The Christmas List:

The Christmas List Richard Paul Evans, 2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of *The Christmas Box*, *Grace*, *The Gift* and *Finding Noel*. The New York Times bestselling author of *The Christmas Box* and *The Walk* series returns with a holiday novel of hope, love and redemption. Dear Reader, When I was in seventh grade my English teacher Mrs. Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries. Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500. At the time I hadn't considered writing as an occupation, a field with a remarkably low on-the-job casualty rate. What intrigues me most about Mrs. Johnson's assignment is the opportunity she gave us to confront our own legacy. How do we want to be remembered? That question has motivated our species since the beginning of time, from building pyramids to putting our names on skyscrapers. As I began to write this book I had two objectives. First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them. Their legacy. Second I wanted to write a Christmas story of true redemption. One of my family's holiday traditions is to see a local production of Charles Dickens's *A Christmas Carol*. I don't know how many times I've seen it, perhaps a dozen, but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull, tight-fisted miser into a penitent, giddy schoolboy man with love in his heart. I always leave the show with a smile on my face and a resolve to be a better person. That's what I wanted to share with you, my dear readers, this Christmas: a holiday tale to warm your season, your homes and your hearts. Merry Christmas.

The Christmas List Pete Nelson, 2008-09-14 The uplifting conclusion of *The Christmas List*, a heartwarming account of the power of encouragement and appreciation, is based on a true story that circulated on the Internet. A nun told her fourth-grade students to write their names on a piece of paper and then pass the paper to the next person who was to write a sentence of appreciation about the person named at the top. When the exercise was done, each student had twenty-four comments of admiration and appreciation, one from each classmate. *The Christmas List* follows James Engler, who returns home to Iowa one Christmas after his fiancée calls off their marriage and discovers that his best childhood friend Mike has just been killed in the Gulf War. When Mike's parents reveal at a memorial service that Mike had carried his fourth-grade list with him, most of James's former classmates confess that they too kept their lists as a reminder, even in the worst of times, of their admirable traits and that they were appreciated. James also renews his acquaintance with his former classmate Sarah, who wrote on his list, "You are a great guy and some day I'm going to marry you." And she does.
