The Christian Psychology Of Paul Tournier:

The Christian Psychology of Paul Tournier Gary R. Collins,1973 The Christian Psychology of Paul Tournier Gary Collins,1973-01-01 **The Strong and the Weak** Paul Tournier,2013-01-07 The notion that there are two kinds of human beings the strong and the weak is dispelled in this helpful and balanced study of psychic strength and spiritual strength We are much more alike than we may think says Paul Tournier the renowned Swiss psychotherapist and student of the Bible What is different is the external mask that hides identical inner weaknesses and fears All of us are afraid of others of God of ourselves of life and of death What distinguishes us from one another is the way we react to our common distress In vivid case histories from his notebook Dr Tournier illustrates the importance of self understanding in the advancement of healing in Christian freedom He turns to the Bible to show that the Christian message of sin and grace helps us to accept ourselves realistically in the confidence that God has already accepted us in Jesus Christ It is through the power derived from Him that we are enabled to find hope and freedom from fear This book with its refreshing insights into the parts played by psychology and religion in human problems opens up new perspectives for people seeking self knowledge and provides an invaluable resource for pastoral and other counselors The Seasons of Life Paul Tournier,2012-09-01 In the light both of the Bible and of modern science we are confronted not with an abstract and generalized man but with men who are concrete and personal They are always in their context in a certain relationship to the world to others and to God They are always changing This changing is made up of seasons stages in their lives each of which has its own characteristics and peculiar laws It is in this life story that God s plan may be accomplished This is what is intimated by the title *The Seasons of Life* a man in movement continually undergoing change a man living in history unfolding from his birth until his death The very movement implies meaning in life *To Resist or to Surrender?* Paul Tournier,2012-09-01 No one has the right to equate Christianity with weakness or to imagine that the Bible teaches us always to surrender The biblical message proclaims the sovereign greatness of God which transcends all lesser principles or standards which we might wish to draw from it Man s great temptation is to want to know by himself what is good and what is evil He wants to know whether he should withstand or not but without needing any counsel from God What is good in the Bible is not this thing or that It is not a matter of resisting or giving in It is doing what God wants and when he wants it it is total dependence upon his person not upon a moral code **Secrets** Paul Tournier,2012-09-01 Keeping a secret is the first step in becoming an individual Telling it is the second step *Learn to Grow Old* Paul Tournier,1991-01-01 In this warm sensitive fact filled book Paul Tournier deals specifically with many aspects of aging society s attitude toward the elderly second careers the quality of life financial difficulties boredom health loneliness and facing death He maintains the best way to learn to grow old is to prepare for it throughout life **The Meaning of Gifts** Paul Tournier,2012-09-01 When we give something to someone we enter into a many sided relationship for in return we hope for the gift of love **Dictionary of Christian Spirituality**
