THE MANDRAKE
CLIZIA

BILINGUAL EDITION

EDITED AND TRANSLATED BY
DAVID SICES AND JAMES B. ATKINSON

The Comedies Of Machiavelli

John Addington Symonds

The Comedies Of Machiavelli:

The Comedies of Machiavelli Niccolo Machiavelli, James B. Atkinson, 2007-09-15 Though better known today as a political theorist than as a dramatist Machiavelli secured his fame as a giant in the history of Italian comedy more than fifty years before Shakespeare's comedies delighted English speaking audiences This bilingual edition includes all three examples of Machiavelli's comedic art sparkling translations of his farcical masterpiece *The Mandrake* of his version of Terence's *The Woman From Andros* and of his Plautus inspired *Clizia* works whose genre afforded Machiavelli a unique vehicle not only for entertaining audiences but for examining virtue amid the twists and turns of fortune *Clizia* Niccolò Machiavelli, 1985

The Comedies of Machiavelli Niccolò Machiavelli, David Sices, James B. Atkinson, **The Comedy and Tragedy of Machiavelli** Vickie B. Sullivan, 2000-01-01 The Italian statesman and political theorist Niccolo Machiavelli wrote not only political tracts but also comedies poems fables and letters that are seemingly lighthearted The contributors to this volume explore the meanings of his works *The Comedy and Tragedy of Machiavelli* Vickie B. Sullivan, 2000 The Italian statesman and political theorist Niccolo Machiavelli wrote not only political tracts but also comedies poems fables and letters that are seemingly lighthearted The contributors to this volume explore the meanings of his works **Five Comedies from the Italian Renaissance** Laura Giannetti, Guido Ruggiero, 2003-07-03 Humor sex and satirized or upturned gender roles and social stereotypes characterize the Latin comedies updated and translated into Italian that became popular in Italy at the turn of the 16th century The translations are by and for scholars of literature and history rather than for production or performance There are explanatory notes but no bibliography or index Annotation c 2003 Book News Inc Portland OR booknews com **Why Machiavelli Matters** John Bernard, 2008-12-30 Machiavelli 1469 1527 is the seminal figure in early modern intellectual history for those living or wishing to live in a functional democracy What Machiavelli is primarily about and what makes him indispensable to those of us living in and struggling to preserve democracy in America is the sum of individual and collective qualities required of a citizen or what he termed *virtu* a host of traits ranging from manliness to boldness ingenuity excellence self esteem and even stoic resignation In a narrative spanning Machiavelli's life and work as one of the world's most fascinating philosophers Bernard illuminates for the modern reader just how relevant his insights are to our own evolving debate on the appropriate relations between religion and politics church and state Besides offering a detailed sketch of Machiavelli as a chancellor in the Italian Soderini Republic 1498 1512 this book examines the man's political philosophy particularly his complex view of republics and principalities in *The Prince* the *Discourses* and the *Florentine Histories* It also establishes the importance of Machiavelli's writing as it evolved during his exile especially in the reflexive passages of his plays *Mandragola* and *Clizia* The book concludes with the potential uses of Machiavellism in 21st century mass democracies as well as presenting ways in which his legacy lives on in our own activities as citizens in a democracy *Machiavelli's God* Maurizio Viroli, 2012-08-05 How Machiavelli's Christianity shaped his political thought To

many readers of *The Prince* Machiavelli appears to be deeply un-Christian or even anti-Christian a cynic who thinks rulers should use religion only to keep their subjects in check But in Machiavelli's God Maurizio Viroli one of the world's leading authorities on Machiavelli argues that Machiavelli far from opposing Christianity thought it was crucial to republican social and political renewal but that first it needed to be renewed itself And without understanding this Viroli contends it is impossible to comprehend Machiavelli's thought Viroli places Machiavelli in the context of Florence's republican Christianity which was founded on the idea that the true Christian is a citizen who serves the common good In this tradition God participates in human affairs supports and rewards those who govern justly and desires men to make the earthly city similar to the divine one Building on this tradition Machiavelli advocated a religion of virtue and he believed that without this faith free republics could not be established defend themselves against corruption or survive Viroli makes a powerful case that Machiavelli far from being a pagan or atheist was a prophet of a true religion of liberty a way of moral and political living that would rediscover and pursue charity and justice The translation of this work has been funded by SEPS Segretariato Europeo per le Pubblicazioni Scientifiche *Renaissance in Italy: Italian literature, pt. 1-2* John Addington Symonds, 1882

Renaissance in Italy John Addington Symonds, 2024-04-24 Reprint of the original first published in 1882

Renaissance in Italy John Addington Symonds, 1888 *The Catholic reaction (2 vols.)* John Addington Symonds, 1888

Italian Literature before 1900 in English Translation Robin Healey, 2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy's most translated authors Dante Alighieri Machiavelli and Boccaccio and other hundreds which represent the author's only English translation A significant number of entries describe works originally published in Latin Together with Healey's *Twentieth Century Italian Literature in English Translation* this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature **Machiavelli's Politics** Catherine H.

Zuckert, 2017-04-25 Machiavelli is popularly known as a teacher of tyrants a key proponent of the unscrupulous Machiavellian politics laid down in his landmark political treatise *The Prince* Others cite the *Discourses* on Livy to argue that Machiavelli is actually a passionate advocate of republican politics who saw the need for occasional harsh measures to maintain political order Which best characterizes the teachings of the prolific Italian philosopher With *Machiavelli's Politics* Catherine H Zuckert turns this question on its head with a major reinterpretation of Machiavelli's prose works that reveals a surprisingly cohesive view of politics Starting with Machiavelli's two major political works Zuckert persuasively shows that

the moral revolution Machiavelli sets out in *The Prince* lays the foundation for the new form of democratic republic he proposes in the *Discourses*. Distrusting ambitious politicians to serve the public interest of their own accord, Machiavelli sought to persuade them in *The Prince* that the best way to achieve their own ambitions was to secure the desires and ambitions of their subjects and fellow citizens. In the *Discourses*, he then describes the types of laws and institutions that would balance the conflict between the two in a way that would secure the liberty of most if not all. In the second half of her book, Zuckert places selected later works, *La Mandragola*, *The Art of War*, *The Life of Castruccio*, *Castracani Clizia*, and *Florentine Histories*, under scrutiny, showing how Machiavelli further developed certain aspects of his thought in these works. In *The Art of War*, for example, he explains more concretely how and to what extent the principles of organization he advanced in *The Prince* and the *Discourses* ought to be applied in modern circumstances. Because human beings act primarily on passions, Machiavelli attempts to show readers what those passions are and how they can be guided to have productive rather than destructive results. A stunning and ambitious analysis, Machiavelli's *Politics* brilliantly shows how many conflicting perspectives do inform Machiavelli's teachings, but that one needs to consider all of his works in order to understand how they cohere into a unified political view. This is a magisterial work that cannot be ignored if a comprehensive understanding of the philosopher is to be obtained.

The Death of Comedy Erich Segal, 2009-06-30 In a grand tour of comic theater over the centuries, Erich Segal traces the evolution of the classical form from its early origins in a misogynistic quip by the sixth century B.C. Susarion through countless weddings and happy endings to the exasperated monosyllables of Samuel Beckett. With fitting wit, profound erudition, lightly worn and instructive examples from the mildly amusing to the uproarious, his book fully illustrates comedy's glorious life cycle from its first breath to its death in the Theater of the Absurd.

The Palgrave Handbook of Humour, History, and Methodology Daniel Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that arise in attempting to understand and represent humour in specific historical contexts across cultural history. It explores problems involved in applying modern theories of humour to historically distant contexts of humour and points to the importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic. It explores problems of terminology, identification, classification, subjectivity of viewpoint, and the coherence of the object of study. It addresses specific theories together with the needs of specific historical case studies as well as some of the challenges of presenting historical humour to contemporary audiences through translation and curation. In this way, the handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances both of the history of humour and of humour in history.

Renaissance in Italy. Italian Literature, in Two Parts John Addington Symonds, 2025-08-12 Reprint of the original first published in 1882. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

Renaissance in Italy: Italian Literature, in Two Parts John Addington Symonds, 1882 **Media and the Restyling of Politics** John Corner, Dick Pels, 2003-08-07 Within media research and cultural studies the mediation of politicians and the play off between versions of high and low politics are attracting increasing interest Media and the Restyling of Politics brings together the work of leading academics in media and cultural studies to pursue an agenda of research analysis and debate about the changing nature of political culture and its mediation The contributors question the ways in which emerging forms of political style relate not only to new conventions of celebrity and publicity but to ideas about representation citizenship and the democratic process Topics covered include celebrity politicians the marketing of politics identity and popular culture

Renaissance in Italy: The Catholic reaction. pt.1, 2nd ed John Addington Symonds, 1920
