Late Modernism and Expatriation Lauren Arrington,2022-01-15 How did living abroad inflect writers perspectives on social change in the countries of their birth and in their adopted homelands How did writers reformulate ideas of social class race and gender in these new contexts How did they develop innovations in form and technique to achieve a style that reflected their social and political commitments The essays in this book show how the outward turn that typifies late modernist writing was precipitated in part by writers experience of expatriation Late Modernism Expatriation encompasses writing from the 1930s to the present day and considers expatriation in both its voluntary and coerced manifestations Together the essays in this book shape our understanding of how migration especially in its late twentieth and twenty first century complexities affects late modernism s temporalities The book attends to major theoretical questions about mapping late modernist networks and it foregrounds neglected aspects of writers work while placing other writers in a new frame

I Want Charles Bernstein,2024-11-28 A celebration of the radical poetics of invention from Charles Bernstein For more than four decades Charles Bernstein has been at the forefront of experimental poetry ever reaching for a radical poetics that defies schools periods and cultural institutions The Kinds of Poetry I Want is a celebration of invention and includes not only poetry but also essays on aesthetics and literary studies interviews with other poets autobiographical sketches and more At once a dialogic novel long poem and grand opera The Kinds of Poetry I Want arrives amid renewed attacks on humanistic expression In his polemical humorous style Bernstein faces these challenges head on and affirms the enduring vitality and attraction of poetry poetics and literary criticism Selected Letters of Raymond Chandler Raymond Chandler,1981 I don t know why the hell I write so many letters Raymond Chandler once mused to a correspondent I guess my mind is just to active for its own good In the seven novels from The Big Sleep 1939 to Playback 1958 and in a handful of short stories Raymond Chandler recorded a vision of Southern California life sparked by acerbic observations on every level of coast society from drug dealers and crooked cops to heiresses But Chandler s gifts of observation and analysis extended well past the streets alleyways roadhouses and stately homes that made up the world of his detective hero Phillip Marlowe Brought together in this volume are some of the hundreds of letters Chandler wrote many of them composed during long insomniac nights Chandler commented on all that he saw around him from his own personal foibles to the works of his contemporaries Ernest Hemingway and Edmund Wilson to education English society and world events Acute sometimes impassioned often witty the Selected Letters of Raymond Chandler contains lively anecdotes of Hollywood critical dissections of his fellow writers of detective fiction lengthy discussions of the art of writing and of his own fiction and above all amused sometimes outraged glimpses of the Southern California society that was his inspiration Chandler once wrote that in letters I sometimes seem to

have been more penetrating than in any other kind of writing But his letters could also be combative as when he wrote to an editor at the Atlantic that when I split an infinitive God damn it I intend that it should stay split or dismissive as when he said of James M Cain that everything he writes smells like a billy goat He could also be painfully revealing as when he wrote of his despair over the death of his wife It was my great and now useless regret Chandler confessed that I never wrote anything really worthy her attention no book that I could dedicate to her Lively entertaining and sometimes touching these letters fully present for the first time the complex sensibilities of a man who was one of America s greatest writers of detective novels and one of its most astute observers *Handbook of Creative Writing* Steven Earnshaw,2014-04-14 In this new edition 54

Such Deliberate Disguises: The Art of Philip Larkin Richard Palmer,2008-05-01 Such Deliberate Disguises The Art of Philip Larkin argues that a true understanding of Philip Larkin as man and poet lies beyond his enduring public appeal and the variety of criticism that has recently been applied to his work Richard Palmer suggests that the ostensible simplicity of Larkin s writing which continues to attract so many readers to him is deceptive masking as it does one of the richest and most resonant of oeuvres in twentieth century poetry Penetrating the many masks of Larkin the book sheds new and considerable light on the hitherto largely ignored spiritual significance of his work Based upon close and scrupulous reading of the poems themselves it draws upon insights gained from the history of art and the study of religion and myth as much as literary criticism and personal biography It also brings long overdue attention to what is seen to be perhaps the chief love and operative aesthetic force of Larkin s life jazz Such Deliberate Disguises is thus a major contribution not just to Larkin studies but to the wider cultural history of our times

The Oxford History of Poetry in English Catherine Bates,Patrick Cheney,2022-03-31 The Oxford History of Poetry in English is designed to offer a fresh multi voiced and comprehensive analysis of poetry from Anglo Saxon culture through contemporary British Irish American and Global culture including English Scottish and Welsh poetry Anglo American colonial and post colonial poetry and poetry in Canada Australia New Zealand the Caribbean India Africa Asia and other international locales The series both synthesises existing scholarship and presents cutting edge research employing a global team of expert contributors for each of the volumes Sixteenth Century British Poetry features a history of the birth moment of modern English poetry in greater detail

than previous studies It examines the literary transitions institutional contexts artistic practices and literary genres within which poets compose their works Each chapter combines an orientation to its topic and a contribution to the field Specifically the volume introduces a narrative about the advent of modern English poetry from Skelton to Spenser attending to the events that underwrite the poets achievements Humanism Reformation monarchism and republicanism colonization print and manuscript theatre science and companionate marriage Featured are metre and form figuration and allusiveness and literary career as well as a wide range of poets from Wyatt Surrey and Isabella Whitney to Raleigh Drayton and Mary Herbert Major works discussed include Sidney s Astrophil and Stella Spenser s Faerie Queene Marlowe s Hero and Leander and Shakespeare s Sonnets Catalogue of the Library of the Late Charles W. Frederickson Charles William Frederickson, Bangs & Co, 1897 A Household Book of English Poetry. Selected and arranged, with notes, by R. C. Trench Richard Chenevix TRENCH (Archbishop of Dublin.), 1868 **The Oxford Companion to English Literature** Dinah Birch, 2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature *The Athenaeum*, 1846 *Selected Papers on Ancient Literature and its Reception* Philip Russell Hardie, 2023-08-21 This volume gathers together about two thirds of the articles and essays published between 1983 and 2021 by Philip Hardie whose work on ancient literature has been of seminal importance in the field The centre of gravity lies in late Republican and Augustan poetry in particular Lucretius Virgil and Ovid with important contributions on wider Augustan culture on Neronian and Flavian epic on the Latin poetry of late antiquity and on the reception of Latin poetry **Civil Humor** Stephen W. Delchamps, 2002 Individual chapters treat the poetry Ewart contributed to various little magazines during the 1930s and 1940s references in Ewart s poems to poetic craft audience and tradition and his handling of characteristic themes including place the world of work marriage and children and death A full chapter is devoted to the erotically charged poetry for which Ewart was probably best known the author argues that the richness of this poetry arises from the dynamic interplay of two contrasting poetical personae **BOOK JACKET** *Writing after Sidney* Gavin Alexander, 2010-10-14 *Writing After Sidney* examines the literary response to Sir Philip Sidney 1554-86 author of the Arcadia Astrophil and Stella and The Defence of Poesy and the most immediately influential writer of the Elizabethan period It does so by looking closely both at Sidney and at four writers who had an important stake in his afterlife his sister Mary Sidney his brother Robert Sidney his best friend Fulke Greville and his niece Mary Wroth At the same time as these authors wrote their own works in response to Sidney they presented his life and writings to the world and were shaped by other writers as his literary and political heirs Readings of these five central authors are embedded in a more general study of the literary and cultural scene in the years after Sidney s death examining the work of such writers as Spenser Jonson Daniel Drayton and Herbert The study uses a wide range of manuscript and printed sources and key use is made of perspectives from Renaissance literary theory especially Renaissance

rhetoric The book aims to come to a better understanding of the nature of Sidney's impact on the literature of the fifty or so years after his death in 1586 it also aims to improve our understanding both of Sidney and of the other writers discussed by developing a more nuanced approach to the questions of imitation and example so central to Renaissance literature It thereby adds to the general store of our understanding of how writing of the English Renaissance offered examples to later readers and writers and of how it encountered and responded to such examples itself
