Plunkett's Entertainment & Media Industry Almanac ,2007 *Rebel Witch* Kelly-Ann Maddox,2021-04-13 A truly contemporary take on how to be a witch *Rebel Witch* is an antidote to the cookie cutter witchcraft agenda that gives a new perspective on the craft asking each reader to create a powerful personalized practice that taps into the current mood of female empowerment and spiritual rebellion *Rebel Witch* reminds witches of the wondrous opportunity to jump into experimentation and invent something wild and individual a practice shaped by their individual personality and life journey rather than allowing themselves to be spoon fed It challenges witches to design a nurturing practice that is truly theirs There s information about all the elements of the craft from energy raising sacred space creation and receiving signs to casting spells holding rituals scrying potions and much more crucially in each case the topic is discussed from an exciting contemporary perspective So when Kelly Ann talks about sacred texts she stresses that you can choose the texts that resonate with you so why not *Alice in Wonderland* or *Narnia* Maybe you want to move away from the traditional Wheel of the Year and create your own divisions Instead of honouring a traditional deity why not construct your own choosing elements from rock stars movie icons or fictional heroes Or embody magical signs in your clothing and jewellery Creativity and

experimentation are encouraged with tips to help the reader to be inventive A curious reader with a desire to create an inspired deeply personal path and free themselves from conformity will finish the book ready to take action and make magick happen *Hi-fi News* ,2006 *Not a Tame Lion* Bruce L. Edwards,2005 This study of the spiritual world of Narnia focuses on character traits faith hope and love of key figures in the Narnia series An introductory chapter also focuses on the spiritual world of C S Lewis **Bookbird** ,1990 The Elementary School Library Collection ,1998
