The Circle K Saga:

The Circle K Saga Claude F. Eldridge, 2005-10-24 Jim Garrett is a Deputy Sheriff of Cochise County Colorado He discovered a stray horse in a pasture on his father's ranch From the brand he determined the horse had strayed from the Circle K ranch which was legendary in this part of Colorado His guest to contact the owner led him into an adventure he had not dreamed of when he first telephoned the ranch Early in his search he found the ranch house abandoned and the elderly owner missing In the library he discovered a book The Krills Of Colorado there he followed the thread of one family through the history of the country from the immigrant founder of the ranch in 1844 to his descendants ending in 1995 Reading the book gave him a clue to the missing man who had become a victim of his use of modern technology which left a vast empire unattended except for the automatic controls he had put into practice Jim was mystified about an apparition mentioned in the book His knowledge of the family history led to an assignment that took an unexpected turn in New York City on that fateful day September 11 2001 The Saga of Tom Horn Dean Fenton Krakel, 1988-01-01 An epidemic of cattle rustling in southern Wyoming in the 1890s and the desperate straits of stockmen set the stage for this saga of Tom Horn a former Pinkerton detective an expert hunter and dead shot and one of the most mysterious and controversial figures in the history of the Old West Some radicals in the powerful Wyoming Stock Growers Association turned to the man who once boasted Killing men in my specialty I look to it as a business proposition and I think I have a corner on the market Cattle thieves were duly warned blood was shed and Tom Horn was implicated but never charged Then on the morning of July 18 1901 Willie Nickell the fourteen year old son of a Wyoming sheepman was shot Horn's career was ended The arrest trial and execution of Tom Horn ignite fireworks in Dean Krakel's book and a colorful cast of cattle barons and lawmen adds to the sizzle A jury convicted Tom Horn but his hanging did not settle the specter of guilt El Sombre Davy L. a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction The Woman Who Pretended to Be Who She Was is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition
