The Church Is Israel Now:

The Church Is Israel Now Charles D. Provan, 2024-01-10 During this century Christians have been told over and over again that God has an unconditional love for Old Testament Israel by which is meant that God's love is directed toward persons racially descended from Abraham regardless of faith or obedience Membership in Israel therefore is viewed as a matter of race not faith The Church is Israel Now demonstrates that the Bible totally repudiates this racist viewpoint Being a member of Israel in the Old Testament was dependent upon faith and obedience to God When the Israelites obeyed God God loved them But when they turned from Him He hated them stripping them of their Israelite status After centuries of Israelite rebellion against God culminating in their rejection of Jesus the Messiah the titles attributes and blessing of Israel were transferred to all those who accepted Jesus Christ as Lord and Savior and to no one else regardless of Abrahamic descent The church is Israel now

Israel and the Church Amir Tsarfati, 2021-04-06 Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God's unique purpose and plan for both Israel and the Church His refutation of Replacement Theology is profound and yet easy to understand This book answers a lot of questions many prophetic writers are afraid to ask Dr David Jeremiah As the day of the Lord rapidly draws near we must appreciate God's plans for all His people To truly grasp Bible prophecy we must first understand how God's promises to Israel complement His vision for the church While some believe God has forsaken Israel for the church this goes against the nature of the faithful Lord we find in Scripture In his latest book native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God's unique master plans for His two chosen groups Israel and the church Amir gets to the heart of key questions such as Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today Has God replaced rebellious Israel with the church Now that the church exists does Israel possess a distinct role in the present age How are current events in Israel relevant to the church What should the church's attitude be toward Israel Israel and the Church provides a fascinating look at all that God has prepared for His two peoples and why it's so relevant to us today

The Church Has Not Replaced God's Israel Pelham Gross, 2005-10 Seminary trained Gross states that it's impossible to relegate Israel to less than her biblical role To replace Israel with the church is wrong and dangerous because nothing in the Bible suggests God will ever change his mind about Israel's essential role in world politics or the individual lives of believers

The Story of Israel C. Marvin Pate, J. Scott Duvall, J. Daniel Hays, E. Randolph Richards, W. Dennis Tucker Jr., Preben Vang, 2004-10-22 This book by C Marvin Pate J Scott Duvall J Daniel Hays E Randolph Richards W Dennis Tucker Jr and Preben Vang explores the unitive theme of the story of Israel from Genesis to Revelation offering both close up examinations of key texts and panoramic shots of the biblical terrain to unfold an intriguing and compelling perspective on biblical theology

Israel's Law and the Church's Faith Stephen Westerholm, 1988 Westerholm is admirably concerned to focus our attention on Paul's theology specifically on the theological issues that arose for the Apostle

in his valiant attempt to assess the role of the law after the advent of Christ Beginning with an unusually mature account of the debate that is currently raging over Pauls understanding of the law Westerholm has provided an analysis of his own that will certainly claim the attention of all students of Paul the theologian J Louis Martyn This is the most clearly written and understandable treatment of the debate over the law in Pauline thought that I have seen Robert Jewett Westerholm has produced an illuminating engaging and refreshing book He sets forth the views of major interpreters of Paul with clarity and candor engages them and then makes proposals of his own which are both well considered and instructive The book is both interesting and informative a readers delight Arland J Hultgren **The Banner of Israel** ,1915 The People, the Land, and the Future of Israel Bock, Darrell L. ,Glaser, Mitch,2014-08-21 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God s plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God s peace process in the Middle East The People the Land and the Future of Israel walks through the Bible s account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God s unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion **The Old and the New** Laurent Clemenceau,2022-12-06 In a highly accessible way The Old and the New is a call for Christians to discover or rediscover the richness of the Bible through a study of the links that unite the Old and the New Testaments which Pastor Laurent Cl menceau shows as the heart of the message of the early witnesses of the gospel and of Christian faith today In doing so the author invites readers to discover how the Bible presents the identity and work of Jesus Christ that as Blaise Pascal wrote lie at the center of both Testaments the Old as its expectation the New as its model It is a call to contemplation witness and celebration *The Old Testament as Authoritative Scripture in the Early Churches of the East* Vahan Hovhannessian,2010 The Old Testament as Authoritative Scripture in the Early Churches of the East represents the latest scholarly research in the field of Old Testament as Scripture in Eastern Christianity Its twelve articles focus on the use of the Old Testament in the earliest Christian communities in the East The collection explores the authoritative role of the Old Testament in the churches of the East and its impact on the church s doctrine liturgy canon law and spirituality **Israel and the Church** Ronald E. Diprose,2025-08-14 Modern Israel and its relations with its Arab neighbors has been conspicuously in the daily news ever since World War II Until that time the concept of Israel and a continuing Jewish people had been hovering in the distant background of Christian thought and doctrine since the post apostolic era In this important work Dr Diprose demonstrates the uniqueness of Israel and its special place in the divine plan

By carefully reviewing relevant New Testament and post apostolic writings the author traces the origin and development of Replacement Theology the concept that the Church has completely and permanently replaced ethnic Israel in the outworking of God's plan throughout history challenging its origin and role in the development of Christian thought on the future of ethnic Israel *From Israel with Love* Dennis R Wilson, 2011-09 **Theologizing in the Radical Middle** Ryun H. Chang, 2018-09-17 This book doesn't endorse any systematic theology rather it's about how we theologize Why do two equally trained theologians studying the same book and loving the same Lord arrive at such different conclusions This theological disagreement at times becoming personal spills over from the academia to seminaries and churches And if history is any indicator this always weakens the unity of the church Who needs unity when correct doctrines are at stake right But is the defense of all doctrines worth foregoing the unity of the church despite Jesus prayer that they may be one even as we are one At bottom our theological contentiousness stems from not recognizing that the way biblical revelation is framed is not designed to be handled the way seminaries typically do Regardless we strive for the rightness of our tidy theology even disowning those who disagree while doing so The disavowal of continuationists by the Strange Fire crowd is the most recent instance in a long line of placing doctrinal purity over the unity of the body This book uncovers how Scripture is really structured and how therefore we need to theologize differently so that we may grow spiritually in Word and Spirit

Collected Writings by John Nelson Darby Volume Eleven John Nelson Darby, 2015-01-07 Volume Eleven contains the following Lectures on the Second Coming of Christ Remarks on three tracts entitled Signs of the Coming of the Lord for whom are they given A few brief remarks on A Letter on Revelation 12 Elements of Prophecy in connection with the Church the Jews and the Gentiles Brief Analysis of the Book of Daniel Short but serious Examination of the Fundamental Principles issued by Mr Gaussen in his book entitled Daniel the Prophet What Saints will be in the Tribulation The Rapture of the Saints and the Character of the Jewish Remnant Are there Two Half Weeks in the Apocalypse The Blessing of the Tribes by Jacob The Coming of the Lord and the Translation of the Church Brief thoughts on the Apocalypse Brief Remarks on the Work of Rev David Brown D D entitled Christ's Second Coming is it Pre Millennial **The Non-Protestant Baptists** Wm. F. Bekgaard, 2008-11-21 This book is a detailed study on the nature of the Church as found in the New Testament It is also a defense of the antiquity of the Baptists showing that it is of neither Protestant nor Reformation era origin It contains an analysis of those people and churches known as Anabaptists Christian Attitudes Towards the State of Israel Paul Charles Merkley, 2001 During the 1947 United Nations debate on the future of Palestine world opinion was powerfully affected by news of the Holocaust and the plight of Jewish refugees creating a momentary humanitarian advantage that helped mobilize support for the creation of the state of Israel However almost as soon as it became clear that the Jews had won their war for independence anti Zionists within Christianity reasserted themselves A pro Arab bloc of Western missionaries at the World Council of Churches echoed the anti Zionism that has always characterized those churches which today constitute the Middle

East Council of Churches while the Roman Catholic Church never friendly to Zionism advocated the internationalization of Jerusalem to diminish the Jewish presence in the heart of the Holy Land Mainstream Protestantism championed Palestinian nationalism and still does not hesitate to portray Israel as an oppressor but most evangelical Christians see Israel's restoration as a part of God's plan In Christian Attitudes towards the State of Israel Paul Merkley demonstrates that polarized opinion continues to affect how Israel is perceived today [The Case for Progressive Dispensationalism](#) Robert Saucy, 2010-12-21 Debate abounds on the future of Israel and Israel's relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God's program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought **Believer's Bible Commentary** William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer's Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer's Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **Bible Prophecy: The Essentials** Amir Tsarfati, Barry Stagner, 2023-01-03 As the Day of Redemption Draws Nearer In this age of uncertainty Christians want and need more than ever before to understand what the Bible reveals about the future As authors Amir Tsarfati and Barry Stagner teach on the end times their question and answer sessions remain a massively popular part of their ministry demonstrating people's profound hunger to know more about the last days In Bible Prophecy The Essentials Amir and Barry team up to answer 70 of their most commonly asked questions Through succinct

Scripture focused teachings Amir and Barry address seven foundational themes of Bible prophecy Israel the church the rapture the tribulation the millennium the Great White Throne judgment heaven When studied with wisdom and discernment God's Word provides all you need to know about what is to come User friendly and organized by topic Amir and Barry's thoughtful and informative question and answer book will become your go to resource as you prayerfully grow in your understanding of Bible prophecy

What Should We Think About Israel? Randall Price, 2019-08-27 The One Resource with All the Facts You hear about Israel in the news regularly but beyond the many opinions and preconceptions do you really know what to make of the conflicts and controversies in the Middle East What Should We Think About Israel exposes the main current issues and provides well researched objective facts to help you learn the truth about Israel's past present and future This compilation from experts including Walter Kaiser Jr David Brickner Mitch Glaser Michael Brown Arnold Fructenbaum and Steven Ger will help you answer the tough questions What is the history of the strife and suffering that continues in Israeli and Palestinian territories and what are the potential solutions What are the significant and long term implications of locating the US Embassy in Jerusalem Why is the Holocaust still such a big deal nearly 75 years after it happened What is the Boycott Divestment Sanctions movement all about What is being done to restore relations between Jews and Arabs Learn from respected scholars how to look past the heated debates and discern for yourself what is important to know about Israel and how that affects you today

For Zion's Sake Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology
