The Civil War Letters Of General Robert Mcallister

William Marvel

The Civil War Letters Of General Robert Mcallister:

The Civil War Letters of General Robert McAllister Robert MacAllister, 1965 **The Civil War Letters of General Robert McAllister** James I. Robertson, Jr., 1998-10-01 Not a flamboyant leader or a braggart General Robert McAllister was one of the quietly efficient commanders whose noble gallantry ultimately proved to be the salvation of the Union He took part in all but two engagements of the Army of the Potomac and was twice wounded and three times promoted for heroism on the battlefield Not daring to keep a diary that might fall into enemy hands McAllister wrote daily to his wife and daughters providing an intricately detailed description of his wartime ordeal for posterity Refined by James I Robertson Jr s expert editing the 637 letters presented here provide a comprehensive look at the experiences of the Army of the Potomac and one often overlooked Civil War general **The Civil War Letters of General Robert McAllister** Robert McAllister, 1965

The Civil War Letters Robert Macallister (General.), 1965 **The Civil War Letters of General Robert McAllister. Edited by James I. Robertson, Jr** Robert MACALLISTER (Brevet Major General.), 1965 **The Civil War Generals** Robert I. Girardi, 2013-11-15 An excellent contribution to Civil War literature A n excellent reference resource Civil War buffs in particular will greatly enjoy this book ArmchairGeneral com The Civil War Generals offers an unvarnished and largely unknown window into what military generals wrote and said about each other during the Civil War era Drawing on more than 170 sources including the letters diaries and memoirs of the general officers of the Union and Confederate armies as well as their staff officers and other prominent figures Civil War historian Robert Girardi has compiled a valuable record of who these generals were and how they were perceived by their peers The quotations within paint revealing pictures of the private subjects at hand and just as often the people writing about them a fascinating look at the many diverse personalities of Civil War leadership More than just a collection of quotations The Civil War Generals is also a valuable research tool moving beyond the best known figures to provide contemporary character descriptions of more than four hundred Civil War generals The quotes range in nature from praise to indictment and differing opinions of each individual give a balanced view making the book both entertaining and informative A truly one of a kind compilation illustrated with approximately one hundred historical photographs The Civil War Generals will find a home not only with the casual reader and history buff but also with the serious historian and researcher The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections

cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience *A Historic Resources Study: The Civil War Defenses of Washington, Pt. 1* , Tells the history of Civil War forts and other defenses in the Washington DC area This study provides historical information to improve and enhance interpretation of the parks and historic resources and provides a historical framework for future preservation efforts A great deal of new information pertaining to the relationship of minorities to the Defenses of Washington was discovered The role of U S Colored Troops in construction and defense of the fortifications is better understood In addition much new information is available on the work of Freedmen and women in the Defenses of Washington Finally the association of African Americans with the former fortifications after the Civil War is better known Furthermore much information relating to the day to day construction and maintenance activity within the Defenses of Washington during the Civil War was also uncovered Teachers students historians and others interested in the American Civil War history particularly in the Washington DC area would enjoy this publication Related products American Civil War resources collection can be found here <https://bookstore.gpo.gov/catalog/us-military-history/wars-conflicts/america> *To the Gates of Richmond* Stephen W. Sears, 2014-11-11 This account of McClellan's 1862 campaign is a wonderful book Ken Burns and military history at its best The New York Times Book Review From the finest and most provocative Civil War historian writing today To the Gates of Richmond is the story of the one of the conflict's bloodiest campaigns Chicago Tribune Of the 250 000 men who fought in it only a fraction had ever been in battle before and one in four was killed wounded or missing in action by the time the fighting ended The operation was Gen George McClellan's grand scheme to march up the Virginia Peninsula and take the Confederate capital For three months McClellan battled his way toward Richmond but then Robert E Lee took command of the Confederate forces In seven days Lee drove the cautious McClellan out thereby changing the course if not the outcome of the war Deserves to be a classic The Washington Post

Civil War Infantry Tactics Earl J. Hess, 2015-04-13 EARL J HESS is Stewart W McClelland Chair in History at Lincoln Memorial University and the author of fifteen books on the Civil War including Kennesaw Mountain Sherman Johnston and the Atlanta Campaign The Knoxville Campaign Burnside and Longstreet in East Tennessee and The Civil War in the West Victory and Defeat from the Appalachians to the Mississippi **Defeating Lee** Lawrence A. Kreiser, 2011-04-19 Kreiser breathes new life into this most important of Union Army units A remarkably well written and superbly researched account David E Long author of The Jewel of Liberty Abraham Lincoln's Re-election and the End of Slavery Fair Oaks the Seven Days

Antietam Fredericksburg Gettysburg Cold Harbor Petersburg the list of significant battles fought by the Second Corps Army of the Potomac is a long and distinguished one This absorbing history of the Second Corps follows the unit's creation and rise to prominence the battles that earned it a reputation for hard fighting and the legacy its veterans sought to maintain in the years after the Civil War More than an account of battles Defeating Lee gets to the heart of what motivated these men why they fought so hard and how they sustained a spirited defense of cause and country long after the guns had fallen silent An excellent contribution to Civil War history shelves Midwest Book Review Lawrence Kreiser tells the Second Corps story with verve and attention to personal as well as bureaucratic details Civil War Librarian *The Routledge Sourcebook of Religion and the American Civil War* Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship However primary sources on this subject are housed in many different archives and libraries scattered across the U S and are often difficult to find The Routledge Sourcebook of Religion and the American Civil War collects these sources into a single convenient volume the most comprehensive collection of primary source material on religion and the Civil War ever brought together With chapters organized both chronologically and thematically and highlighting the experiences of soldiers women African Americans chaplains clergy and civilians this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war Sources collected here include Sermons Song lyrics Newspaper articles Letters Diary entries Poetry Excerpts from books and memoirs Artwork and photographs Introductions by the editor accompany each chapter and individual document contextualizing the sources and showing how they relate to the overall picture of religion and the war Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country's most critical conflict

For Cause and Comrades James M. McPherson, 1997-04-03 Why did the soldiers of the Civil War Confederate and Union risk their lives through countless bloody battles and four long awful years It is to this question why did they fight that James McPherson America's preeminent Civil War historian turns his attention Drawing on more than 25 000 uncensored letters and nearly 250 private diaries from men on both sides McPherson shows that contrary to what many scholars believe the soldiers of the Civil War remained powerfully convinced of the ideals for which they fought throughout the conflict *For Cause and Comrades* lets these soldiers tell their own stories in their own words in a deeply moving exploration of why they fought this war *Serving Two Masters* Richard M. Budd, 2020-05-26 Chaplain Richard M Budd has made a welcome concise well written and researched contribution to an overlooked chapter in chaplain history Anyone interested in gaining a better understanding of how the professional and fully institutionalized chaplaincy of today's military came about would do well by consulting Budd's book Bradley L Carter On Point Military chaplains have a long and distinguished tradition in the United States but historians have typically ignored their vital role in ministering to the needs of soldiers and sailors Richard M Budd

corrects this omission with a thoughtful history of the chaplains who sought to create a viable institutional structure for themselves within the U S Army and Navy that would best enable them to minister to the fighting men Despite the chaplaincy's long history of accompanying American armies into battle there has never been consensus on its role within the military among the churches or even among chaplains themselves Each of these constituencies has had its own vision for chaplains and these ideas have evolved with changing social conditions and military growth Moreover chaplains acting as members of one profession operating within the specific environment of another raised questions of whether they could or should integrate themselves into the military In effect they had to learn to serve two institutional masters the church and the government simultaneously Budd provides a history of the struggle of chaplains to professionalize their ranks and to obtain a significant measure of autonomy within the military's bureaucratic structure always with the ultimate goal of more efficiently bringing their spiritual message to the troops

The Richmond Campaign of 1862 Gary W. Gallagher, 2000-09-18 The Richmond campaign of April July 1862 ranks as one of the most important military operations of the first years of the American Civil War Key political diplomatic social and military issues were at stake as Robert E Lee and George B McClellan faced off on the peninsula between the York and James Rivers The climactic clash came on June 26 July 1 in what became known as the Seven Days battles when Lee newly appointed as commander of the Confederate forces aggressively attacked the Union army Casualties for the entire campaign exceeded 50 000 more than 35 000 of whom fell during the Seven Days This book offers nine essays in which well known Civil War historians explore questions regarding high command strategy and tactics the effects of the fighting upon politics and society both North and South and the ways in which emancipation figured in the campaign The authors have consulted previously untapped manuscript sources and reinterpreted more familiar evidence sometimes focusing closely on the fighting around Richmond and sometimes looking more broadly at the background and consequences of the campaign Contributors William A Blair Keith S Bohannon Peter S Carmichael Gary W Gallagher John T Hubbell R E L Krick Robert K Krick James Marten William J Miller

Chancellorsville Gary W. Gallagher, 2012-01-01 A variety of important but lesser known dimensions of the Chancellorsville campaign of spring 1863 are explored in this collection of eight original essays Departing from the traditional focus on generalship and tactics the contributors address the campaign's broad context and implications and revisit specific battlefield episodes that have in the past been poorly understood Chancellorsville was a remarkable victory for Robert E Lee's troops a fact that had enormous psychological importance for both sides which had met recently at Fredericksburg and would meet again at Gettysburg in just two months But the achievement while stunning came at an enormous cost more than 13 000 Confederates became casualties including Stonewall Jackson who was wounded by friendly fire and died several days later The topics covered in this volume include the influence of politics on the Union army the importance of courage among officers the impact of the war on children and the state of battlefield medical care Other essays illuminate the important but overlooked role of

Confederate commander Jubal Early reassess the professionalism of the Union cavalry investigate the incident of friendly fire that took Stonewall Jackson's life and analyze the military and political background of Confederate colonel Emory Best's court martial on charges of abandoning his men Contributors Keith S Bohannon Pennsylvania State University and Greenville South Carolina Gary W Gallagher University of Virginia A Wilson Greene Petersburg Virginia John J Hennessy Fredericksburg Virginia Robert K Krick Fredericksburg Virginia James Marten Marquette University Carol Reardon Pennsylvania State University James I Robertson Jr Virginia Polytechnic Institute and State University **American Civil War** Justin D. Murphy, 2019-06-24 By providing detailed analyses of Civil War primary sources this book will help readers to understand the history of the bloodiest of all American conflicts This meticulously curated collection of primary source documents covers every aspect of the American Civil War from its origins to its bloody engagements all the way through the Reconstruction period With approximately 300 primary sources this comprehensive set includes orders and reports of significant battles political debates and speeches legislation court cases and literary works from the Civil War era The documents provide insight into the thinking of all participants drawing upon a vast range of sources that offer both a Northern and Southern perspective The book gives equal treatment to the Eastern and Western Theaters and to Union and Confederate sources and the primary sources are presented in chronological order making it easy for readers to compare and contrast documents as the key events of the conflict unfold Each primary source begins with an introduction that sets the document in its proper context and concludes with an analysis of the document that will help students to understand the document's significance

Civil War to the Bloody End Jerry D. Thompson, 2006 If President Lincoln could have unmade a general perhaps he would have started with Samuel Peter Sourdough Heintzelman whose early military successes were overshadowed by a prickly disposition and repeated Union defeats during the Civil War By the time his friend Robert E Lee left Arlington to lead a Rebel army against the bluecoats Heintzelman had already seen duty in Mexico established Fort Yuma in California in 1850 mined for silver in Arizona and ably led U S forces on the Texas Mexico border during the 1859-60 Cortina War During the Civil War he was in the forefront of the fighting at First Bull Run and the disastrous 1862 Peninsula Campaign He commanded the III Corps of the Army of the Potomac at the siege of Yorktown and in the ferocious fighting at Williamsburg Fair Oaks Oak Grove Savage's Station Glendale and Malvern Hill Although he aspired to succeed Gen George B McClellan he was relieved of his command after his troops were badly mauled at Second Bull Run After demonstrating his inability to guard the southern approaches to Washington D C from Virginia guerillas he spent the latter part of the war administering prison camps in the Midwest keeping a watchful eye on Copperhead subversives and quarreling with more than one disgruntled governor In early Reconstruction Texas Heintzelman struggled with the conflict between former Secessionists and Radical Republicans **BOOK JACKET** Mr. Lincoln Goes to War William Marvel, 2006-05-10 An account of how America's greatest crisis began by the Civil War's master historical detective Stephen W Sears author of Chancellorsville This

groundbreaking book investigates the mystery of how the Civil War began reconsidering the big question Was it inevitable The award winning author of Andersonville and Lincoln s Autocrat vividly recreates President Abraham Lincoln s first year in office from his inauguration through the rising crisis of secession and the first several months of the war Drawing on original sources and examining previously overlooked factors he leads the reader inexorably to the conclusion that Lincoln not only missed opportunities to avoid war but actually fanned the flames and often acted unconstitutionally in prosecuting the war once it had begun With a keen eye for the telling detail on the battlefield as well as in the White House this is revisionist history at its best not sparing anyone even Abraham Lincoln A brilliant narrative that reveals the possibilities of the past that were squandered by historical figures who seem so unassailable and godlike to us today Peter S Carmichael author of The Last Generation The most provocative account of events in 1861 in a generation Readers who think they understand the Civil War s first year and the roles played by Abraham Lincoln Nathaniel Lyon Charles Stone and a host of others should brace themselves for a bold new perspective A Wilson Greene author of Breaking the Backbone of the Rebellion *Inglorious Passages* Brian Steel Wills,2017-11-30 Of the hundreds of thousands of soldiers who died in the Civil War two thirds by some estimates were felled by disease untold others were lost to accidents murder suicide sunstroke and drowning Meanwhile thousands of civilians in both the north and south perished in factories while caught up in battles near their homes and in other circumstances associated with wartime production and supply These inglorious passages no less than the deaths of soldiers in combat devastated the armies in the field and families and communities at home Inglorious Passages for the first time gives these noncombat deaths due consideration In letters diaries obituaries and other accounts eminent Civil War historian Brian Steel Wills finds the powerful and poignant stories of fatal accidents and encounters and collateral civilian deaths that occurred in the factories and fields of the Union and the Confederacy from 1861 to 1865 Wills retrieves these stories from obscurity and the cold calculations of statistics to reveal the grave toll these losses exacted on soldiers and civilians families and society In its intimate details and its broad scope his book demonstrates that for those who served and those who supported them noncombat fatalities were as significant as battle deaths in impressing the full force of the American Civil War on the people called upon to live through it With the publication of Inglorious Passages those who paid the supreme sacrifice regardless of situation or circumstance will at last be included in the final tabulation of the nation s bloodiest conflict

Decoding **The Civil War Letters Of General Robert Mcallister**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
