Vazquez studies Basque nationalism as not merely a political phenomenon but as a cultural and social one as well. He examines the forces that have shaped the Basque political panorama, the nature of Basque political campaigns, Basque cultural and social movements both inside and outside the explicitly partisan milieu, and the role of other parties in the Basque Country. The study is enhanced by extensive interviews and broad fieldwork among Basque contacts of diverse backgrounds and loyalties. The result is a vivid portrait of political life in the contemporary Basque Country, of the tensions between various nationalist parties and philosophies, and of the way politics are influenced by Basque notions of community, social connections, and national identity. The book also serves as a model for studies of other political and nationalist movements and the cultural and social ties and values that drive them.

**The Bullfighter Checks Her Makeup** Susan Orlean, 2002-01-08. The bestselling author of *The Orchid Thief* and *The Library Book* is back with this delightfully entertaining collection of her best and brightest profiles. Acclaimed New Yorker writer Susan Orlean brings her wry sensibility, exuberant voice, and peculiar curiosities to a fascinating range of subjects, from the well-known Bill Blass to the unknown, a typical ten-year-old boy to the formerly known, the 1960s girl group the Shaggs. Passionate people, famous people, short people. And one championship show dog named Biff who, from a certain angle, looks a lot like Bill Clinton. Orlean transports us into the lives of eccentric and extraordinary characters like Cristina Sánchez, the eponymous bullfighter, the first female matador of Spain, and writes with such insight and candor that readers will feel as if they've met each and every one of them. The result is a luminous and joyful tour of the human condition as seen through the eyes of the writer heralded by the Chicago Tribune as a journalist dynamo.
