The Claims Of Christ What Jesus Had To Say About Himself:

The Claims of Christ Barry L. Davis, 2001-07-27 Who is Jesus Christ What did He stand for What was His purpose in coming to earth How does He want us to relate to Him today All these questions were answered over 2 000 years ago by the Christ Himself Jesus very clearly explained exactly who He was and why He came in the Gospel accounts This volume explores Jesus claims and what they mean to us today It invites us to sit in on Jesus teachings by both examining the cultural setting in which they were made and how they still speak to our contemporary culture with amazing relevance **The**

Claim of God Ethan A Worthington, 2016-01-28 Through close readings of Karl Barth s theological work from 1916 to 1929 this book offers an exposition of Barth s doctrine of sanctification in his earlier theology arguing that from his earliest writings after 1915 the doctrine of sanctification was one of the key theological components used in describing the encounter between God and humanity in a positive and concrete manner This book both fills an important gap in Barthian scholarship and responds to the appeal by other recent interpreters of Barth s theology for a more balanced and careful exposition of his work Throughout the course of this exposition the force of Eduard Thurnyesen s wonderfully insightful comments about Barth show themselves to be fruitfully borne out within his work from early on That is Karl Barth s theological thinking was from the beginning directed to the life of man the life of man on the one side and on the other the Word of God that meets this life lays hold of it and transforms it *What Is Wrong With the Bible?* Charles Giuliani, 2018-07-26 The Bible is the
