Rising Anthills Elisabeth Bekers, 2010-08-05 Female genital excision or the ritual of cutting the external genitals of girls and women is undoubtedly one of the most heavily and widely debated cultural traditions of our time By looking at how writers of African descent have presented the practice in their literary work Elisabeth Bekers shows how the debate on female genital excision evolved over the last four decades of the twentieth century in response to changing attitudes about ethnicity nationalism colonialism feminism and human rights *Rising Anthills* the title refers to a Dogon myth analyzes works in English French and Arabic by African and African American writers both women and men from different parts of the African continent and the diaspora Attending closely to the nuances of language and the complexities of the issue Bekers explores lesser known writers

side by side with such recognizable names as Ngugi wa Thiong'o, Flora Nwapa, Nawal El Saadawi, Ahmadou Kourouma, Calixthe Beyala, Alice Walker, and Gloria Naylor. Following their literary discussions of female genital excision, she discerns a gradual evolution from the 1960s when writers mindful of its communal significance carefully wrote around the physical operation through the 1970s and 1980s when they began to speak out against the practice and their societies' gender politics to the late 1990s when they situated their denunciations of female genital excision in a much broader international context of women's oppression and the struggle for women's rights.

The Circling Song Russell Cruse, 2011-10-08 Private Lawrence sees the world differently from those around him. Unfortunately, those around him are the British Army. To Dr Pennyworth Private Henry Lawrence appears to be just another wounded soldier, but slowly he begins to realize that Lawrence experiences the world in a unique and inexplicable manner. From the chaos of The Great War, Lawrence begins to create order. And Physics is struggling to keep up Pennyworth and Dr Caroline Charteris, a Cambridge mathematician widowed by the war, work together to unlock the mysterious mind of Henry Lawrence and to determine how he intends to use it. Then they must decide whether to assist him or stop him. The story of Henry Lawrence is told here through the correspondence, private papers, and published works of those who knew him.

[A Daughter of Isis](#) Nawāl Sa'dāwī, 1999 Nawal El Saadawi has been pilloried, censored, imprisoned, and exiled for her refusal to accept the oppressions imposed on women by gender and class. In her life and in her writings, this struggle against sexual discrimination has always been linked to a struggle against all forms of oppression: religious, racial, colonial, and neo-colonial. In 1969 she published her first work of non-fiction, *Women and Sex*. In 1972 her writings and her struggles led to her dismissal from her job. From then on, there was no respite: imprisonment under Sadat in 1981 was the culmination of the long war she had fought for Egyptian women's social and intellectual freedom. *A Daughter of Isis* is the autobiography of this extraordinary woman.

[Put Your Hands on Your Hips and Act Like a Woman](#) Gale P. Jackson, 2020-04-01 In a gathering of griot traditions fusing storytelling, cultural history, and social and literary criticism, *Put Your Hands on Your Hips and Act Like a Woman* remembers and represents how women of the African diaspora have drawn on ancient traditions to record memory, history, and experience in performance. These women's songs and dances provide us with a wealth of polyphonic text that records their reflections on identity, imagination, and agency, providing a collective, performed autobiography that complements the small body of pre-twentieth-century African and African American women's writing. Gale P. Jackson engages with a range of vibrant traditions to provide windows into multiple discourses, as well as new and old paradigms for locating the history, philosophy, pedagogy, and theory embedded in a lineage of African diaspora performance and to articulate and address the postcolonial fragmentation of humanist thinking. In lyrically interdisciplinary movement across herstories, geographies, and genres, cultural continuities, improvisation, and transformative action, *Put Your Hands on Your Hips and Act Like a Woman* offers a fresh perspective on familiar material and an expansion of our sources, reading, and vision of African diaspora, African American, and American literatures.
