The Church And The Rites Of Passage:

The Church and the Rites of Passage W. Wayne Price, 1989 *Christian Religion in the Soviet Union* Christel Lane, 1978-01-01 Christel Lane has written the first sociological study of religion in a communist and militantly atheist society *Christian Religion in the Soviet Union* is the result of a detailed examination of Soviet sociological sources and the legally and illegally published reports of religious bodies or individuals backed up by the observations of the author and of other Western visitors to the USSR Dr Lane attempts to assess the impact of the intellectual and material culture of Soviet society on Christian religion She analyses the religious life in the contemporary Christian churches and sects describing the scope of their membership and its social composition the religious commitment of believers and their social and political orientations *Christian Religion in the Soviet Union* will be central reading for students of religion in modern industrial society who are working within the disciplines of sociology comparative religion or theology It will also appeal to those studying Soviet society from a more general sociological perspective and to a wide readership interested in the contest between Christian religion and Marxist Leninist ideology *Birth, Marriage, and Death : Ritual, Religion, and the Life-Cycle in Tudor and Stuart England* David Cressy, 1997-05-29 From childbirth and baptism through to courtship weddings and funerals every stage in the life cycle of Tudor and Stuart England was accompanied by ritual Even under the protestantism of the reformed Church the spiritual and social dramas of birth marriage and death were graced with elaborate ceremony Powerful and controversial protocols were in operation shaped and altered by the influences of the Reformation the Revolution and the Restoration Each of the major rituals was potentially an arena for argument ambiguity and dissent Ideally as classic rites of passage these ceremonies worked to bring people together But they also set up traps into which people could stumble and tests which not everybody could pass In practice ritual performance revealed frictions and fractures that everyday local discourse attempted to hide or to heal Using fascinating first hand evidence David Cressy shows how the making and remaking of ritual formed part of a continuing debate sometimes strained and occasionally acrimonious which exposed the raw nerves of society in the midst of great historical events In doing so he vividly brings to life the common experiences of living and dying in Tudor and Stuart England *The Family-Powered Church* Pamela J. Erwin, 2008-12-01 Effective churches understand the need for effective families We know you re concerned with the state of family today What if you could turn your church into a powerful family of families Now you can This comprehensive guide recognizes that each church and its families are unique So it provides you a variety of clear and practical tips on Building strong family foundations Enriching family ministries Connecting families to other families both inside and outside the church Building a happier healthier and more effective church **Life in Medieval Times** Judith Kidd, Rosemary Rees, Ruth Tudor, 2000 The Heinemann History Scheme offers an opportunity to refresh the approach to teaching at Key Stage 3 It uses sources and activities to explain complex issues and helps students think through historical concepts for themselves The Scheme is an exact match to the

QCA scheme of work *Rites of Passage* Jean Holm, John Bowker, 1994-01-01 No Marketing Blurb *The Nineteenth-Century Church and English Society* Frances Knight, 1995 The first study of lay people and parish clergy in the nineteenth century Church of England *Reinventing English Evangelicalism, 1966-2001* Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition *The Nordic Bible* Marianne Bjelland Kartzow, Kasper Bro Larsen, Outi Lehtipuu, 2023-09-05 The volume offers a new critical reflection on the use of the Bible in contemporary cultural and political debates in the Nordic countries In Nordic Lutheran societies the Bible has been perceived as a basis of religion and social cohesion Whereas such religious and confessional factors are well researched vis vis the historical genesis of the Nordic welfare states the focus here is on public use of the Bible in debates of today Genders, Sexualities, and Spiritualities in African Pentecostalism Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009 **Fostering Christian Faith in Schools and Christian Communities Through Igbo Traditional Values** Michael Okoh, 2012 Religious education in Nigeria is in a state of transformation owing to the country s current pluralist nature among other factors In the process concepts of religion and education are revisited and reassessed in order to make them meaningful to mankind in his pluralist world With this book author Michael Okoh inaugurates a fundamental revision He brings traditional African education and values alongside Christian ideals into dialogue with the Western progressive learning approaches paving new ways for religious education activity in Nigeria particularly in Igboland Series Tubingen Prospects on Pastoral Theology and Religious Pedagogics Tubinger Perspektiven zur Pastoraltheologie und Religionspädagogik Vol 45 *Early and Medieval Rituals and Theologies of Baptism* Bryan D.
