The Civil War The American Iliad As Told By Those Who Lived It:

The Civil War ,1994 **The Civil War** Otto Eisenschiml,Ralph Newman,1997-07 More than any other conflict the Civil War tore at the fabric of American life Out of this shattering ordeal came many strange reporters politicians housewives rub shoulders in the pages of this book Each sees the war in a strongly personal way Here we meet partisans of each side the Blue the Grey see the conflict through the eyes of those who lived breathed it **The Civil War** Otto Eisenschiml,Ralph Geoffrey Newman,1956 **The Civil War: The American Iliad, as told by those who lived it, by O. Eisenschiml and R. Newman** ,1956 *The Civil War, Vol. 1: The American Iliad as Told by Those Who Lived It (Classic Reprint)* Otto Eisenschiml,2019-01-25 Excerpt from The Civil War Vol 1 The American Iliad as Told by Those Who Lived It The American Iliad is not intended to be just another story of the Civil War Instead it aims to present this heroic period as a panorama letting the events pass before the reader s eyes much as they passed before the eyes of the men and women who lived at that time The Civil War beyond most wars went deep into every aspect of life and was much more than a series of battles It affected every living being both north and south of the Mason and Dixon Line and produced many strange human experiences some of which we have woven into this narrative as an integral part of the picture We did not write this book Dozens of people wrote it people who witnessed a stirring contemporary scene and tell about it in their own words They may have been commanding generals or soldiers in the ranks newspaper reporters statesmen or housewives If they observed well wrote honestly entertainingly and this is where we lay our emphasis with dramatic suspense we have drawn on their contributions in the compilation of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Civil War** ,1956 *The Civil War* Ralph Newman,Otto Eisenschiml,1956 The Era of the Civil War--1820-1876 Louise A. Arnold-Friend,US Army Military History Institute,1982 **A Civil War Treasury of Tales, Legends and Folklore** Benjamin Albert Botkin,2000-01-01 Stories of bravery humor and faith reflect the emotions and attitudes of freedmen women deserters patriots and resisters towards the war as well as their opinions of Abraham Lincoln Robert E Lee and Stonewall Jackson **The King Arthur Myth in Modern American Literature** Andrew E. Mathis,2001-11-30 In American fiction two forms of the Arthurian myth are commonly found the use of the myth for political reasons and the use of the myth for the continuation of an aesthetic tradition that can be traced back to the earliest use of the Arthurian cycle by writers in the British Isles This work traces the use of the legend from Mark Twain s A Connecticut Yankee in King Arthur s Court to Donald Barthelme s novel The King It

discusses how Twain used the myth to take a stand against England how it served cultural and aesthetic purposes in John Steinbeck's writing how Raymond Chandler used it in complex texts with less obvious Arthurian allusions that carried strong cultural and even political associations how John Gardner used aspects of the myth to embellish already existing narrative structures and to underscore philosophic debates and how Donald Barthelme suggests the continuing interest of American writers in the Arthurian legend today in his novels Also discussed is the effect of World War II on American literature and the Arthurian myth and the Camelot image surrounding the Kennedys
