One-Sided Arguments Douglas Walton,1999-08-12 We often feel that an argument should be doubted or held as suspicious because it has a bias But bias isn t always wrong It is a normal phenomenon in advocacy argumentation and in many cases it is to be expected Yet sometimes bias can be quite harmful in argumentation In this book bias is defined as one sided advocacy of a point of view in argumentation It is shown to be harmful or properly subject to critical condemnation only when the dialogue exchange is supposed to be a balanced two sided exchange of viewpoints The book concedes the postmodernist premise that bias is quite normal in everyday conversational arguments and that a finding of bias should not by itself constitute grounds for criticizing an argument as critically deficient or fallacious But the book strongly disagrees with the postmodernist conclusion that no standard of rationality can be brought to bear to condemn narrowly interest based or one sided arguments as biased It is argued that in some cases narrow one sided partisanship in an argument is justifiably a basis for negative criticism of the worth of the argument

The heir of Redclyffe. By the author of The two guardians. Repr., by C.M. Yonge Charlotte Mary Yonge,1897 **The Heir of Redclyffe** Charlotte Mary Yonge,1871 *I'm a Fan* Sheena Patel,2023-08-22 A fast fizzing cherry bomb of a debut I m a Fan will stick with you for a very long time The Observer Astounding addictive and screaming with originality I m a Fan is a blisteringly smart novel on obsession and privilege I stalk a woman on the internet who is sleeping with the same man as I am The unnamed narrator in I m a Fan is obsessed obsessed with the married man she is sleeping with and with one of his other lovers who is an influencer Through the prism of this unequal unfaithful relationship she examines the complexities of desire and privilege With an unforgiving eye the narrator relentlessly dissects the behaviour of all involved in the entanglement herself included and makes startling connections between the power struggles at the heart of human relationships and those of the wider world I m a Fan offers an incandescent critique of class race social media patriarchy s hold on us and our cultural obsession with status and how that status is conveyed In this gripping debut Sheena Patel announces herself as a dynamic new voice in literature capable of rendering a rollercoaster of emotions viscerally on the page Conscious Motherhood; Or the Earliest Unfolding of the Child Emma Marwedel,1889 **William Day's reminiscences of the turf** William Henry Day,1886 The Western Magazine ,1880 The Oligarchs' Grip David Lingelbach,Valentina Rodríguez Guerra,2023-11-06 Goody Business Book Awards Finalist 2023 Shortlisted in the International Business Book category at the Business Book Awards in partnership with Pathway Group 2024 The first ever guide to oligarchs as a global and historical phenomenon Today more than twenty oligarchs serve as heads of state or government in countries such as Russia South Africa Lebanon and El Salvador Many have a net worth in excess of 1 billion and they all whether directly or indirectly impact our daily lives Who are they and how have they dominated our world What lessons can we learn from them and what might the future hold In *The Oligarchs Grip* Fusing Wealth and Power entrepreneurship professor David Lingelbach and oligarch researcher Valentina Rodr guez Guerra draw upon more than 25 years of research including conversations with Vladimir Putin and other oligarchs 16 case studies and dozens of historical examples to develop the first ever model revealing the strategies oligarchs employ to fuse wealth and power and transition between the two This model gives insight into how oligarchs use multiple control mechanisms to exploit an increasingly uncertain world *The Oligarchs Grip* is a fascinating read for economists political scientists business academics policymakers businesspeople and anyone interested in oligarchs and the wealth and power they wield on the politico economic scene today Book talk with both authors <https://www.youtube.com/watch?v=2iAwhJjN3hk> **What is Anthroposophy?** Rudolf Steiner,2002 3 selected lectures by Rudolf Steiner This is one of those books that can change your life Radical thought provoking and indeed mind boggling it leads to a completely new way of looking at what it means to be human a spiritual being in a universe that itself is not just physical but psychic and spiritual as well These three previously untranslated lectures are a masterly introduction to what Rudolf Steiner means by Anthroposophy They explain why Steiner describes this

path which means literally the wisdom of the human being as one that unites what is spiritual in the human being with what is spiritual in the universe Steiner begins by describing what happens when we die He shows the relationship between our physical life on Earth and the etheric astral and spiritual life of the cosmos He also explains how physical lives are completely interwoven with cosmic existence and how the missing links in evolution are spiritual in nature Steiner then demonstrates what he calls the dilettantism and soullessness of mainstream psychology He points out that since the second half of the nineteenth century the idea of the soul has been lost and that consequently understanding of our inner lives is without a sure foundation A very different view emerges however from a truly spiritual perspective In the third lecture Steiner takes as his guide our three states of being waking dreaming and sleeping He describes in detail what happens in these three states and how each is bound up with our lives as physical psychic and spiritual beings With the profound insights in this book the world becomes a much larger richer and more exciting place to live **The penny library of famous books** Penny library,18??

An Undevotional Jimmy R. Watson,2019-04-30 In the same spirit as his previous book Big Jesus Watson takes us on a journey through the Gospel of Luke with a touch of humor and a wheelbarrow full of insights and information Watson believes nothing is more pretentiously self pious than to write something and call it a devotional unless one has already been canonized as a saint An Undevotional is not a spoon fed offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of Nazareth with contemporary applications At times irreverent at all times interesting this book is indispensable for Jesus devotees and undevootees alike Glass Rope Ian Florance,2013-07-08 Adam Mahfouz is mugged by a former pupil His life unravels he loses his job as tutor on a global educational programme then loses his house and nearly his life As he walks through and under London he remembers his past and understands the truth about his life A Glass Rope celebrates London and the Thames 30 40years in the future Through the Bible Zac Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us

pray Lord we want to understand Your heart even if we don't understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God's purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3:16-17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God's Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God's Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word
