The Church Divided Robert L. Wise, 1986-01-01 *The Work of the Ministerial Staff* James H Hudson, 2003-10 **The Christian Countercult Movement** Douglas E. Cowan, 2023-08-24

Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular anticult counterpart and explains how faith based opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian worldview

Bearing False Witness? Douglas E.

Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah's Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges. Declaring newer religious groups cults, aberrant sects, and heretical religions, the Christian countercult movement has warned that these groups represent a threat to society. In *Bearing False Witness*, R. Cowan considers the Christian countercult as a whole, locating it in sociological perspective as an entity distinct from the secular anti-cult movement. Through his analysis, the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions. This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have, in addition to how those responses are carried out. Unlike the anti-cult movement, which is concerned with removing individuals from cults and returning them to their families, the Christian countercult movement, according to the author, attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves. Beginning with the countercult's early history, the author provides an historical account of the movement and its present activities. Since the rise of new religious movements, the growing interest in religions imported from outside North America, and the broadening of the religious marketplace, understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important.

The Seduction of Christianity Jill Shannon, 2011-07-28 The Book of Revelation offers rewards to those who have overcome demonic activity, trials, and temptations. *The Seduction of Christianity* equips the Church to overcome the battles, deceptions, and seductions that will assail her in the final hours of this age. Subjects covered in depth include: Knowing your Destiny, False Prophets, True and False Revival, Fear of the Lord, Martyrdom, Righteous Judgments, Strange Fire, Sexual Brokenness, Seduction, Preparation of the Bride. *The Seduction of Christianity* is a mandate to the end-times Church, combining mature biblical teaching with revelatory encounters. The onslaughts and upheavals that will confront you require the Church to move quickly into a new level of resolve, discipline, and authority. You will be ready to face down the seducer and take your rightful place beside the King of kings and Lord of lords.

Christianity with Power Charles H. Kraft, 2005-07-25 Power. Politicians crave it. Money buys it. And some people will do anything to get it. In a world where New Agers rely on crystals and channeling to tap into spiritual power, the Christian is reminded that Jesus used supernatural power to heal the sick, cast out demons, and raise the dead. Two thousand years later, the world still desperately needs a Savior who works in power. However, many modern Christians are embarrassed and reluctant to preach a gospel accompanied by supernatural power. Our Western worldview conditions us to fit God into a neat, predictable mold. But Kraft is convinced that the power of the gospel will not be confined to our categories. Step by step, he offers a biblical understanding of signs and wonders and shows how Christians can become God's instruments to heal the sick, to work miracles, and to

oppose the counterfeit powers of this age There is something that makes Christianity with Power quite possibly great maybe even a major publishing event to be noted some day when the history of the modern church is written Kraft helps us as no one else has in understanding our Western worldview in relation to the way the Holy Spirit is working today from the Foreword Seduction of the Heart Tim LaHaye, Ed Hindson, 2010-06-14 Christians are engaged in the ultimate battle the battle for the heart The overwhelming influences of the media materialism and selfish ambition threaten to decay even the most tender of hearts While the world screams to the contrary every Christian must fight to maintain a clear conscience and discover what it really means to have the heart of God On the heels of his New York Times bestseller Mind Siege Tim LaHaye with Ed Hindson equip readers with armor to guard their hearts and draw nearer to God Some chapter titles include The Battle for the Heart The Ultimate Deception The Erosion of Trust A Prescription for the Heart Finding God's Heart The Charismatic Movement Charles Edwin Jones, 1995-04-28 indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day U S CHOICE THE ANOINTING AND POWER OF THE HOLY SPIRIT GODSWORD GODSWILL ONU, *Miscellanies of Divinitie Divided Into Three Books* Edward Kellet, 1633 China's Church Divided Paul P.
