*The Knowledge of the Holy* A.W. Tozer, 2022-01-01 A W Tozer maintained that a theologian s message must be both timeless and timely a sentiment borne out in the fact that his writing on worship still acts as an urgent warning today Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly from the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer addresses this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our devotional poverty It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us What is needed is a restoration of our knowledge of the holy

W. Kenyon, 2025-07-15 Mankind s great body of knowledge has come to us through the five senses Sense knowledge can see the handiwork of God and can see the design in creation but it cannot find the Designer In fact it s often unwilling to admit that there is a Designer because it cannot see hear taste smell or touch Him Sense knowledge says that faith cannot produce miracles It does not know why we were created nor can it tell us the source of life light motion gravity

or hundreds of other things But revelation knowledge holds all of these answers and more In *The Two Kinds of Knowledge* God's Wisdom Is Greater Than Our Senses E W Kenyon explains how we can discover the wisdom of God in His Word This new kind of knowledge which the secular world cannot grasp brings us to a new kind of life taking us out of our failures and weaknesses to fill our hungry hearts with love faith and grace *Knowing Christ Today* Dallas Willard, 2009-05-26 At a time when popular atheism books are talking about the irrationality of believing in God Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus the Son *The Essence of the Christian Worldview* Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who's right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul's Christian worldview In this book you will also find answers to some very difficult questions 1 What is God's ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God's commands anyway 8 How does following God's commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish **A Dictionary of the Bible, Dealing with Its Language, Literature, and Contents, Including the Biblical Theology: Kir-Pleiades** James Hastings, John Alexander Selbie, 1900
