The Collectors Encyclopedia Of Buttons:

The Collector's Encyclopedia of Buttons Sally C. Luscomb, 2006 This is the best introduction to the world of buttons that has ever been written Over 3 000 buttons covering all periods materials and manufacturers and current market values all organized in an easy to use encyclopedic format *The Collector's Encyclopedia of Buttons* Sally C. Luscomb, 1967 A complete one volume library of information covering all periods materials manufacturers and every other subject of interest to the button collector

The Scrivener's Button Cabinet Sandra Jackson, 2009 Based on the premise that todays collectibles are tomorrows antiques how can we identify valuable buttons of the twentieth century This book is both a history and pictorial review of clothing buttons left over at the close of an elegant twentieth century store This glimpse and their historical context should help collectors gain a working outline of what was produced and sold during the 1940 to 1990 s in the Southern Texas region of the USA A bonus is the inclusion of many of the favored recipes from the Tea Room *The Encyclopedia of Collectibles: Buttons to Chess sets*, 1978 Profusely illustrated text discusses such antique and collectible items as cookbooks corkscrews coverlets cowboy gear Currier Ives cut glass decoys Depression glass and detective fiction

Civil War Collector's Encyclopedia Francis A. Lord, 2013-07-24 Indispensable reference identifies and describes more than 800 subjects from artillery accoutrements to tools and patriotic sheet music A must have book Antiques Auction News Over 350 rare illustrations

Buttons in the Collection of the Cooper-Hewitt Museum, the Smithsonian Institution's National Museum of Design Cooper-Hewitt Museum, 1982 **American Artifacts of Personal Adornment, 1680-1820** Carolyn L. White, 2005-09-08 Bracelets buckles buttons and beads Clasps combs and chains Items of personal adornment fill museum collections and are regularly uncovered in historical period archaeological excavations But until the publication of this comprehensive volume there has been no basic guide to help curators registrars historians archaeologists or collectors identify this class of objects from colonial and early republican America Carolyn L White helps the reader understand and interpret these artifacts discussing their source manufacture materials function and value in early American life She uses them as a window on personal identity showing how gender age ethnicity and class were often displayed through the objects worn White draws not only on the items themselves but uses their portrayal in art contemporary writings advertisements and business records to assess their meaning to their owners A reference volume for the shelf of anyone interested in early American material culture Over 100 illustrations and tables *Encyclopedia of Ephemera* Michael Twyman, 2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook

with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture
