

church to greater faithfulness in giving verbal witness to God's redemptive grace for the cosmos, but also to greater ethical faithfulness as we embody his grace in the microcosms in which we live.

—DOUGLAS I. BURCK, Gumbert H. Kaeuffer Professor of Old Testament,
Whitman College Graduate School

How do we help the Christian community stand up for the faith in daily conversation and promote the gospel with the whole of life? The most popular method, though the least effective, is simply to "command" our people to speak more boldly and live more zealously. Chris Wright shows another way, and I think it's the only way to exhort our people to give their all to God's mission. He tells us the story, from Genesis to Revelation, of God's passion to fill the earth and to bless the nations, and he tells it in such a way that none of us, whether Christian leader or new believer, could fail to sense the excitement, gravity, and privilege of being involved in the mission of God's people.

—JOHN DICKSON, Director, Centre for Public Christianity, Senior
Research Fellow, Department of Ancient History, Macquarie
University

Following his landmark book, *The Mission of God*, Christopher Wright shows in *The Mission of God's People* that grounding missions practice in the prior action and plan of God does not render the church static or passive. In this masterful survey, Wright demonstrates decisively what happens when the whole church starts reading the whole Bible and reflecting the full scope of God's good news in all our life and witness in the world. This is the long-awaited road map that moves missions from the practice of a few elite professionals to the faithful witness of all of God's children. If want to help your church become a missional church, I cannot think of a better place to begin that journey than this book. I assure you, you will discover afresh who you are in Christ and what you are here for!

—TIMOTHY C. TESSON, President and Professor of World Christianity,
Abney Theological Seminary

A wonderfully kaleidoscopic biblical overview of the privileged role afforded to all of God's people in fulfilling the *Mission Dei* in the world, Chris Wright demonstrates that the theme of the mission of God and his people is a prominent and unmistakable thread running through the elaborate tapestry of the whole of Scripture. In so doing, he provides a ringing affirmation that it is the responsibility of the whole church to bear witness to Christ and his kingdom in every area of the world geographically, as well as in every sphere of society.

World Evangelization

to its core It effectively exhorts its readers to understand support and participate in God s mission to rescue humanity and all creation from the damage and distortion of sin and so bring about a renewed creation filled with God s glorious fullness Working at the creative intersection of biblical studies and missiology this study adopts a missional hermeneutic to overcome the scholarly neglect of mission in Ephesians The book systematically explores each passage in Ephesians delving into the characterization of God and his mission allusions to Old Testament missional texts in Ephesians and the portrayal of the apostle Paul and believers as participants in God s mission A multi faceted vision of mission emerges which encompasses God s actions in salvation history the church as mediator of God s glory reconciliation and grace to the nations prayer ethical witness and verbal proclamation of the gospel Reading Ephesians through this missional lens yields fresh insights into its purpose and context and the richness of its portrait of mission

Fill the Earth Matthew Newkirk, 2020-03-09 Why does the church engage in missions Where in the Bible do we find support for this work These questions have been asked and answered by many throughout the centuries though rarely does the investigation span across the entire canon of Scripture In this study Newkirk explores the breadth and depth of biblical teaching concerning God s mission for his people and the church s call to spread the gospel to the ends of the earth By beginning with creation and ending with new creation this study reveals that rather than simply deriving from a few missions verses the church s call to missions is grounded in the full spectrum of biblical revelation
