

The background is a detailed illustration of a courtyard. In the upper center, a large, ornate clock face is set within a white arched frame on a peach-colored wall. The clock face itself is filled with intricate golden gears and mechanical parts. To the left, a large, leafy plant with long, drooping purple flowers hangs over the scene. In the foreground, a small, yellow, egg-shaped robot with a single large eye and a blue arm is perched on a stone ledge. The robot's arm is extended towards the left. The ground is covered with a red and white patterned rug. The overall style is whimsical and steampunk-inspired.

Solovieva, 2017-11-15 Christ's Subversive Body offers a fascinating exploration of six historical examples of politically or culturally subversive usages of the body of Christ Shining a light on the enabling potential of religious rhetoric Solovieva examines how in moments of crisis or transition throughout Western history the body of Christ has been deployed in a variety of discourses including recent neo and theoconservative movements in the United States Solovieva's survey includes the iconoclastic polemics of Epiphanius at the moment of struggles for supremacy between the Roman state and the Christian church the mystical theologico political alchemy of an anonymous treatise circulated at the Council of Constance Lavater's counter Enlightenment visions of the afterlife expressed through physiognomy Dostoevsky's refashioning of ethical communities Pier Paolo Pasolini's attempts to provoke the scandal of Jesus's mission once more in the modern world and the elaboration of a political theology subordinating democratic dissent to the higher unity of a corporately conceived unitary executive in early twenty first century America Solovieva presents her findings not as an entry into theological or Christological debates but rather as a study in comparative discourse analysis She demonstrates how these uses of Christ's body are triggered by moments of epistemological political and representational crisis in the history of Western civilization *Index of American Periodical*
