Gladchuk, 2013-10-11 This work concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on Un American Activities 1947 investigation of Hollywood the nation s most visible industry served a critical role in conjuring up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee s undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation

**Broadway and the Blacklist** K. Kevyne Baar, 2019-02-04 During the era often commonly known as McCarthyism many motion picture and television creators were blacklisted for supposed communist ties There remained however a creative outlet that still welcomed these artists theatre This book explores the role theatre played during this turbulent period covering the formation of the Theatre Guild which birthed the Group Theatre the short lived Federal Theatre Project and the investigations of the motion picture and television industries and Broadway by the House Un American Activities Committee HUAC Appendices discuss McCarthy s role and present the memos of investigator Dolores Faconti Scotti along with a list of prominent witnesses in HUAC s Broadway hearings and reactions by artists unions in the decades following the blacklist

*The Red Scare, Politics, and the Federal Communications Commission, 1941-1960* Susan L. Brinson, 2004-05-30 The Red Scare at the FCC started when James Lawrence Fly led the agency in many important decisions that were inspired by the New Deal These decisions outraged both the broadcasting industry and politically conservative legislators causing them to accuse the FCC of Communist sympathies This book analyzes the political transition taken by the FCC that turned it into an agency that fully participated in the Red Scare of the 1950s This book analyzes many significant FCC cases and policies that have never been considered within the context of New Deal policymaking or its impact This work is the first to look into the impact of the Red Scare on an executive agency Its combination of new archival and behind the scenes information makes this book a great addition to the growing body of research on media history and regulation

Only Victims Robert Vaughn, 1996 In a dramatic change of role the noted television and film star has written a vivid and incisive account of the House Committee on Un American Activities probe of the entertainment industry from 1938 to 1958 Formed to investigate alleged subversives by the late fifties the committee had succeeded in ruining the careers and sometimes the lives of many of Hollywood and Broadway s top writers and performers Quoting generously from transcripts of its hearings Vaughn shows how the committee s primary purpose was punitive rather than legislative and concludes that its most serious damage to American theatre and film is not easily documented the loss of all the words never written or spoken because of the impact and the fear of the committee s misdeeds

**Deadly Farce** Robert M.

Lichtman, Ronald D. Cohen, 2004 The book traces the rise and fall of Harvey Matusow a wise guy professional informer witness of the McCarthy era whose dramatic recantation led to his own imprisonment but hastened the end of the era No issue so possessed the nation in the first half of the 1950s as alleged Communist subversion in the United States Communist Party member an undercover FBI informer inside the Party and then a leading witness for the government during the McCarthy era until he recanted his testimony His story illuminates a disturbing time in American history one with renewed relevance today Matusow was easily the most flamboyant of the professional ex Communists a celebrity informer who considered himself booked by Congressional committees not just to testify but to entertain He testified that Communists fostered loose sex taught politicized Mother Goose rhymes to small children and tried to infiltrate the Boy Scouts He also named more than 200 people as Communists and was a prosecution witness in major criminal cases transcripts personal interviews private papers and other primary sources most never before utilized to describe the unusual role of ex Communist informer witnesses during the McCarthy era The Justice Department kept several dozen political informers on the government s payroll to testify in hundreds of deportation sedition and contempt of Congress cases Some informers achieved celebrity as the result of high profile appearances at criminal trials and before Congressional committees But as the era continued instances of perjury began to appear Harvey Matusow s sensational recantation in 1955 gave him his biggest audience yet It led to the dissolution of the Justice Department s informer stable and ended the public s infatuation with the group Matusow s unrepentant and at times vaudevillian appearances before the Senate red hunting committee investigating his recantation followed by his prosecution for perjury for the recantation not his original testimony and prison sentence mark the climax of Deadly Farce McCarran and Elizabeth Bentley among many others offers an inside entertaining and closely documented view of a largely untold part of McCarthy era history The columnist Murray Kempton described Matusow as a truly remarkable witness in the opera bouffe sense demanded by inquisitions of the 1950s **The American Paradox**

Congress shall make no law abridging the freedom of speech or of the press Written more than two hundred years ago these words now protect a wide range of expressive activity A broad gauged discussion of freedom of expression in America this book begins by studying the period after the Civil War and Reconstruction when new and unsettling ideas appeared with great regularity on the American scene So many of these ideas were floating around during this period that the nation s leaders often joined forces to repress aberrant notions In response to such suppression individuals seeking to better their lives through the expression of new ideas began to demand their rights to speak write and associate together to advance their points of view Blanchard traces this contest for control through the Watergate scandal of the 1970s and the Reagan and early Bush administrations Blanchard presents a lively discussion of freedom of speech ranging from questions of national security to those of public morality from loyalty during times of national stress to the right to preach on a public street corner Including examinations of controversies involving the press the national government the Supreme Court and civil liberties and civil rights concerns Revolutionary Sparks presents a strong case for the right of Americans to speak their minds and to have access to knowledge necessary for informed self government
