## **The Cockfight A Casebook:**

**The Cockfight** Alan Dundes, 1994-06-15 Originating more than 2500 years ago cockfighting is one of the oldest documented sports in the world It has continued to flourish despite bans against it in many countries In *The Cockfight A Casebook* folklorist Alan Dundes brings together a diverse array of writing on this male dominated ritual Vivid descriptions of cockfights from Puerto Rico Tahiti Ireland Spain Brazil and the Philippines complement critical commentaries from the fourth century reflections of St Augustine to contemporary anthropological and psychoanalytic interpretations The various essays discuss the intricate rules of the cockfight the ethical question of pitting two equally matched roosters in a fight to the death the emotional involvement of cockfighters and fans and the sexual implications of the sport The result is an enlightening collection for anthropologists folklorists sociologists and psychologists as well as followers of this ancient blood sport

**Cockfighting in Britain from Antiquity to the Enlightenment** Alexander Sutherland, 2024-11-15 This book looks at the relationship of the cock and cockfighting in Britain from ancient times to the early modern period showing the societal and cultural changes that affected that relationship It examines the evolution of the cock's role in religion and sport and the evolution of cockfighting as a sport in light of the changing culture of pastimes the historical development of humankind's relationship with animals and the philosophy related to animal cruelty and animal rights *The Cockfight* Alan

Dundes, 1994-06-15 A folklorist brings together 18 accounts of the controversial male dominated ritual of cockfighting discussing the intricate rules of the cockfight the ethical question of pitting two equally matched roosters in a fight to the death the emotional involvement of cockfighters and fans and the sexual implications of the sport *Transcultural*

*Nationalism in Hispano-Filipino Literature* Irene Villaescusa Illán, 2020-07-23 This book studies a selection of works of Philippine literature written in Spanish during the American occupation of the Philippines 1902-1946 It explores the place of Filipino nationalism in a selection of fiction and non-fiction texts by Spanish speaking Filipino writers Jesús Balmori Adelina Gurrea Monasterio Paz Mendoza Guazán and Antonio Abad Taking an interdisciplinary approach that draws from Anthropology History Literary Studies Cultural Analysis and World Literature this book offers a comparative analysis of the position of these authors toward the cultural transformations that have taken place as a result of the Philippines' triple history of colonization by Spain the US and Japan while imagining an independent nation Engaging with an untapped archive this book is a relevant and timely contribution to the fields of both Filipino and Hispanic literary studies **The Walled-Up**

**Wife: A Casebook** Alan Dundes, 1996 **Napoleon Against Himself** Avner Falk, 2015-08-01 Although Napoleon Bonaparte has been a favorite subject of biographers for nearly two centuries to date no full scale psychobiography of arguably the most compelling fascinating and complex leader in world history has ever been published With *Napoleon Against Himself* internationally recognized scholar Avner Falk fills this void He not only considers Napoleon's intellect but also what use he made of it how it affected his emotional life and whether he used intellectualization as one of his unconscious defensive

processes Additionally he examines Napoleon s ambivalent relationship with his mother his identification with the Motherland and his fits of narcissistic rage violence and aggression Specifically Falk focuses on his numerous irrational self defeating and self destructive actions In weaving in the psychological interpretations that have previously been proposed for Napoleon s actions with his own new insights Falk has created a most stimulating and original work that sheds much needed light on Napoleon s troubled inner world *Birds in Roman Life and Myth* Ashleigh Green,2023-03-03 This book explores the place of birds in Roman myth and everyday life focusing primarily on the transitional period of 100 BCE to 100 CE within the Italian peninsula A diverse range of topics is considered in order to build a broad overview of the subject Beginning with an appraisal of omens augury and auspices including the sacred chickens consulted by generals before battle it goes on to examine how Romans farmed birds hunted them and kept them as pets It demonstrates how the ownership and consumption of birds were used to communicate status and prestige and how bird consumption mirrored wider economic and social trends Each topic adopts an interdisciplinary approach considering literary evidence alongside art material culture zooarchaeology and modern ornithological knowledge The inclusion of zooarchaeology adds another dimension to the work and highlights the value of using animals and faunal remains to interpret the past Studying the Roman view of birds offers great insight into how they conceived of their relationship with the gods and how they stratified and organised their society This book is a valuable resource for bird lovers and researchers alike particularly those studying animals in the ancient world **Alex and the Hobo** José Inez Taylor,James M. Taggart,2010-01-01 When a ten year old boy befriends a mysterious hobo in his southern Colorado hometown in the early 1940s he learns about evil in his community and takes his first steps toward manhood by attempting to protect his new friend from corrupt officials Though a fictional story Alex and the Hobo is written out of the life experiences of its author Jos Inez Joe Taylor and it realistically portrays a boy s coming of age as a Spanish speaking man who must carve out an honorable place for himself in a class stratified and Anglo dominated society In this innovative ethnography anthropologist James Taggart collaborates with Joe Taylor to explore how Alex and the Hobo sprang from Taylor s life experiences and how it presents an insider s view of Mexicano culture and its constructions of manhood They frame the story included in its entirety with chapters that discuss how it encapsulates notions that Taylor learned from the Chicano movement the farmworkers union his community his father his mother and his religion Taggart gives the ethnography a solid theoretical underpinning by discussing how the story and Taylor s account of how he created it represent an act of resistance to the class system that Taylor perceives as destroying his native culture **Ecofeminism: Feminist Intersections with Other Animals and the Earth** Carol J. Adams,Lori Gruen,2014-07-31 This book first offers an historical overview that situates ecofeminist theory and activism and provides a timeline for important publications and events This is followed by contributions from theorists and activists on how our emotions and embodiment can and must inform our relationships with the more than human world In the final section the contributors explore the complexities of appreciating

difference and the possibilities of living less violently Throughout the book the authors engage with intersections of gender and gender non conformity race sexuality disability and species      **The Secret History of Gender** Steve J.

Stern,2000-11-09 In this study of gender relations in late colonial Mexico ca 1760 1821 Steve Stern analyzes the historical connections between gender power and politics in the lives of peasants Indians and other marginalized peoples Through vignettes of everyday life he challenges assumptions about gender relations and political culture in a patriarchal society He also reflects on continuity and change between late colonial times and the present and suggests a paradigm for understanding similar struggles over gender rights in Old Regime societies in Europe and the Americas Stern pursues three major arguments First he demonstrates that non elite women and men developed contending models of legitimate gender authority and that these differences sparked bitter struggles over gender right and obligation Second he reveals connections in language and social dynamics between disputes over legitimate authority in domestic and familial matters and disputes in the arenas of community and state power The result is a fresh interpretation of the gendered dynamics of peasant politics community and riot Third Stern examines regional and ethnocultural variation and finds that his analysis transcends particular locales and ethnic subgroupings within Mexico The historical arguments and conceptual sweep of Stern s book will inform not only students of Mexico and Latin America but also students of gender in the West and other world regions

**Claire Denis** Judith Mayne,2005-03-30 Widely regarded as one of the most innovative and passionate filmmakers working in France today Claire Denis has continued to make beautiful and challenging films since the 1988 release of her first feature *Chocolat* Judith Mayne s comprehensive study traces Denis s career and discusses her major feature films in rich detail Born in Paris but raised in West Africa Denis explores in her films the legacies of French colonialism and the complex relationships between sexuality gender and race From the adult woman who observes her past as a child in Cameroon to the Lithuanian immigrant who arrives in Paris and watches a serial killer to the disgraced French Foreign Legionnaire attempting to make sense of his past the subjects of Denis s films continually revisit themes of watching bearing witness and making contact as well as displacement masculinity and the migratory subject      **Obscenity** Jan M. Ziolkowski,2023-11-27

This volume makes most wide ranging attempt ever to probe the natures origins and consequences of obscenity in medieval literature art theater and law One large section examines obscenity in medieval French literature especially fabliaux but the rest of the book explores obscenity in cultures and languages of other regions in Europe      **The World of Lucha Libre**

Heather Levi,2008-10-24 Ethnography of Mexican professional wrestling by a female wrestler and scholar showing how the sport is linked to national affirmations and counter narratives      **Tonino** John G. Stoffolano Jr.,2011-05-23 Tonino is a young curious cricket boy living with his family in Boston Life is good for young Tonino but he suspects theres more to the world than his own backyard He wants to learn about foreign cultures but mostly he wants to learn about his own family roots He heads to Italy where he is surprised to meet the famous Blue Fairy who was friends with Toninos ancestorthe cricket guide to

Pinocchio Whereas Tonino's ancestor was put in charge of young Pinocchio's conscience Tonino is given a much more universal conscience He is charged with the conscience of the world and the well being of its environment a big change to his personal journey No longer is he looking after the story of his family now he looks after the story of Mother Earth Suddenly he is transported on a worldwide adventure He heads to Puerto Rico and meets the Ta no people He visits a monarch in Mexico and cricket warriors in China In the American Southwest he learns about the spirit of the cricket katsina in Hawaii he encounters Pele's rage It's a lot to take in for the young cricket boy but ultimately he discovers that seeking his roots is only the beginning in the wide world of biodiversity cultural diversity and conservation of both The boy cricket is baptized Anthony at Our Lady of Mount Carmel Church His parents live in the North End where his mother kept hearing the television advertisement Anthony Anthony It's Prince Spaghetti Day so they named him Anthony Naming him Anthony was straight forward but naming him Tonino was at the brilliant suggestion of Dr William Cooley retired Northampton Ophthalmologist and avid Italophile Dr Cooley sent Dr Stoffolano a short novel by an Italian author named Rodari about a young boy Tonino who tries to become invisible so that he could avoid problems with his teacher Rodari 1920-1980 was one of Italy's best known writers of children's books and the recipient of the Hans Christian Andersen Medal for children's literature Thus the name and his ability to become invisible are incorporated into the story In addition to this reference to his nickname Tonino is a small cricket because he always ate Italian food in the North End and not cricket food Thus he also got the name Tonino which means little Anthony in Italian from Joe Pace who owns and started Joe Pace Sons Italian Specialties in Boston's North End In his novel Stoffolano establishes the first lineage for this famous cricket family Tonino's great great great grandfather was Grillo parlante the talking cricket in the original story Pinocchio Grillo was also the conscience of Pinocchio and Grillo's great grandson was the famous Jiminy Cricket in Walt Disney's classic movie Pinocchio In this wonderful story about Tonino the reader sees many different regions of the world through the eyes of this boy cricket where through the experiences of Tonino the reader will learn more about how crickets played various and important roles in different indigenous cultures Tonino's charge by the Blue Fairy was to become the conscience of the world when it comes to environmental issues A heavy responsibility for a small boy cricket The importance of cultural diversity just as important as biodiversity is stressed and Tonino takes on Dr E O Wilson one of the greatest thinkers writers of our generation as his mentor Campus Traditions Simon J. Bronner, 2012-09-15 How American campus life shapes students and how students shape campus lore

**Dangerous Crossings** Claire Jean Kim, 2015-04-20 Dangerous Crossings interprets disputes in the United States over the use of animals in the cultural practices of nonwhite peoples **Celebrating Latino Folklore** María

Herrera-Sobek, 2012-07-16 Latino folklore comprises a kaleidoscope of cultural traditions This compelling three volume work showcases its richness complexity and beauty Latino folklore is a fun and fascinating subject to many Americans regardless of ethnicity Interest in and celebration of Latin traditions such as Día de los Muertos in the United States is becoming more

## **The Cockfight A Casebook Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Cockfight A Casebook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Cockfight A Casebook has opened up a world of possibilities. Downloading The Cockfight A Casebook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Cockfight A Casebook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Cockfight A Casebook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Cockfight A Casebook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Cockfight A Casebook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Cockfight A Casebook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
