The Civil War Vol 1:

Battles and Leaders of the Civil War - Robert Underwood & Buel Johnson (Clarence Clough), **The Story of the Civil War, Vol. 1** John Codman Ropes, 2017-12-25 Excerpt from The Story of the Civil War Vol 1 A Concise Account of the War in the United States of America Between 1861 and 1865 The task attempted in the following work is in certain respects a novel one It is to write of the subjects treated from the stand point of each of the contending parties About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Civil War: A Narrative Shelby Foote, 1986-11-12 This first volume of Shelby Foote's classic narrative of the Civil War opens with Jefferson Davis's farewell to the United Senate and ends on the bloody battlefields of Antietam and Perryville as the full horrible scope of America's great war becomes clear Exhaustively researched and masterfully written Foote's epic account of the Civil War unfolds like a classic novel Includes maps throughout Here for a certainty is one of the great historical narratives a unique and brilliant achievement one that must be firmly placed in the ranks of the masters Van Allen Bradley Chicago Daily News A stunning book full of color life character and a new atmosphere of the Civil War and at the same time a narrative of unflagging power Eloquent proof that an historian should be a writer above all else Burke Davis To read this great narrative is to love the nation to love it through the living knowledge of its mortal division Whitman who ultimately knew and loved the bravery and frailty of the soldiers observed that the real Civil War would never be written and perhaps should not be For me Shelby Foote has written it This work was done to last forever James M Cox Southern Review

The Civil War, Vol. 1: The American Iliad as Told by Those Who Lived It (Classic Reprint) Otto Eisenschiml, 2019-01-25 Excerpt from The Civil War Vol 1 The American Iliad as Told by Those Who Lived It The American Iliad is not intended to be just another story of the Civil War Instead it aims to present this heroic period as a panorama letting the events pass before the reader's eyes much as they passed before the eyes of the men and women who lived at that time The Civil War beyond most wars went deep into every aspect of life and was much more than a series of battles It affected every living being both north and south of the Mason and Dixon Line and produced many strange human experiences some of which we have woven into this narrative as an integral part of the picture We did not write this book Dozens of people wrote it people who witnessed a stirring contemporary scene and tell about it in their own words They may have been commanding generals or soldiers in the ranks newspaper reporters statesmen or housewives If they observed well wrote honestly entertainingly and this is where we lay our emphasis with dramatic suspense we have drawn on their

The Coming Fury - The Centennial History of the Civil War Vol. 1 Bruce Catton,1961 **History of the American Civil War, Vol. 1 of 3 (Classic Reprint)** John William Draper,2017-12-02

Excerpt from History of the American Civil War Vol 1 of 3 In the course of American National Life three distinct Periods may be perceived The first was characterized by an earnest acceptance of the Idea of Political Unity the second manifested itself by the Decomposition of the Nation that had arisen from that Idea into two geographical and Opposing Political Powers the North and the South or the Free and the Slave the third exhibits the Conflict of those Powers for Supremacy Since the production of Geographical Parties is due to Climate the possibility of avoiding such Unhappines is considered and the necessity of their Study by the Statesman insisted on Statement of the Topics treated of in the six Sections of this Volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Stonewall Jackson and the American Civil War, Vol. 2 of 2 (Classic Reprint) G. F. R. Henderson,2016-09-24 Excerpt from Stonewall Jackson and the American Civil War Vol 2 of 2 Before Yorktown McClellan's five army corps had been held in check first by men then by protected by earthworks of feeble profile 1 The fort at Gloucester Point was the key of the Confederate lines McClellan however although a division was actually under orders to move against it appears to have been unwilling to risk a failure 3 The channel of the York was thus closed both to his transports and the gunboats and he did nothing whatever to interfere with Johnston's long line of communications which passed at several points within easy reach of the river bank Nor had he been more active since he had reached West Point Except for a single expedition which had dispersed a Confederate division near Hanover Court House north of the Chickahominy he had made no aggressive movement He had never attempted to test the strength of the fortifications of Richmond to hinder their construction or to discover their weak points His urgent demands for reinforcements had appeared in the Northern newspapers and those newspapers had found their way to Richmond From the same source the Confederates were made aware that he believed himself confronted by an army far larger than his own and

when on the departure of Whiting's division for the Valley he refused to take advantage of the opportunity to attack Lee's diminished force it became abundantly clear if further proof were wanting that much might be ventured against so timid a commander About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Photographic History of the Civil War, Vol. 1 of 10 Francis Trevelyan Miller, 2017-11-20 Excerpt from The Photographic History of the Civil War Vol 1 of 10 The Opening Battles Readers as well as publishers are also indebted to the collectors historical societies and others who have furnished hundreds Of long treasured photographs unwilling that The history should appear without presenting many important scenes Of which no actual illustrations had ever before been available to the public Hence the Civil War time photographs in the present Work are not only several times as numerous as those in any previous publication but also include many hundreds of scenes that will come as a revelation even to historians and special scholars photographs taken within the lines Of the Confederate armies and of the hosts in the Mississippi Valley whose fighting was no less momentous than the Eastern battles but in the nature Of things could not be as quickly or as fully heralded With these additions to the Brady Gardner collection the loss and rediscovery of which Mr Henry Wysham Lanier's introductory narrates it is now possible for the first time to present comprehensively the men and scenes and types Of the American epic in photographs About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reminiscences of the Civil War Jacob Dolson Cox, 2015-06-02 Excerpt from Reminiscences of the Civil War Vol 1 My aim in this book has been to reproduce my own experience in our Civil War in such a way as to help the reader understand just how the duties and the problems of that great conflict presented themselves successively to one man who had an active part in it from the beginning to the end In my military service I was so conscious of the benefit it was to me to get the personal view of men who had served in our own or other wars as distinguished from the general or formal history that I formed the purpose soon after peace was restored to write such a narrative of my own army life My relations to many prominent officers and civilians were such as to give opportunities for intimate knowledge of their personal qualities as well as their public conduct It has seemed

to me that it might be useful to share with others what I thus learned and to throw what light I could upon the events and the men of that time As I have written historical accounts of some campaigns separately it may be proper to say that I have in this book avoided repetition and have tried to make the personal narrative supplement and lend new interest to the more formal story About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Reminiscences of the Civil War, Vol. 1 (Classic Reprint)** Jacob Dolson

Cox,2017-11-22 Excerpt from Reminiscences of the Civil War Vol 1 Though my private memoranda are full enough to give me reasonable confidence in The accuracy of these reminiscences I have made it a duty to test my memory by constant reference to the original contemporaneous material so abundantly preserved in the government publication of the Official Records of the Union and Confed crate Armies Where the series of these records is not given my references are to the First Series with the abbreviation O R and I have preferred to adhere to the official designation of the volumes in parts as each volume then includes the documents of a single campaign About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The West Point History of the Civil**

War United States Military Academy,2014-10-21 Comprises six chapters of the West Point history of warfare that have been revised and expanded for the general reader Page vii **The Civil War, a Narrative ... Vol. 1** Shelby Foote,1958 *The 11th North Carolina Infantry in the Civil War* William Thomas Venner,2015-09-02 This history of the 11th North Carolina Infantry in the Civil War civilian soldiers and their families follows the regiment from their 1861 mustering in to their surrender at Appomattox covering action at Gettysburg Bristoe Station The Wilderness Spotsylvania Cold Harbor and Petersburg Drawing on letters journals memoirs official reports personnel records and family histories this intensely personal account features Tar Heels relating their experiences through over 1 500 quoted passages Casualty lists give the names of those killed wounded captured in action and died of disease Rosters list regimental officers and staff enlistees for all 10 companies and the names of the 78 men who stacked arms on April 9 1865 *The 30th North Carolina Infantry in the Civil War* William Thomas Venner,2018-02-05 At the outbreak of the Civil War the men of the 30th North Carolina rushed to join

the regiment proclaiming we will whip the Yankees or give them a right to a small part of our soil say 2 feet by 6 feet Once the Tar Heels experienced combat their attitudes changed One rifleman recorded We came to a Yankee field hospital we moved piles of arms feet hands By 1865 the unit s survivors reflected on their experiences wondering when and if I return home will I be able to fit in Drawing on letters journals memoirs and personnel records this history follows the civilian soldiers from their mustering in to the war s final moments at Appomattox The 30th North Carolina had the distinction of firing at Abraham Lincoln on July 12 1864 as the president stood upon the ramparts of Ft Stevens outside Washington D C and firing the last regimental volley before the surrender of the Army of Northern Virginia

Reminiscences of the Civil War. Vol. 1 John HALLUM,1903 **Lists and Indexes** Great Britain. Public Record Office,1963 **List of Foreign Office Records to 1878 Preserved in the Public Record Office** Great Britain. Public Record Office,1963 *Battles and Leaders of the Civil War, Vol. 1* Robert Underwood Johnson,2018-02-03 Excerpt from Battles and Leaders of the Civil War Vol 1 Part II Being for the Most Part Contributions by Union and Confederate Officers Based Upon the Century War Series The Union Club in Louisville was an important factor in organizing Union sentiment Originating in May in six weeks it numbered six thousand members in that city and spread rapidly through the State and into East Tennessee It was a secret society the members of which were bound by an oath to be true to the ag and Government of the United States About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Civil War in Tennessee, 1862-1863 Jack H. Lepa,2015-05-20 In 1862 with the outcome of the Civil War far from sure leaders on both sides began to pinpoint places vital for their army s success For both Union and Confederate forces Tennessee was a prize Drawing on contemporary sources such as memoirs and official correspondence this book details the struggle for control of Tennessee during 1862 and 1863 It follows troop movements through some of the worst battles including Shiloh Stone s River and Chickamauga The Union victory at the battle of Chattanooga which brought Tennessee definitively under Union control and its consequences for both sides are discussed in detail The Photographic History of the Civil War, Vol. 1 of 10 Francis Trevelyan Miller,2017-12-26 Excerpt from The Photographic History of the Civil War Vol 1 of 10 In Ten Volumes It will be gathered from the tone of these remarks that I do not think that much of the poetry Dr Miles has included suitable though it is for the present work would find a place in a volume edited with an exigence equal to that manifested by the late Mr Palgrave in his Golden Treasury but if Dr Miles had proved as exigent an editor as Mr Palgrave he would have been left at the end of his labors through no fault of his own without a volume to give us That would surely have

been a pity for the writers included are thoroughly representative of their time and they display as a rule clarity of thought rightness of feeling and creditable powers of expression About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
