Lone Star Loving Martha Hix,2016-09-06 PASSION TEMPTED HER Charity McLoughlin had gotten herself into another mess Her wealthy family had disowned her her purse was empty and worst of all she d been tricked into smuggling Texas silver into Mexico Now the law was after her She wasn t sure whether being abducted by a ruggedly handsome stranger who called himself Hawk meant her fortunes were looking up or down The one thing she didn t doubt was the fiery attraction she felt for this hard muscled man Perhaps she wouldn t try to get away just yet Instead maybe for just one night she would surrender to the raging desires that his slightest touch stirred in her DESIRE ENSLAVED HIM David Fierce Hawk had decided long ago that he d take one of the McLoughlin daughters as his wife because of the kindness and beauty he d seen in their mother But he wasn t sure he wanted this daughter Charity the blue eyed hellcat he d agreed to bring back to the family fold She was certainly in a good deal of trouble And Hawk had been betrayed by those he d tried to help before including his Osage Indian tribesmen But for now he was willing to forget the future He was alone with Charity under the starry Texas skies and his lustful thoughts could not be denied He d not pass up this chance to twine his hands through her glorious sable locks and sample the lush pleasures that this wild and lovely woman offered Praise for Martha Hix A romantic mixture of sensitivity humor and spice Martha Hix s delicious love story offers a refreshingly atypical heroine RT Book

Oregon Pioneer Cattle Barons Dorys Crow Grover,2017-10-26 Much as men rushed to the California gold fields a small group of proud and visionary cattlemen heard of the boundless open and free range land of Central and Southeastern Oregon in the mid 1800s and brought their herds there Sometimes called Cattle Kings or Cattle Barons they ruled with painstaking vigor occasional cruelty and tenacity the untitled land Thousands of their cattle and horses grazed on the boundless prairies Four men who built cattle empires were John Devine Peter French Bill Hanley and Henry Miller One of these four barons eventually owned it all Smaller ranchers were tolerated but bun carrying vaqueros discouraged intruders particularly sheep men and homesteaders Their empires lasted until the mid 1900s but during their time they made the era legendary in the history of the region

Poetry of Arctic and Life Experiences Edward Collinson,2003 As a child I could not understand why the children got punished because their parents were going through hard times It was the child that got the blame for the wrongs of the adult The child was put into homes that needed workers to help on the farms and they were placed their by the Children s Aid The family was split up so there was no one to play with and in the end the games were played in the ones own mind My poem I Walk Alone reflects on my pains as a child experiencing difficult times in foster homes and being separated from my family When I grew older to

confirm to myself that I had become a man and that I could live on my own I joined the Canadian Armed Forces I suppose at the same time I was looking for friendship But to tell you the truth I have never been able to experience a lifetime friendship I have kept in touch with one army friend but you could not call it close friends as he did not extend the same willingness to carry on our friendship This isolation shows up in many of my poems such as To Walk in Memories The abuse caused by the welfare is one of my most heart felt poems as when I retired The hard time they gave me in trying to get financial assistance for me and my grandchild was a paltry 116 month This financial difficulty cumulated with the frustration of not been able to work for a living gave me the anger inside that inspired me to write poetry for this book I am not a story writer I did it in poetry because it seems easier for me to express my thoughts in short writings There are several poems that relate to the challenges I faced with welfare Welfare Pay Day is one such poem Religion is another hard subject for me as it creates a lot of contradictions both in reading it and listening to someone preaching it Blame It on My Brother and What is Sin are two poems that express my thoughts on the ambiguity of religion In our society we have courts and corruption of courts they call this law In Rule by Elders I write One word in law becomes a book and in the end the meaning mistook The drunkenness of judges and lawyers up here was pretty bad They have tried to clean some of it up but what of the lives they ruined when the were drunk in the court rooms themselves There is no law when you say to the First Nations that you are under apartheid which the Indian Act is but we call it equality The Indian Act is one law that we cannot have in our society We cannot have equality when the laws are different for different groups of people They say it is because of the government But to my mind that is even worse as they are the ones that are supposed to make society equal I have done many years hunting and trapping up here in the Arctic We had wide open trap lines but you respected the other person s line If another trapper was on a certain line first you made your line some place else Most of us just got enough fur to support our families It was the white man that thought himself one step higher and in the end destroyed the life in the bush for both himself and the natives I have several poems on my life in the bush for example The Hunter *The Witchcraft Collection Volume Two* Frank Gaynor, Edwin Radford, Mona A. Long, 2011-08-09 A thrilling and passionate debut about a sheltered landowner's wife whose life is turned upside down when she visits the royal court in seventeenth century Mexico When Josefina accepts

an invitation from the Marquessa to come stay and socialize with the intellectual and cultural elite in her royal court she is overwhelmed by the Court's complicated world. She finds herself having to fight off aggressive advances from the Marquessa's husband but is ultimately unable to stay true to her marriage vows when she becomes involved in a secret affair with the local bishop that leaves her pregnant. Amidst this drama, Josefina finds herself unexpectedly drawn to the intellectual nuns who study and write poetry at the risk of persecution by the Spanish Inquisition that is overtaking Mexico. One nun in particular, Sor Juana Ines de la Cruz, teaches Josefina about poetry, writing, critical thinking, the nature and consequences of love, and the threats of the Holy Office. She is Josefina's mentor and lynchpin for her tumultuous passage from grounded wife and mother to woman of this treacherous, confusing, and ultimately physically and intellectually fulfilling world. The WPA Guide to Texas Federal Writers' Project, 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. Equaling the massive size of the state, the WPA Guide to Texas is just as expansive at 716 pages. From the Panhandle to the Rio Grande Valley, the Lone Star State's landscape is as varied as its political and cultural past. Having been under the control of six different nations, flags, the history section is particularly rich. The guide also includes a helpful list of books about the state. The Parliamentary Debates Great Britain. Parliament, 1908 Cowboys and Kisses Karin Kallmaker, 2022-04-01 A one-way stage ticket to the frontier leaves a young woman penniless and alone in Long Grass, Wyoming. With no other hope than to survive another day, she takes up the only profession open to her. Years later, she encounters the cowboy she can love and her first taste of pleasure and happiness. Cowboys, however, are born to wander, and their kisses are as brief as the lives of young women without family or means. Accepting that her days will be numbered, too few, Darlin escapes into her scribbles where her dreams of freedom can soar over the limitless prairie. When she recognizes her own truth and a chance for love in the longing gaze of a townswoman, will she finally find kisses she can trust? Two determined women in a hostile world save themselves and each other in a lyric, sensual love story as only Karin Kallmaker can tell. **The Flame and the Candle** Dominic Price, 2012-03-07 This is the story of Mayo men and women active during the War of Independence and the Civil War, a story largely untold or forgotten.
