The Christian Prophet And His Work:

Discourses on Various Subjects Relative to the Being and Attributes of God, and His Works in Creation, Providence, and Grace Adam Clarke,1831 The Miscellaneous Works of Adam Clarke Adam Clarke,2025-09-28 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure

that these works are made available to the public in good condition in order to preserve their cultural heritage **The Fundamental Doctrines of the Christian Faith** Reuben Archer Torrey,1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church s history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form *CHRISTIAN THEOLOGY* R. A. Torrey,Edward D. Andrews,2022-07-17 Torrey and Andrews have taken deep theological subjects and made them easy to understand *CHRISTIAN THEOLOGY* What the Bible Teaches about God Jesus Christ the Holy Spirit Man Angels and Satan the Devil Torrey offers the readers a listing of propositions of what the Bible teaches in Theology and verses that support each statement while Andrews digs deeper into what the authors meant by their words Uncovering the Treasures of the Apocalypse David L. Mathewson,2022-07-15 The book of Revelation continues to baffle and confound present day readers Its strange imagery and the bewildering number of interpretations of the book have left most readers paralyzed with fear What is needed is a book that introduces the reader to the most important keys to keep in mind when interpreting the last book of the Bible This book provides just that it offers explains and illustrates five of the most crucial keys for unlocking the message of the Apocalypse These keys grow directly out of the kind of book Revelation is and reads it as the word of God for the church It leads the reader to take Revelation seriously as a message first addressed to seven historical churches in the first

century before reading it as the word of God for today These five keys can instill greater confidence in understanding the book that has always been out of the reach of most readers **Jesus Christ: his life and his work** Frederic Amadeus Malleson,1880 *The doctrine of man* Augustus Hopkins Strong,1907 *The Christian Prophet and His Work* Adam Clarke,2000-02-01 Redeeming Philosophy Vern S. Poythress,2014-10-31 Who am I Why am I here Where do I find meaning Life is full of big questions The study of philosophy seeks answers to such questions In his latest book prolific author Vern Poythress investigates the foundations and limitations of Western philosophy sketching a distinctly Christian approach to answering basic questions about the nature of humanity the existence of God the search for meaning and the basis for morality For Christians eager to engage with the timeless philosophical issues that have perplexed men and women for millennia this is the place to begin **Peloubet's Select Notes on the International Bible Lessons for Christian Living** Alice Peloubet Norton,1894 **A Manual of Christian Doctrine** John Shaw Banks,1897 **Nostradamus, Branham and the Little Book:** Patricia Ann Sunday,2012-11-09 For 457 years the Prophet Nostradamus has been a MYSTERY Hidden in dark speech he was misunderstood and rejected by the Protestant Christian Church forbidden to be read by the Catholic Church and totally discredited by psychics and worldly interpreters as being in the Occult However it was the occult interpreters that were instrumental in keeping his work alive and mysterious Written from a Christian perspective many questions about this mysterious man Nostradamus and why his work has endured so long are answered in this book Reverend Sunday has discovered the secrets and the intentions of his lifes work and you will be amazed to find out WHO Nostradamus really was If you are curious about Planet X Wormwood then you will find out how that ties into these hidden revelations There always comes a time when hidden things are revealed to a Prophet Daniel 2 22 Amos 3 7 The second Prophet William Branham was way ahead of his time in his understanding of supernatural phenomenon and his revelations on the Book of Genesis regarding the apple and its sexual connotations lost him favor with the approved church then and now Prophets are rarely understood in their own age These TWO PROPHETS were brought together to this unknown Sophe Scribe chosen to disclose the hidden amazing information and revelation for our day To GOD be the GLORY Prepare the way for the Lord *Newton on the Christian Life* Tony Reinke,2015-05-31 John Newton is best known as the slave trader turned hymn writer who penned the most popular English hymn in history Amazing Grace However many Christians are less familiar with the decades he spent in relative obscurity laboring as a spiritual doctor while pastoring small parishes in England In the latest addition to Crossway s growing Theologians on the Christian Life series Tony Reinke introduces modern readers to Newton s pastoral wisdom by leading them through the many sermons hymns and most importantly letters that he wrote over the course of his life Considered by many to be one of the greatest letter writers of all time Newton has valuable insights to offer modern Christians especially when it comes to fusing together sound doctrine lived experience and godly practice Part of the Theologians on the Christian Life series **The Works of Thomas**

Anthony Collins The Man and His Works James O'Higgins,2012-12-06 This book is the study of a man who caught my interest both because of his own character and of the variety of his activities It is an attempt to see him in his relationship intellectual and literary with the Europe of his day to gauge his position in the development of Seventeenth and Eighteenth century thought to examine the origins of his ideas and their effect and to place him in the social context of the England of the early Eighteenth century The period in which he lived coming at the beginning of the Enlightenment was seminal for our own world and the man himself is of contemporary significance because of the similarity of his outlook if not of his beliefs to that of many today He was at the centre of the major theological controversy of the Seventeen twenties and was one of the most contentious figures of his time I would like to acknowledge my obligation to the scholars and librarians who have assisted me in producing this work to Dr E A O Whiteman of Lady Margaret Hall Oxford and to Mrs M Kneale late of the same College to Bodley s librarian Dr R Shackleton to Dr D Rogers Mr D G Neill and to the staff of the Bodleian especially those who work in Duke Humphrey to the librarians of Christ Church All Souls St John s Wadham Exeter and Corpus Christi Colleges Oxford to Mr F G Emmison Miss H E T

The Oxford Handbook of the Book of Revelation Craig R. Koester, 2020. The Book of Revelation holds a special fascination for both scholars and the general public. The book has generated widely differing interpretations, yet Revelation has surprisingly not been the focus of many single-volume reference works. The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book. Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation. Divided into five sections: Literary Features, Social Setting, Theology and Ethics, History of Reception and Influence, and Currents in Interpretation, the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research.
