into love and the creature becomes Elisa's sole reason to live. But outside forces are pressing in. Richard Strickland, the obsessed soldier who tracked the asset through the Amazon, wants nothing more than to dissect it before the Russians get a chance to steal it. Elisa has no choice but to risk everything to save her beloved. With the help of Zelda and Giles, Elisa hatches a plan to break out the creature. But Strickland is on to them. And the Russians are indeed coming. Developed from the ground up as a bold, two-tiered release, one story interpreted by two artists in the independent mediums of literature and film, *The Shape of Water* is unlike anything you've ever read or seen. Most movie novelizations do little more than write down what audiences see on the screen. But the novel that's accompanying Guillermo del Toro's new movie *The Shape of Water* is no mere adaptation. Co-author Daniel Kraus' book and the film tell the same story of a mute woman who falls in love with an imprisoned and equally mute creature in two very different ways.

io9 Praise for *The Shape of Water* directed by Guillermo del Toro: Winner of the 2018 Academy Award for Best Picture, Winner of the 2018 Academy Award for Best Director, Winner of the 2018 Academy Award for Music Original Score, Winner of the 2018 Academy Award for Production Design, Winner of the 2018 Golden Globe Award for Best Director of a Motion Picture. With encouragement from critics and awards voters, discerning viewers should make Fox Searchlight's December release the season's classiest date movie for perhaps the greatest of *The Shape of Water*'s many surprises: is how extravagantly romantic it is. *Variety*: A visually and emotionally ravishing fantasy that should find a welcome embrace from audiences starved for imaginative escape. *The Hollywood Reporter*: Awarded the Golden Lion for Best Film at the 74th Annual Venice International Film Festival.

**At Weddings and Wakes** Alice McDermott, 2009-11-24 The three children of an Irish American family in Long Island are witnesses to the cycles of dissatisfaction, bitterness, and recurring affection that make up the lives of their extended family. A tender, sad, and funny book from the author of the National Book Award-nominated *That Night* and *Charming Billy*.
