Coinage and Coin Use in Medieval Italy Alessia Rovelli, 2023-05-31 The volume gathers together seventeen articles dedicated to the monetary history of medieval Italy most of them newly translated into English The articles in the first section of the volume trace the development of monetisation in Italy from the Lombard period until the rise of the communes taking Rome Lazio Tuscany and several cities and regions in north central Italy as case studies The articles in the second section analyse different aspects of monetary production and circulation in Byzantine Italy while the third gathers together studies on various aspects of Carolingian coinage the transition from the Lombard system and the problem of furnishing an adequate supply of silver mints and royal administration and the activity and inactivity of mints operating at the edges of the Regnum Italiae All of the articles share the author's characteristic concern with setting the evidence from written sources against the wealth of new data emerging from recent archaeological research Theoderic and the Roman Imperial Restoration Jonathan J. Arnold, 2014-02-24 This book provides a new interpretation of the fall of the Roman Empire and the barbarian

kingdom known conventionally as Ostrogothic Italy Relying primarily on Italian textual and material evidence and in particular the works of Cassiodorus and Ennodius Jonathan J Arnold argues that contemporary Italo Romans viewed the Ostrogothic kingdom as the Western Roman Empire and its barbarian king Theoderic r 489 93 526 as its emperor Investigating conceptions of Romanness Arnold explains how the Roman past both immediate and distant allowed Theoderic and his Goths to find acceptance in Italy as Romans with roles essential to the Empire s perceived recovery Theoderic and the Roman Imperial Restoration demonstrates how Theoderic s careful attention to imperial traditions good governance and reconquest followed by the re Romanization of lost imperial territories contributed to contemporary sentiments of imperial resurgence and a golden age There was no need for Justinian to restore the Western Empire Theoderic had already done so
