The Civil War Legends Ulysses S Grant:

The Civil War Memoirs of Ulysses S. Grant Ulysses S. Grant, 2002-03-20 Presents reflections by Ulysses S Grant on his military career during the Civil War chronicling the events campaigns politics and personalities of the war *Life of Ulysses S. Grant* William Crafts, 2014-06-05 In the 19th century one of the surest ways to rise to prominence in American society was to be a war hero like Andrew Jackson and William Henry Harrison But few would have predicted such a destiny for Hiram Ulysses Grant who had been a career soldier with little experience in combat and a failed businessman when the Civil War broke out in 1861 However while all eyes were fixed on the Eastern theater at places like Manassas Richmond the Shenandoah Valley and Antietam Grant went about a steady rise up the ranks through a series of successes in the West His victory at Fort Donelson in which his terms to the doomed Confederate garrison earned him the nickname Unconditional Surrender Grant could be considered the first major Union victory of the war and Grant's fame and rank only grew after that at battlefields like Shiloh and Vicksburg Along the way Grant nearly fell prey to military politics and the belief that he was at fault for the near defeat at Shiloh but President Lincoln famously defended him remarking I can't spare this man He fights Lincoln's steadfastness ensured that Grant's victories out West continued to pile up and after Vicksburg and Chattanooga Grant had effectively ensured Union control of the states of Kentucky and Tennessee as well as the entire Mississippi River At the beginning of 1864 Lincoln put him in charge of all federal armies and he led the Army of the Potomac against Robert E Lee in the Overland campaign the siege of Petersburg and famously the surrender of the Army of Northern Virginia at Appomattox Although Grant was instrumental in winning the war and eventually parlayed his fame into two terms in the White House his legacy and accomplishments are still the subjects of heavy debate today His presidency is remembered mostly due to rampant fraud within his Administration although he was never personally accused of wrongdoing and even his victories in the Civil War have been countered by charges that he was a butcher Like the other American Legends much of Grant's personal life has been eclipsed by the momentous battles and events in which he participated from Fort Donelson to the White House American Legends The Life of Ulysses S Grant covers the amazing accomplishments of Grant's life and career while putting a human touch on the Westerner who rose from virtually nothing to become the most influential general and author of the Civil War and an important president **Ulysses S. Grant** Sarah Elder Hale, 2005 When the South seceded to form the Confederate States of America few people knew the name Ulysses S Grant But by the end of the Civil War the Union general had become a national hero He possessed all of the qualities that President Abraham Lincoln wanted for the commander of the Union army He was decisive daring and stubborn Some Northerners proudly called him Unconditional Surrender Grant because he would accept nothing less from a defeated enemy Ulysses S Grant Confident Leader and Hero tells the story of the man who brought an end to the Civil War Meet an Ohio boy with a passion for horses who grew up to be a great general and later a U S president Explore how strategy and perseverance helped Grant win the

battle of Shiloh Discover why Confederate general Robert E Lee believed that nowhere in history was there a better general than Ulysses S Grant **Ulysses S. Grant** Brian John Murphy,2004 The author gives an account of General Ulysses Grant's military career during the American Civil War The bulk of the work consists of a straightforward recounting of the campaigns and battles of the Civil War and Grant's decisions regarding them Concluding chapters do address such questions as Grant's character and skills as a commander provide Grant's Victory Bruce L. Brager,2020-04-01 Two of the great themes of the Civil War are how Lincoln found his war winning general in Ulysses Grant and how Grant finally defeated Lee Grant's Victory intertwines these two threads in a grand narrative that shows how Grant made the difference in the war At Eastern theater battlefields from Bull Run to Gettysburg Union commanders whom Lincoln replaced after virtually every major battle had struggled to best Lee either suffering embarrassing defeat or failing to follow up success Meanwhile in the West Grant had been refining his art of war at places like Fort Donelson Shiloh Vicksburg and Chattanooga and in early 1864 Lincoln made him general in chief Arriving in the East almost deus ex machina and immediately recognizing what his predecessors never could Grant pressed Lee in nearly continuous battle for the next eleven months a series of battles and sieges that ended at Appomattox *Heroes of the Civil War* Susan S. Wittman,2015-12-21 The four bloody years of the American Civil War left a permanent scar on the nation Through it all people on both sides fought bravely for the causes they believed in both on the battlefield and beyond A select few of these people are remembered as war heroes Learn about these remarkable people and the key roles they played in the Civil War **Civil War Myths and Legends** Michael R. Bradley,2019-05-01 Experience the Civil War's most eerie occurrences spooky events unsolved mysteries and myths and legends related and debunked From the legend of the Yankee human shield behind Nathan Bedford Forrest's saddle to the unexplained sinking of the Hunley Civil War Myths and Legends makes history fun and pulls back the curtain on some of the most fascinating and compelling stories of the war that almost tore America apart **American Legends** Charles River Editors,2025-05-04 A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In the 19th century one of the surest ways to rise to prominence in American society was to be a war hero like Andrew Jackson and William Henry Harrison But few would have predicted such a destiny for Hiram Ulysses Grant who had been a career soldier with little experience in combat and a failed businessman when the Civil War broke out in 1861 However while all eyes were fixed on the Eastern theater at places like Manassas Richmond the Shenandoah Valley and Antietam Grant went about a steady rise up the ranks through a series of successes in the West His victory at Fort Donelson in which his terms to the doomed Confederate garrison earned him the nickname Unconditional Surrender Grant could be considered the first major Union victory of the war and Grant's fame and rank only grew after that at battlefields like Shiloh and Vicksburg Along the

way Grant nearly fell prey to military politics and the belief that he was at fault for the near defeat at Shiloh but President Lincoln famously defended him remarking I can t spare this man He fights Lincoln s steadfastness ensured that Grant s victories out West continued to pile up and after Vicksburg and Chattanooga Grant had effectively ensured Union control of the states of Kentucky and Tennessee as well as the entire Mississippi River At the beginning of 1864 Lincoln put him in charge of all federal armies and he led the Army of the Potomac against Robert E Lee in the Overland campaign the siege of Petersburg and famously the surrender of the Army of Northern Virginia at Appomattox Despite being the best known Union general of the Civil War and a former president of the United States Grant was penniless after being swindled by a fraudulent business deal when he learned that he had terminal cancer in the mid 1880s Facing death and with his family suffering financial difficulties Grant set about writing personal memoirs that would not only secure his legacy but also provide for his family Grant finished his memoirs just a few days before his death but he wrote what is almost universally considered to be the best memoirs of the Civil War and one of the best personal memoirs ever written Grant s Memoirs published by Mark Twain sold over 300 000 copies earning the Grant family over 450 000 Twain promoted the book as the most remarkable work of its kind since the Commentaries of Julius Caesar Although Grant was instrumental in winning the war and eventually parlayed his fame into two terms in the White House his legacy and accomplishments are still the subjects of heavy debate today His presidency is remembered mostly due to rampant fraud within his Administration although he was never personally accused of wrongdoing and even his victories in the Civil War have been countered by charges that he was a butcher Like the other American Legends much of Grant s personal life has been eclipsed by the momentous battles and events in which he participated from Fort Donelson to the White House American Legends The Life of Ulysses S Grant covers the amazing accomplishments of Grant s life and career while putting a human touch on the Westerner who rose from virtually nothing to become the most influential general and author of the Civil War and an important president Along with pictures of Grant and other important people and events in his life you will learn about him like you never have before in no time at all Ulysses S.
