The Cold Stove League:

The Cold Stove League Thomas Boyle, 1983 The Cold Stove League Thomas Boyle, 1987-04 Michael Reade arrives at the Casabranca Bar on the lush Portuguese Coast and finds himself in the midst of murder and intrigue **Forest and Stream**, 1914 **Bulletin** Chicago School of Sanitary Instruction, 1926 *Baseball and the Mythic Moment* James D. Hardy, Jr., 2007-02-26 While moments come and go and popular trends are created only to be consumed and replaced a small handful of events are able to transcend place and time to become widely shared cultural touchstones Baseball with its longevity reverence for character and perseverance and symbolism of American values has produced a number of these modern myths people games and events that transcend society's love for the ephemeral to attain collective cultural significance The Babe's called shot and Ripken's 2 131st are more than significant moments in baseball They are culturally relevant events that contribute to an American mythology This book examines how certain baseball moments became mythic and why some moments are culturally persistent while others are limited in importance to the confines of sport After a discussion of baseball in myth and memory and the effect of the media on both chapters draw a distinction between the merely famous or infamous and the mythic act whether it's physical Bobby Thomson or symbolic Jackie Robinson matchups whether individual Alexander vs Lazzeri or team Red Sox Yankees 1978 playoff clubs both those that achieved 1927 Yankees and that choked 1964 Phillies and franchises including the winners Yankees and the losers Cubs The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included The Corrector, 1915 *From Cold-Water Flat to Harvard University* Muriel Tomkins Niemi, 2011-06 As a child raised in a poor family during the Depression the author could only dream of travel and a fine education Despite dismal prospects she fulfilled her dreams traveling extensively and obtaining a doctorate from Harvard University This memoir begins with her childhood in a working class suburb of Montreal where she grew up in the aftermath of the First

World War As a young woman she worked as a secretary for the International Air Transport Association visiting Europe South American and northern Africa It was a glamorous career almost unimaginable for a person from a humble background But she still yearned for advanced education and eventually decided to leave IATA to pursue university studies Despite academic and financial obstacles she persevered obtaining degrees from Concordia Wisconsin and Harvard and embarking on a career as a university professor In 1968 her life took another dramatic turn when she married John Niemi a Finnish American professor who came from a radically different background in a small mining community in northern Michigan Their life together brought many more rewarding experiences Through this compelling story the author urges readers to reach beyond the ordinary to plan consciously to live richer more fulfilling lives **Bulletin, Chicago School of Sanitary**
