner** Rudolf Steiner, Robert A. McDermott, 2009-10. 12 lectures. Hamburg, May 5-31, 1908. CW 103. During Pentecost 1908, seven years after he had given the world his book *Christianity As Mystical Fact* and the first intimation of the consequences of his Christ experience, Rudolf Steiner began his great work of renewing humanity's understanding of the Mystery of Golgotha and its meaning for human and earthly evolution. Accordingly, he turned to the deepest, most spiritual of the Gospels, that of the initiate St John. In this lecture course, readers will find that the incarnation, death, and resurrection of the Divine Word or Logos reveals the mission of the Earth. Love. We learn of the mysteries behind Lazarus' resurrection, the I AM sayings, and the

seven degrees of initiation We come to understand that the Gospel of St John is a continuing spiritual presence to be recalled meditated and permeated with one's own life In doing so we realized that our purpose and that of all humankind is to become the Virgin Sophia a receptacle for the Holy Spirit All of Steiner's work as Marie Steiner writes in her introduction was to pave the way to Christ Indeed at the conclusion of these lectures Rudolf Steiner said It will come to be understood that Christianity is only beginning its influence and will fulfill its real mission only when it is understood in its true spiritual form The more these lectures are understood in this sense the better they will be understood as they were intended This volume is essential if one is to truly understand Rudolf Steiner's understanding of esoteric Christianity and its place in the world today and in the future This volume is a translation of Das Johannes Evangelium GA 103 **Autobiography** Rudolf Steiner, 2006-05 4 lectures Dornach June 28 July 18 1923 CW 350 Truth and striving for truth must taste good to you and lies once you are conscious of them must taste bitter and poisonous You must not only know that human judgments have color but also that printer's ink nowadays is mostly deadly nightshade juice You must be able to experience this in all honesty and rectitude and once you can do so you will be in a state of spiritual transformation Rudolf Steiner What is the relationship between coming to see the secrets of the universe and one's own view of the world How far must one go before finding the higher worlds on the path of natural science Do cosmic forces influence all of humanity What connection do plants have with the human being and the human body In answering these questions Steiner covers a wide range of topics from the development of independent thinking and the ability to think backward to the uses of what seems boring and the reversal of thinking between the physical and spiritual worlds and from the physiology of dreams to living into nature and the spiritual dimension of various foods we eat As always in his lectures to the workers Steiner's style is clear direct and accessible This volume is a translation from German of four lectures from Rhythmen im Kosmos und im Menschenwesen Wie kommt man zum Schauen der geistigen Welt GA 350 *Lectures on the Criticism and Interpretation of the Bible* Herbert Marsh, 1838
