The Complete Works of C. H. Spurgeon, Volume 52 Spurgeon, Charles H., Volume 52 Sermons 2968-3019 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the

Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon A Portrait of Jesus T. A. Prickett,2010-08-03 The impulse to publish these sermons came to me after I had successfully published my book For Our Age of Anxiety based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus **The Cobbler and his Rose E.**

Vera Schiff, Jeff McLaughlin, 2020-01-17 It is important to remember not just what the Holocaust was but the individuals who were the subjects of its unrelenting Nazi brutalities. Written by a survivor about the people she knew and cared for, these eight stories fight against the depiction of Jews as victims and victims only and individualize a tragedy that is too often abstracted into dates and statistics. Amidst the dramatic narrative, there is a brutal honesty and frankness that makes these stories far more infuriating, sad, and shocking than any fictional attempt to convey what it was like to be human in such inhuman circumstances. These biographies remind readers of the consequences of hate upon the fragile beauty and complexity of human life. *Lippincott's Monthly Magazine*, 1894 *The Newgate Calendar* Andrew Knapp (Attorney at law), William Baldwin (Attorney at law), 1828 **The Newgate Calendar; comprising interesting memoirs of the most notorious characters who have been convicted of outrages on the laws of England since the commencement of the eighteenth century; with anecdotes ... and last exclamations of sufferers** Andrew KNAPP, 1828 *The Newgate Calendar* Andrew Knapp, William Baldwin (Attorney at law), 1825
