Religions of the World J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts *Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices* is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island *Religions of the World* is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious

unbelief as expressed in atheism humanism and other traditions Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide *Encyclopedia of Protestantism* J. Gordon Melton, 2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism

Church and Patronage in 20th Century Britain Peter Webster, 2017-11-07 This book is the first full length treatment of Walter Hussey s work as a patron between 1943 and 1978 first for the Anglican parish church of St Matthew in Northampton and then at Chichester Cathedral He was responsible for the most significant sequence of works of art commissioned for the British churches in the twentieth century They included music by Benjamin Britten Leonard Bernstein and William Walton visual art by Henry Moore Graham Sutherland and Marc Chagall and poetry by W H Auden Placing Hussey in theological context and in a period of rapid cultural change it explores the making and reception of the commissions and the longer term influence of his work still felt today As well as contributing to the religious and cultural history of Britain and of Anglo Catholicism and the cathedrals in particular the book will be of interest to all those concerned with the relationship between theology and the arts and to historians of music and the visual arts **World Christian**
