The Church The Building Of God:

The Building of the Church Witness Lee, 2005-12-01 This book shows us that God's purpose is His building in His chosen place of oneness. It then shows us the revelation of the building of the church in Genesis and in the writings of Peter Paul and John.

The Exercise of the Kingdom for the Building of the Church Witness Lee, 1989-11-01 God's New Testament economy is to build the church with Christ through the kingdom. The church is God's goal, God's desire and destination. His intention is to build the church. As we all know, in order to build anything we need certain material. The material for the building of the church is Christ. Along with the material, we also need the method of building. In Matthew 16 we see the goal, the material, and the method. The goal is the church, the material is Christ, and the method is the kingdom.

Revitalizing Christianity Charlie Webster, 2011-05 This book takes the reader through ten areas where Christians misunderstand highly motivating Christian truths. Many Christians have doubts about the reality of God. Attacks, especially in the realm of science, have many questioning whether the God of the Bible is real. Without getting bogged down in the science, Mr. Webster provides assurance that the God of Christianity is the only God. But the God of Christianity has gained a terrible reputation, and Mr. Webster addresses how understanding the biblical message from God's perspective reveals a God who really is good and wonderful and even exciting. Mr. Webster addresses misunderstandings about Christian love and the nature of sin, saving faith, Christian hope, heaven, God's plan, the role of suffering, the role of prayer, the role of Christian forgiveness, and the role of the church, taking the reader back to the Bible over and over to show that Christianity was always meant to be exciting and good. If you grasp the truths in this book, they can change your life in wonderful ways. These truths can truly revitalize your Christianity. These truths can set Christians on fire for their Lord.

Ditch the Building Nick May, 2019-05-13 Sometimes going radical means getting to the root Sometimes it means pulling something up by the roots What is it that is keeping you from doing what God wants you to do There are many books about how to do church right There are programs for every imaginable thing you might want to improve in your church There are at least as many measures by which you can determine whether your church is successful *Ditch the Building* ditches that approach and asks you to look at what God is calling you to do and how ingrained church structures are keeping you from actually following that call Nick May doesn't claim to know what you're supposed to be doing or even what's stopping you What he does know from the experience of growing up in church working in a megachurch and then pastoring a church plant is that many of you are precisely at that point You likely have at least the glimmering of a vision of what you believe God is calling you to do When it comes time to start doing it however you find things in your way It may be things in your own life or things in your church Ingrained structures may be your physical building They may be your order of worship They may be found in your Christian education department where you are implementing innovative ideas to prepare your children and youth to live in the 90s 1890s We often hear that God hasn't changed This is supposed to tell us that we don't have to change either But people and culture do change the challenges change We have to find God's way of responding and building God's people If you want to live out your life comfortably don't buy this book If you think the church today is just fine don't buy this book But if you hear the call to follow wherever God leads no matter how radical that makes you seem then buy and read this book We're not telling you that this book will change your life We're hoping that after reading it you will be empowered to let God change your life your ministry your church and our world *Church Building Quarterly*, 1887 Includes the annual reports of the American Congregational Union and of the society under its later name the Congregational Church Building Society
