**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1973      Fundamental Christian Ethics Daniel Heimbach, 2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues      Ecclesiology in the Trenches Sune Fahlgren, Jonas Ideström, 2015-09-01 The field of ecclesiology is rapidly expanding as new material, theories, methods, and approaches are being explored. This raises important and challenging questions concerning ecclesiology as an academic discipline. This book takes the reader into the trenches of ecclesiological research where the actual work of reading, writing, interpreting, and analyzing is being done. The authors reflect on fundamental questions concerning theory and method in ecclesiology in relation to concrete and actual research projects. Ecclesiology is dealt with as a systematic, empirical, historical, and liturgical discipline. Essays explore theology in South Africa as shaped by apartheid, liturgical theology, the diaconate in an ecumenical context, Free Church, preachership, suburban ecclesial identity, medieval church practices, liturgical texts, church floor plans, and ecclesiology as a gendered discipline. Ecclesiology in the Trenches is a book for anyone who is interested and involved in ecclesiological research. It is also an example of a reflective approach to academic work. The book can be read as an overall argument for ecclesiology as a theological discipline with great potential for studying the church as a theologically defined empirical phenomenon.      **The Francis Schaeffer Collection: True Spirituality / He Is There and He Is Not Silent** Francis Schaeffer, 2016-11-08 This collection bundles two of popular author Francis A. Schaeffer's spirituality classics into one e-book for a great value. True Spirituality Francis Schaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people's lives. True Spirituality, a twentieth-century spiritual classic, outlines the result of his effort to start at the beginning and re-examine his faith. The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life. Includes a foreword by Chuck Colson and an introduction by Dr. Jerram Barrs, director of the Schaeffer Institute. He Is There and He Is Not Silent In He Is There and He Is Not Silent Francis Schaeffer, philosopher, popular speaker, and founder of L'Abri Fellowship in the Swiss Alps, addresses some of the most perplexing questions to believers and unbelievers alike: Does God exist? Does it make sense to believe in God? Can we ever know God? During his life, Francis Schaeffer welcomed questioners and doubters from all walks of life to L'Abri Fellowship. For Schaeffer, Christianity expressed the ultimate truth. That is why he never shunned doubts and questions by honest seekers. He knew the truths in the Bible would always prove themselves when they were thoroughly investigated by an open mind and heart. From the intriguing late-night discussions at L'Abri came a series of compelling books from Francis Schaeffer: The God Who Is There, Escape from Reason, True Spirituality, and this classic book every Christian should own, He Is There and He Is Not

Silent **Ten Great Ideas from First Corinthians** George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change After the Revolution David J. Ayers, 2022-06-01
