

# The Collapse Of The Soviet Military

**Robert Strayer**

## **The Collapse Of The Soviet Military:**

**The Collapse of the Soviet Military** William E. Odom, 1998 In this book a distinguished United States Army officer and scholar traces the rise and fall of the Soviet military arguing that it had a far greater impact on Soviet politics and economic development than was perceived in the West Drawing on interviews with key actors in the Soviet Union before during and after its collapse in 1991 General William E Odom tells a riveting and important story *The Collapse of the Soviet Military* William E. Odom, 1998 In this text a United States Army officer and scholar traces the rise and fall of the Soviet military arguing that it had a far greater impact on Soviet politics and economic development than was perceived in the West The author asserts that Gorbachev saw that shrinking the military and the military industrial sector of the economy was essential for fully implementing perestroika and that his efforts to do this led to the dissolution of the Soviet Union Odom enhances his account with interviews with key factors in the Soviet Union before during and after the collapse He describes the condition of the Soviet military during the mid 1980s and explains how it became what it was its organizational structures manpower policies and military industrial arrangements He then moves to the events that led to its destruction taking us to the most secret circles of Soviet policy making as well as describing the public debates factional struggles in the new parliament and street combat as army units tried to repress the political forces unleashed by glasnost *The Collapse of Soviet Military Power* Christoph Bluth, 1995 This is a study of Soviet military doctrine and capabilities and their relation to Soviet foreign policy objectives and East West relations during the Gorbachev period The role of military power in Gorbachev s foreign policy and the dismantling of the military confrontation in Europe is examined **Democratic Breakdown and the Decline of the Russian Military** Zoltan Barany, 2023-06-06 A rare behind the scenes look at Russian military politics Why have Russian generals acquired an important political position since the Soviet Union s collapse while at the same time the effectiveness of their forces has deteriorated Why have there been no radical defense reforms in Russia since the end of the cold war even though they were high on the agenda of the country s new president in 2000 *Democratic Breakdown and the Decline of the Russian Military* explains these puzzles as it paints a comprehensive portrait of Russian military politics Zoltan Barany identifies three formative moments that gave rise to the Russian dilemma The first was Gorbachev s decision to invite military participation in Soviet politics The second was when Yeltsin acquiesced to a new political system that gave generals a legitimate political presence The third was when Putin not only failed to press for needed military reforms but elevated numerous high ranking officers to prominent positions in the federal administration Included here are Barany s insightful analysis of crisis management following the sinking of the Kursk submarine a systematic comparison of the Soviet Russian armed forces in 1985 and the present and compelling accounts of the army s political role the elusive defense reform and the relationship between politicians and generals Barany offers a rare look at the world of contemporary military politics in an increasingly authoritarian state Destined to become a classic in post Soviet studies this book reminds us of the importance of

the separation of powers as a means to safeguard democracy

**Russian civil-military relations and the origins of the second Chechen war** Sz&ászdi, Lajos F.,2008-08-29 This book has relevance for those interested in understanding Russia's course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin's origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invade Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia's current and future distribution of power in the Caucasus the Balkans and the world at large Moscow's search for a multipolar world and its opposition to U S hegemony

The Routledge Handbook of Soviet and Russian Military Studies Alexander Hill,2025-02-24 This handbook brings together historical and contemporary essays about Soviet and Russian military studies to offer a comprehensive volume on the topic Comprising essays written by acknowledged specialists the handbook examines the development of the Russian and Soviet armed forces from the Napoleonic Wars all the way through to the course and conduct of the Special Military Operation in Ukraine Divided into thematic and chronological sections the volume looks at wars fought by the Tsarist regime through to the First World War the Soviet Union's Great Patriotic War from 1941 to 1945 the Cold War including the Soviet war in Afghanistan and Russia's post Soviet wars and military development In addition the volume also includes a section that analyses a number of overarching themes including the development of Russian and Soviet airpower partisan warfare counterinsurgency and the role of women in Russian and Soviet armed forces The volume concludes with an essay looking at whether using the historical material and material on the conduct of the war in Ukraine we can reasonably talk of a Russian way of war This volume will be of considerable interest to students of the Soviet Union and Russia strategic studies and military history

**The Soviet Military and the Collapse of the USSR** Christopher David McBride,University of North Florida. Honors Program,2010

*The Soviet High Command: a Military-political History, 1918-1941* John Erickson,2013-07-04 An objective and documentary history of the earliest origins and formative years of the Workers Peasants Red Army from the Civil War to the initial disasters of the war with Germany the Great Patriotic War culminating in the battle for Moscow in November December 1941

**The Rise and Decline of the American "Empire"** Geir

Lundestad,2012-03-08 The Rise and Decline of the American Empire explores the rapidly growing literature on the rise and fall of the United States Lundestad argues that after 1945 the US has definitely been the most dominant power the world has seen Now however he argues the US is in decline its economic growth is slow and its debt is rising rapidly **Why Did the Soviet Union Collapse?** Robert Strayer,1998-05-18 Taking the Soviet collapse the most cataclysmic event of the recent past as a case study this text engages students in the exercise of historical analysis interpretation and explanation In exploring the question posed by the title the author introduces and applies such organizing concepts as great power conflict imperial decline revolution ethnic conflict colonialism economic development totalitarian ideology and transition to democracy in a most accessible way Questions and controversies and extracts from documentary and literary sources anchor the text at key points This book is intended for use in history and political science courses on the Soviet Union or more generally on the 20th century **Russian/Soviet Military Psychiatry 1904-1945** Paul Wanke,2005-07-08 Psychiatry like most professional fields in Russia gained its legitimacy from its ability to serve the Tsar and later the Bolshevik party The militarised nature of these governments meant that psychiatry would have to prove its worth to the military This study will cover Russian Soviet military psychiatry from its first practical experience during the Russo Japanese war to its greatest test during the Great Patriotic War 1941 45 Throughout this study the continuity between Russian and Soviet military psychiatry will be emphasised For example psychiatry s materialist school dominated throughout this period and that Russia s acceptance that psychiatric casualties will occur allowed them to focus their resources on treatment rather than prevention Dedovshchina in the Post-Soviet Military. Hazing of Russian Army Conscripts in a Comparative Perspective Françoise Daucé,Elisabeth Sieca-Kozłowski,2012-02-13 In contemporary armies violence among soldiers seems to be a universal phenomenon found in both professional and drafted armies However the comparison of violent practices in various armies around the world allows us to identify specific features linked to those countries sociological political or anthropological contexts Hazing for example seems to be more violent in the armies of transitional societies Russia Eastern Europe Latin America where social tensions encountered by citizens in their daily lives are carried over to and sometimes intensified in the military The comparison of Russian dedovshchina with the situation in other countries makes it possible to identify universal transitional and national characteristics of military violence Contents Konstantin Bannikov on the consequences of the spread throughout society of archaic violence produced by the Russian army Anna Colin Lebedev on the perception of military violence in Russian society Anton Oleynik on informal relationships among prisoners and conscripts Kirill Podrabinek on the reasons of the prevalence of dedovshchina in the post Soviet context Igor Obratsov on the historical roots of dedovshchina Vadim Mikhailin on the role of language in the military milieu Julie Elkner on the Committee of Soldiers Mothers Bakit Katchekeyev on hazing in the Kyrgyz army Irakli Sesiashvili on hazing in the Georgian army Hana Cervinkova on hazing in the Czech army James Wither on bullying in the British army Eduardo Paes Machado Joris Van Bladel on dedovshchina and the all volunteer force *The*

*Shadow of The Hammer and Sickle* Pasquale De Marco, 2025-05-16 This book tells the story of the rise and fall of the Soviet military one of the most powerful and feared military forces in world history From its humble beginnings in the aftermath of the Russian Civil War to its collapse in the early 1990s the Soviet military played a major role in shaping the course of the 20th century In this book we will explore the complex relationship between the Soviet military and the Soviet state We will examine how the military influenced Soviet politics economics and society We will also discuss the factors that led to the collapse of the Soviet military and the impact that its collapse had on Russia and the world This book is based on extensive research including interviews with key figures in the Soviet military and government It provides a unique and comprehensive account of the Soviet military its role in Soviet history and its legacy for the world today This book is essential reading for anyone interested in the history of the Soviet Union the Cold War or the history of warfare It is also a valuable resource for students of political science international relations and military history This book is a fascinating and informative account of the rise and fall of the Soviet military It is a must read for anyone interested in the history of the Soviet Union the Cold War or the history of warfare If you like this book write a review on google books

**The Foreign Policy of Russia** Robert H Donaldson, Joseph L Noguee, 2014-12-18 Now fully updated this widely respected text traces the lineage and development of Russian foreign policy with the insight that comes from historical perspective The fifth edition incorporates new and fully updated coverage of issues including relations with the major powers and with other post communist states international security issues including arms control issues and grounds for sanctions and intervention and domestic and regional issues related to natural resource politics human rights Islamism and terrorism perspective Chronologically organized chapters highlight the continuities of Russias behavior in the world since tsarist times as well as the major sources of change and variability over the revolutionary period wartime alliances and cold war detente the Soviet collapse and the first post communist decades The fifth edition incorporates new and fully updated coverage of issues including relations with the major powers and with other post communist states international security issues including arms control issues and grounds for sanctions and intervention and domestic and regional issues related to natural resource politics human rights Islamism and terrorism New coauthor Vidya Nadkarni strengthens the books coverage of issues related to Asia The basic framework used in the book is a modified realism that stresses the balance of power and the importance of national interest and identifies several factors both internal and external that condition Russian policy The interpretations are original and based on a mix of primary and secondary sources

**The Transformation of Russia's Armed Forces** Roger N. McDermott, 2016-03-17 At no time since the end of the Cold War has interest been higher in Russian security issues and the role played in this by the modernization of Russia's Armed Forces The continued transformation of its Armed Forces from Cold War legacy towards a modern combat capable force presents many challenges for the Kremlin Moscow's security concerns domestically in the turbulent North Caucasus and internationally linked to the Arab Spring as well as its complex relations with the US and

NATO and its role in the aftermath of the Maidan Revolution in Ukraine in 2014 further raises the need to present an informed analytical survey of the country's military past present and future This collection addresses precisely the nature of the challenges facing Russian policymakers as they struggle to rebuild combat capable military to protect Russian interests in the twenty first century This book was based on a special issue of the Journal of Slavic Military Studies     **Politics and the Russian Army** Brian D. Taylor, 2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army's behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country's political leadership whether tsar general secretary or president is fundamentally illegitimate     **The Soviet Military Experience** Roger R. Reese, 2002-01-04 The Soviet Military Experience is the first general work to place the Soviet army into its true social political and international contexts It focuses on the Bolshevik Party's intention to create an army of a new type whose aim was both to defend the people and propagate Marxist ideals to the rest of the world It includes discussion of the origins of the Workers and Peasant's Red Army effects of the Civil War Bolshevik regime's use of the military as a school of socialism effects of collectivization and rapid industrialisation of the 1920s and 1930s Second World War and its profound repercussions ethnic tensions within the army effect of Gorbachev's policies of Glasnost and Perestroika     **FDR and the Soviet Union** Mary E. Glantz, 2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin's expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR's ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II Focusing on the conflicts between a president who sought close relations between the two nations and the diplomatic and military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by U S personnel in the U S S R in formulating and implementing policies governing the American Soviet relationship She takes readers into the

American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhadt and Averell Harriman and U S military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attach lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt s policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman s Cold War containment policy A case study in foreign relations high level policymaking and civil military relations FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War It adds a new dimension to our understanding of Soviet American relations as it sheds new light on the surprising power of those in low places

**Understanding Soviet Military Developments** United States. Department of the Army. Office of the Assistant Chief of Staff for Intelligence,1977      *The Russian Military Resurgence* René De La Pedraja,2018-11-21 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia s return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria

Eventually, you will agreed discover a new experience and capability by spending more cash. still when? do you recognize that you require to get those every needs taking into account having significantly cash? Why dont you attempt to acquire something basic in the beginning?
