## **The Coffin Ship:**

*The Coffin Ship* Cian T. McMahon,2022-12 This book uses the letters and diaries of the emigrants themselves to paint a vivid new portrait of Ireland s Great Famine exodus Provided by publisher      *Coffin Ship* William Henry,2009-05-14 The tragic tale of the sinking of the famine ship the St John in Massachusetts Bay in 1849 The Great Irish Famine drove huge numbers of Irish men and women to leave the island and pursue their survival in foreign lands In 1847 some 200 000 people sailed for Boston alone Of this massive group 2 000 never made it to their destination killed by disease and hunger during the voyages their remains consigned to a watery grave The sinking of the brig St John off the coast of Massachusetts in October 1849 was only one of many tragic events to occur during this mass exodus The ship had sailed from Galway loaded with passengers so desperate to escape the effects of famine that some had walked from as far afield as Clare to reach the ship The passengers on the St John made it to within sight of the New World before their ship went down and they were abandoned by their captain who denied that there had been any survivors when he and some of his crew made it ashore For those who died in the seas off Massachusetts there was nothing to mark their last resting place no name no memory of them ever having existed just another statistic in a terrible tragedy      *The Coffin Ship* Peter Tonkin,1989      *Return of the Coffin Ships* Bernard Edwards,2010-04-20 this book deserves a very wide readership among those interested in safety at sea Cdr Brian Wainwright FNI Seaways September 2000 Wonderful Really terrific A first rate piece of research Stan Bernard NBC News Shameful tale of bulker tragedies Telegraph July 1999 In September 1980 the British ship Derbyshire sailed into the eye of Typhoon Orchid and on into oblivion taking all on board with her The destructive power of a typhoon is awesome but the Derbyshire was no small and ageing tramp running red rust with a crew of deadbeats culled from the backwaters of the world She was just four years old manned entirely by competent British seamen and maintained to the highest standards She matched the best afloat in her day How then could this great ship have disappeared so quickly and completely with not even a faint cry for help and leaving only a thin film of oil on the sea to mark her passing The only good thing to come out of whatever appalling calamity over whelmed the Derbyshire was that it turned the spotlight on a hitherto unrecognised phenomenon the disappearing bulk carriers In this powerful book Bernard Edwards master mariner turned writer reports on his investigations into the loss of a number of these giant bulk carriers and offers a new and controversial solution to the Derbyshire mystery at the same time taking the lid off the on going scandal of the disappearing bulk carriers      *The Coffin Ship* Peter Tonkin,Peter Tomkin,1992-06 A thrilling adventure of one man s mission to save a ship from sabotage at sea written in the bestselling tradition of Justin Scott s The Shipkiller Richard Mariner had retired from the water after his wife drowned But the mysterious deaths of officers on the supertanker Prometheus was cause for him to regain his sea legs
