Edition David Dawson Humes,2010-12-27 **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course

mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The Keeper Daniel Paul, 2009-02-25 The Keeper is a fast moving superhero adventure for mature readers When pretty but promiscuous Molly Rose is dismembered and left for dead by her jealous husband she is found by wealthy recluse William Chadwick III who takes her to a secret lab in the Chadwick Institute of Robotic Technology There Doctor Crystal the head technician who happens to be a former Medical Surgeon has her missing limbs replaced with robotic ones William Chadwick and Doctor Crystal soon discover that they have created a monster Ripper Rose is determined to seek revenge against her husband and everyone else in Jacksonville After attacking her husband she is taken to prison but escapes during a transport She attacks Correctional Officer Michael Finn dismembering his arm and leg Officer Finn also ends up at the Chadwick Institute of Robotic Technology CIRT where he too has his limbs replaced and becomes a cyborg Now secretly as The Keeper he will fight crime and attempt to capture Ripper Rose unless she kills him first The Keeper will need the assistance of his partner Gideon Snipes and a new ally The Preacher Detective Barlow haunted by a violent past case is also hot on the trail of Ripper Rose If he solves this case will he find redemption for his failure to solve the Rockwell Killer Case And will his passion to catch Ripper Rose lead to exposing the secret identity of The Keeper The Keeper is an exciting novel filled with many twists and turns It is an adventure that will keep you glued to the pages from the first chapter to the exhilarating conclusion
