

The Code Of The South And Other Stories

**Edwin Anderson Alderman, Charles
Alphonso Smith**

The Code Of The South And Other Stories:

The Code of the South and Other Stories Louise Edge, 2000-06-28 The stories in *The Code of the South* range from humorous and playful to poignant and serious Many of them are Southern But there are no large hairy people named Bubba running around Instead readers will meet people they might enjoy talking to at a party people who will delight and surprise Here are some of the men women and children in the stories An eleven year old Southern boy protects the honor of his mother A widower who honored his wife s request to be buried in her fur coat finds his grief interrupted by unexpected revelations A young woman recounts the year her father was in Vietnam and the heartbreaking effects the war had on her life A man with a litany of complaints about his mother in law discovers she has the last word A young Air Force wife joins her husband in Germany and finds out he is chasing women all over Europe In these and ten other stories the author deftly captures universal struggles the coming of age problems of the young the complications of love and marriage the quest to stay vigorous in old age The stories are offered in language that is precise and accessible *The Shadowy Third, and Other Stories* Ellen Anderson Gholson Glasgow, 2019-12-03 In *The Shadowy Third and Other Stories* Ellen Anderson Gholson Glasgow weaves a tapestry of Southern Gothic narratives that explore the complexities of human nature and the intricacies of societal expectations in the early 20th century Glasgow s prose is marked by rich imagery and psychological depth inviting readers into the minds of her characters who grapple with themes of identity femininity and the constraining nature of tradition The collection evokes a haunting atmosphere blending elements of realism with an undercurrent of the supernatural reflective of Glasgow s preoccupation with the social mores of her time Ellen Glasgow a prominent American author of the early 1900s is celebrated for her keen insight into Southern life and the struggles of women Born into a Virginia family steeped in tradition her personal experiences and the societal changes around her profoundly influenced her writing Glasgow was known to challenge the status quo advocating for women s rights and the examination of personal autonomy themes that resonate deeply throughout this collection I highly recommend *The Shadowy Third and Other Stories* to readers who appreciate meticulously crafted narratives that confront the shadows of society while offering a lens into the tumultuous emotions of human experience Glasgow s stories are not only engaging but also provide profound reflections on the cultural landscape of her era making this collection an essential read for both enthusiasts of Southern literature and those interested in early feminist discourse *The Real South* Scott Romine, 2008-06 In this stimulating study Scott Romine explores the impact of globalization on contemporary southern culture and the South s persistence in an age of media and what he terms cultural reproduction Rather than being compromised Romine asserts southern cultures are both complicated and reconfigured as they increasingly detach from tradition in its conventional sense In considering Souths that might appear fake the Souths of the theme restaurant commercial television and popular regional magazines for example Romine contends that authenticity and reality emerge as central concepts that allow groups and individuals to imagine and navigate social

worlds Romine addresses a major critical problem authenticity in a fundamentally new manner Less concerned with what actually constitutes an authentic or real South than in how these concepts are used today The Real South explores a wide range of southern narratives that describe and travel through virtual simulated and commodified Souths Where earlier critics have tended to assume a real or authentic South Romine questions such assumptions and whether the authentic South ever truly existed From Gone with the Wind Civil War reenactments and a tennis community outside Atlanta called Tara to the work of Josephine Humphreys the travel narrative of V S Naipaul and the historical fiction of Lewis Nordan Romine examines how narratives and spaces are used to fashion social solidarity and cultural continuity in a time of fragmentation and change Far from deteriorating or disappearing in a global economy Romine shows the South continues to be reproduced and used by diverse groups engaged in diverse cultural projects *The Spy Who Read Latin: And Other Stories* Edward D.

Hoch,2013-11-26 DIVDIVIn the thick of the Cold War a British spy will do anything to keep the peace divDIV Father Howard steps off the plane in Albania relieved to be out of China at last but knowing that until he reaches Paris he is not safe from the Communists As he makes his way across the tarmac two bullets strike him in the back of the head The missionary is no more The incident prompts an unprecedented meeting between C Jeffery Rand fixer for the British secret service and his counterpart inside Soviet Russia Seeking an ally to fight a common enemy Russia enlists Rand s help in its clash against the Chinese Rand will do all he can to avenge the murdered priest but how much can he trust the Soviet agent divDIV In these stories Rand lives with the daily threat of betrayal He knows two things are true There is no honor among spies and the safest agent is the one who trusts no one divDIV div div *Sardarji and Other Stories* Khwaja Ahmad Abbas,2014 The lyrical prose of writer journalist and film director Khwaja Ahmad Abbas 1914 1987 easily lends itself to short stories In Sardarji and Other Stories a captivating collection the protagonists of each tale are portrayed grappling with realities imposed upon them by an unrelenting historical churning that compels them to revisit their relationships with their cultural spatial and psychological moorings Communal riots poverty abjection love and longing or renewed hopes and nascent dreams make this collection an incisive and moving portrayal of the human condition This Khwaja Ahmad Abbas collection includes some of the best short stories ever penned down by the author journalist and film director Each of the stories selected for this volume gives a glimpse into the mind and works of this legendary writer Encompasses a variety of themes that readers can easily identify with Includes the last interview with Abbas about his last film Ek Aadmi *The Pacific and Other Stories* Mark Helprin,2005-06-28 A dazzling collection of short stories by Mark Helprin bestselling author of Winter s Tale which is now a major motion picture starring Colin Farrell Jessica Brown Findlay Russell Crowe William Hurt and Jennifer Connelly The Pacific and Other Stories is a collection of sixteen stories that display the remarkable scope incomparable wit and deft prose that have come to be Mark Helprin s signature A British paratrooper jumps into occupied territory the 1958 New York Yankees gain an unexpected teammate in a puny teenaged Hasidic Jew a September 11th widow receives an astonishing gift

from the contractor working on her new apartment these and other stories exhibit the constantly changing variety of the ocean itself the peaks and troughs of life Lighthearted glittering fables are met with starker tales that sound the depths of sacrifice and duty *The Pacific and Other Stories* is a resplendent powerful collection of lasting substance and emotional import *RIVER OF FIRE AND OTHER STORIES* Ed Robison, 2011-06-13 As he demonstrated in *The Fox and Other Stories* Turtle Press 1996 and *The Man Who Saw Himself* Xlibris 2002 Ed Robison continues to watch and listen closely to the world around him This new collection reveals fresh poignancies and acutely observed quotidian mini dramas that can easily burn into the consciousness of those willing to pause and listen *The River of Fire* the key story is another unforgettable look at the horror of war It wouldn't be entirely out of line to characterize Ed Robison as a Damon Runyon of the resorts retirement communities logging towns and porch swings of the Northwest Jim Nisbet Author of *Prelude to a Scream* *Mile High Cold and other Stories* John Craig, 2012-09-03 Ten stories and a novella Steampunk Sci Fi Dystopian Fantasy American Wild West Horror American Detective Noir Freelance *The Kid in the Cold* *In the Eyes* *Blanket of Crickets* *Hunger* *Invisible Chain* *Le Morte d Dupin* *The Spring Stand* *Three Ravens* *The Case of the Glowing Scarabs* *Mile High Cold* *Thomas Nelson Page* Theodore L. Gross, 1967 *The Academy*, 1882 *The Death of Luigi Trastulli and Other Stories* Alessandro Portelli, 2010-03-30 Portelli offers a new and challenging approach to oral history with an interdisciplinary and multicultural perspective Examining cultural conflict and communication between social groups and classes in industrial societies he identifies the way individuals strive to create memories in order to make sense of their lives and evaluates the impact of the fieldwork experience on the consciousness of the researcher By recovering the value of the story telling experience Portelli's work makes delightful reading for the specialist and non specialist alike **Grace and Other Stories** Bongani Sibanda, 2016-11-02 This collection of short stories explores the survival of the fittest in the hardship and poverty of a remote village in Matabeleland Bongani Sibanda draws his characters and their situations with a sardonic eye and caustic humour Sibanda satirises churches which enrich their leaders with the tithes of the poor and draws our attention to self proclaimed pastors who use the gospel of nationalism and patriotism to persuade their congregants to desist from supporting opposition politics The church is also a source of the villagers weekly entertainment with its cleansing ceremonies and the interrogation of witches belief has a place but so too does theatre Patriarchy family hierarchies and the traditional position of women and children all fall under Sibanda's wry but compassionate scrutiny We feel an intimacy with the villagers as we learn about how they cope with no self pity little ambition but a fierce determination to survive **British Books**, 1903 CliffsNotes on Faulkner's *The Unvanquished* James L Roberts, 1999-03-03 This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works **Recent Additions by Classes**, 1898 William Faulkner André Bleikasten, 2017-03-01 Accessible Engaging May well be our fullest account to date of what Bleikasten calls Faulkner's energy for life and will to write Theresa Towner author of *The Cambridge*

Introduction to William Faulkner Writing to American poet Malcolm Cowley in 1949 William Faulkner expressed his wish to be known only through his books but his wish would not come true He would go on to win the Nobel Prize for literature several months later and when he died famous in 1962 his biographers immediately began to unveil and dissect the unhappy life of the little man from Mississippi Despite the many works published about Faulkner his life and career it still remains a mystery how a poet of minor symbolist poems rooted in the history of the Deep South became one of the greatest novelists of the twentieth century Here renowned critic Andr Bleikasten revisits Faulkner s biography through the author s literary imagination Weaving together correspondence and archival research with the graceful literary analysis for which he is known Bleikasten presents a multi strand account of Faulkner s life in writing By carefully keeping both the biographical and imaginative lives in hand Bleikasten teases out threads that carry the reader through the major events in Faulkner s life emphasizing those circumstances that mattered most to his writing the weight of his multi generational family history in the South the formation of his oppositional temperament provoked by a resistance to Southern bourgeois propriety his creative and sexual restlessness and uncertainty his lifelong struggle with finances and alcohol his paradoxical escape to the bondages of Hollywood and his final bent toward self destruction This is the story of the man who wrote timeless works and lived in and through his novels
